From:	MPS Finance Committee
Staff Lead:	Serdar Orazov, Chief Financial Officer
RE:	2021-22 Magnolia Public Schools Budget Including Master List of Contracts over \$50,000

Proposed Board Recommendation

- Adopt the FY 2021-22 Budget as reviewed and recommended for approval by the MPS Finance Committee
- Approve all vendors and ongoing contracts over \$50,000 for FY 2021-22 as listed on the attached document.
- Approve the Home Office Management Fee Structure for FY 2021-22

Background

- The Adopted Budget is part of an ongoing series of state-required reports for the 2021- 22 fiscal year. The state requires that all local educational agencies adopt a budget by July 1 of each year. County superintendents are required to examine the adopted budget for each school district in the county and the State Superintendent of Public Instruction (SSPI) is required to examine the adopted budget for each county office of education. Budgets are examined for compliance with state-adopted criteria and standards, to identify technical corrections needed, and to determine whether the budget will allow the LEA to meet budget year and multiyear financial commitments.
- The board approves all vendors and ongoing contracts included in the attached list annually. MPS Financial Policy PUR107 requires all contracts over \$50,000 to go thru RFP process and be approved by the Board if not included in the board approved Master Vendor List.
- Home office management base fees are calculated based on a fee structure approved by the board in FY 2015-16. Those fees are calculated based on the projected ADA per school site for budgeting purposes. The final amount is recalculated at the end of each fiscal year using P2 report.
