

COVID-19 Updates

As of Thursday, September 24th

California Department Of Public Health Updates

New color tier system effective Aug 31st. [CDPH webpage here](#)

“Schools may reopen for in-person instruction based on equivalent criteria to the [July 17th School Re-opening Framework](#) previously announced. That framework remains in effect except that Tier 1 is substituted for the previous County Data Monitoring List (which has equivalent criteria to Tier 1). Schools in counties within Tier 1 are not permitted to reopen for in-person instruction, with an exception for waivers granted by local health departments for TK-6 grades. Schools that are not authorized to reopen, including TK-6 schools that have not received a waiver, may provide structured, in-person supervision and services to students under the [Guidance for Small Cohorts/Groups of Children and Youth](#).

Schools are eligible for reopening fully for in-person instruction following California School Sector Specific Guidelines once the county is off Tier 1 for 14 days, which is similar to being off the County Data Monitoring List for at least 14 days.”

	Higher Risk → Lower Risk of Community Disease Transmission			
	Widespread Tier 1	Substantial Tier 2	Moderate Tier 3	Minimal Tier 4
