RE:	Approval of 2021-22 Compliance Monitoring and Certification of Board Compliance Review for MSA-4, 6, 7, and Bell

Proposed Board Recommendation

I move that the board approve 2021-22 Compliance Monitoring and Certification of Board Compliance Review for MSA-4, 6, 7, and Bell.

Background

This is an annual item that the Board needs to approve for LAUSD authorized MPS schools. LAUSD requires that each charter school get this certification approved by their board and submit it along with approved board agenda and minutes. This document certifies that the charter school meets all compliance requirements indicated on the document. LAUSD will review documentation of compliance during their oversight visit to each school.

LAUSD has listed 27 areas of compliance requirements for review on the document ranging from employee criminal background and TB clearances to obtaining WASC accreditation and UC Doorways course approval. The school principals have already signed the document certifying that they have reviewed the school's compliance related policies, systems, and procedures. In support of the schools the Home Office also oversees and ensures that all school compliance items are met. The document signed by the principals was submitted to LAUSD as part of the Quarter 1 submission.

Last year there were 25 areas on the document. The two new areas that were added are in regard to Title IX procedures as can be seen below.

<p>25. Charter school must comply with all online posting requirements related to the filing of a Title IX complaint pursuant to Education Code section 221.61.</p>	<p>Documentation of the charter school's online posting(s) containing all the required information set forth in Education Code section 221.61.</p>
<p>26. Charter school must comply with all Title IX federal requirements including the adoption and publishing of grievance procedures. These procedures are intended to provide for the prompt and equitable resolution of student and employee complaints set forth in 34 C.F.R. § 106.8.</p>	<p>Documentation of the charter school's adoption and publishing of its grievance procedures including the Board Meeting Agenda(s) and Board Minute(s).</p>

LAUSD requires that the Governing Board Chair sign each certification upon Board review and approval. The signed certification page will be part of Quarter 2 submission to LAUSD.

CHARTER SCHOOL COMPLIANCE MONITORING 2021-2022

Dear Charter School Governing Board President and Charter School Leaders:

As part of its oversight responsibility set forth in California Education Code § 47604.32, the LAUSD, through the Charter Schools Division (CSD), monitors each charter public school's compliance with applicable legal, charter, and policy requirements. The CSD's compliance oversight process encompasses three important actions by each charter school:

- (1) **School Administrator's Certification:** As the CSD continues its focus on ensuring that the well-being of students remains first and foremost, **by October 29, 2021**, (designed to be aligned with the six-week deadline for Child Abuse Mandated Reporter training) as part of the school's Q1 electronic submission of documents, we request that the school site administrator submit the attached certification confirming the school's implementation of safety measures at the beginning of the school year. This beginning of the year certification by the school administrator informs the governing board and supports the school in ensuring that critical organizational and management systems are in place as the school year begins, as these requirements greatly impact students, staff, and the public. **Please return the entire document with only the school administrator's columns completed, along with the administrator's signature no later than October 29, 2021.**
- (2) **Certification of Board Compliance Review:** As in previous years, and as part of the Governing Board's fulfillment of its fiduciary governance responsibility to ensure that the charter school complies with all applicable laws and other requirements, it is critical that the school's Governing Board periodically review, discuss, monitor, and modify, if necessary, the school's policies and systems for compliance with such requirements. **Please complete and sign the final certification at the end of the attached document, *Compliance Monitoring and Certification of Board Compliance Review 2021-2022*, and return the entire document, (including the administrator's certification from the first submission). Please include the relevant Board agenda(s) and minutes as evidence of the Governing Board's review of these items and submit to the Charter Schools Division via Dropbox no later than January 14, 2022.**

The CSD is very much aware and acknowledges that governing boards provide fiduciary oversight and hire a leader (or leaders) to execute day-to-day operations and appropriately delegated functions. Moreover, the charter school's governing board is the first line of charter school oversight. As part of the District's oversight process, this certification is intended to serve as a formal acknowledgement from charter school governing boards of their review and appropriate due diligence in these key areas as part of their own organizational oversight function. As stated in the *LAUSD Policy and Procedures for Charter Schools*, "While LAUSD is responsible to provide oversight of its charter schools and the entities managing charter schools, the primary oversight of each charter school must first and foremost be performed by the charter school's own governing board. The governing board of a charter school has an ongoing

responsibility to oversee the operations of its charter school(s), ensuring that every charter school it oversees is providing a high-quality educational program for students enrolled, is successfully fulfilling the terms of their charter, is fiscally sound, and complies with applicable laws, regulations, and court orders.” This annual certification also provides charter governing boards an opportunity to confirm with their school leadership that systems are/remain in place to fulfill these critical requirements that impact students, staff, and the public.

