Areas of Improvement

Independent Study: Staffing to supervise Independent Study students to ease the load of DoAs.

Special Education: Build capacity in Sped Department for a coordinator.

Parent outreach: Hire a PACE coordinator.

College Counseling: Sole College Counselor next year. Currently, it is an add-on duty.

Areas of Improvement-Enrollment Numbers

	6th grade	7th grade	8th grade	9th grade	10th grade	11th grade	12th grade
2020-2021	34	70	89	68	63	52	45
2021-2022	62	40	69	75	56	55	49

Enrollment Gap occurred during pandemic with 6th grade and 9th grade.

We almost doubled our enrollment with 6th grade and increased our 9th grade enrollment this year.

However, the dent in enrollment due to pandemic will hurt us for some years. We tasked our assistant Principal Mr. Thomas with enrollment and outreach efforts.

Areas of Improvement- Teacher retention/coaching

Coaching: Employ an instructional coach to support the new teachers.

Effective walkthrough/informal observation schedule: Pandemic related issues took a big chunk of admin time. We will refocus on classroom teacher coaching/support.

Truancy/Chronic Absenteeism: Pandemic hit our attendance rates. With the hiring of PACE, we will be able to allocate half the time to reach out to absent students. Our first semester ADA is 89%.

Factors impacting:

- Covid related absences like symptomatic students
- Fear and concern in the community to send the students to school due to Covid.