- (3) Documentation of Compliance: As we have historically done, the CSD will review documentation of compliance with several key legal requirements as part of this year’s annual performance-based oversight visit to each charter school. To facilitate effective and efficient compliance review on the day of the visit, please adhere to the guidance provided in the *Annual Performance-Based Oversight Visit Preparation Guide 2021-2022* for the preparation of the school’s compliance documentation. Please ensure that this documentation is current, complete, and accurate. The “Supporting Documentation” column of the table in the attached *Compliance Monitoring and Certification of Board Compliance Review 2021-2022* may provide useful support and assistance in this endeavor.

We appreciate your continued collaboration and cooperation as we work together so that all youth achieve in healthy and safe environments. Should you have questions, please contact your assigned CSD administrator.

Best wishes,

José Cole-Gutiérrez

CHARTER SCHOOL COMPLIANCE MONITORING 2021-2022

Dear Charter School Governing Board President and Charter School Leaders:

As part of its oversight responsibility set forth in California Education Code § 47604.32, the LAUSD, through the Charter Schools Division (CSD), monitors each charter public school's compliance with applicable legal, charter, and policy requirements. The CSD's compliance oversight process encompasses three important actions by each charter school:

- (1) **School Administrator's Certification**: As the CSD continues its focus on ensuring that the well-being of students remains first and foremost, **by October 29, 2021**, (designed to be aligned with the six-week deadline for Child Abuse Mandated Reporter training) as part of the school's Q1 electronic submission of documents, we request that the school site administrator submit the attached certification confirming the school's implementation of safety measures at the beginning of the school year. This beginning of the year certification by the school administrator informs the governing board and supports the school in ensuring that critical organizational and management systems are in place as the school year begins, as these requirements greatly impact students, staff, and the public. **Please return the entire document with only the school administrator's columns completed, along with the administrator's signature no later than October 29, 2021.**
- (2) **Certification of Board Compliance Review**: As in previous years, and as part of the Governing Board's fulfillment of its fiduciary governance responsibility to ensure that the charter school complies with all applicable laws and other requirements, it is critical that the school's Governing Board periodically review, discuss, monitor, and modify, if necessary, the school's policies and systems for compliance with such requirements. **Please complete and sign the final certification at the end of the attached document, *Compliance Monitoring and Certification of Board Compliance Review 2021-2022*, and return the entire document, (including the administrator's certification from the first submission). Please include the relevant Board agenda(s) and minutes as evidence of the Governing Board's review of these items and submit to the Charter Schools Division via Dropbox no later than January 14, 2022.**

The CSD is very much aware and acknowledges that governing boards provide fiduciary oversight and hire a leader (or leaders) to execute day-to-day operations and appropriately delegated functions. Moreover, the charter school's governing board is the first line of charter school oversight. As part of the District's oversight process, this certification is intended to serve as a formal acknowledgement from charter school governing boards of their review and appropriate due diligence in these key areas as part of their own organizational oversight function. As stated in the *LAUSD Policy and Procedures for Charter Schools*, "While LAUSD is responsible to provide oversight of its charter schools and the entities managing charter schools, the primary oversight of each charter school must first and foremost be performed by the charter school's own governing board. The governing board of a charter school has an ongoing

responsibility to oversee the operations of its charter school(s), ensuring that every charter school it oversees is providing a high-quality educational program for students enrolled, is successfully fulfilling the terms of their charter, is fiscally sound, and complies with applicable laws, regulations, and court orders.” This annual certification also provides charter governing boards an opportunity to confirm with their school leadership that systems are/remain in place to fulfill these critical requirements that impact students, staff, and the public.

- (3) Documentation of Compliance: As we have historically done, the CSD will review documentation of compliance with several key legal requirements as part of this year’s annual performance-based oversight visit to each charter school. To facilitate effective and efficient compliance review on the day of the visit, please adhere to the guidance provided in the *Annual Performance-Based Oversight Visit Preparation Guide 2021-2022* for the preparation of the school’s compliance documentation. Please ensure that this documentation is current, complete, and accurate. The “Supporting Documentation” column of the table in the attached *Compliance Monitoring and Certification of Board Compliance Review 2021-2022* may provide useful support and assistance in this endeavor.

We appreciate your continued collaboration and cooperation as we work together so that all youth achieve in healthy and safe environments. Should you have questions, please contact your assigned CSD administrator.

Best wishes,

José Cole-Gutiérrez
Director, Charter Schools Division

CHARTER SCHOOL COMPLIANCE MONITORING 2021-2022

Dear Charter School Governing Board President and Charter School Leaders:

As part of its oversight responsibility set forth in California Education Code § 47604.32, the LAUSD, through the Charter Schools Division (CSD), monitors each charter public school's compliance with applicable legal, charter, and policy requirements. The CSD's compliance oversight process encompasses three important actions by each charter school:

- (1) **School Administrator's Certification**: As the CSD continues its focus on ensuring that the well-being of students remains first and foremost, **by October 29, 2021**, (designed to be aligned with the six-week deadline for Child Abuse Mandated Reporter training) as part of the school's Q1 electronic submission of documents, we request that the school site administrator submit the attached certification confirming the school's implementation of safety measures at the beginning of the school year. This beginning of the year certification by the school administrator informs the governing board and supports the school in ensuring that critical organizational and management systems are in place as the school year begins, as these requirements greatly impact students, staff, and the public. **Please return the entire document with only the school administrator's columns completed, along with the administrator's signature no later than October 29, 2021.**
- (2) **Certification of Board Compliance Review**: As in previous years, and as part of the Governing Board's fulfillment of its fiduciary governance responsibility to ensure that the charter school complies with all applicable laws and other requirements, it is critical that the school's Governing Board periodically review, discuss, monitor, and modify, if necessary, the school's policies and systems for compliance with such requirements. **Please complete and sign the final certification at the end of the attached document, *Compliance Monitoring and Certification of Board Compliance Review 2021-2022*, and return the entire document, (including the administrator's certification from the first submission). Please include the relevant Board agenda(s) and minutes as evidence of the Governing Board's review of these items and submit to the Charter Schools Division via Dropbox no later than January 14, 2022.**

The CSD is very much aware and acknowledges that governing boards provide fiduciary oversight and hire a leader (or leaders) to execute day-to-day operations and appropriately delegated functions. Moreover, the charter school's governing board is the first line of charter school oversight. As part of the District's oversight process, this certification is intended to serve as a formal acknowledgement from charter school governing boards of their review and appropriate due diligence in these key areas as part of their own organizational oversight function. As stated in the *LAUSD Policy and Procedures for Charter Schools*, "While LAUSD is responsible to provide oversight of its charter schools and the entities managing charter schools, the primary oversight of each charter school must first and foremost be performed by the charter school's own governing board. The governing board of a charter school has an ongoing

responsibility to oversee the operations of its charter school(s), ensuring that every charter school it oversees is providing a high-quality educational program for students enrolled, is successfully fulfilling the terms of their charter, is fiscally sound, and complies with applicable laws, regulations, and court orders.” This annual certification also provides charter governing boards an opportunity to confirm with their school leadership that systems are/remain in place to fulfill these critical requirements that impact students, staff, and the public.

- (3) Documentation of Compliance: As we have historically done, the CSD will review documentation of compliance with several key legal requirements as part of this year’s annual performance-based oversight visit to each charter school. To facilitate effective and efficient compliance review on the day of the visit, please adhere to the guidance provided in the *Annual Performance-Based Oversight Visit Preparation Guide 2021-2022* for the preparation of the school’s compliance documentation. Please ensure that this documentation is current, complete, and accurate. The “Supporting Documentation” column of the table in the attached *Compliance Monitoring and Certification of Board Compliance Review 2021-2022* may provide useful support and assistance in this endeavor.

We appreciate your continued collaboration and cooperation as we work together so that all youth achieve in healthy and safe environments. Should you have questions, please contact your assigned CSD administrator.

Best wishes,

José Cole-Gutiérrez
Director, Charter Schools Division
