RE:	Approval of MPS Teaching Assignments per EdCode ("EC") 44258.3

Proposed Board Recommendation

The MPS Ed Code Panel recommends that the Magnolia Public Schools Board approves the listed academic teaching assignments for the listed teachers per EC 44258.3.

Background

California EC 44358.3 allows for local education agencies to grant teachers with a preliminary or clear credential to teach subject matters outside of their credential subject area by submitting a petition with supporting documentation demonstrating competency. During the August 2021 Board of Directors meeting, the EC 44358.3 procedures and process was presented and approved.

Eligible MPS teachers interested to teach subject matters outside of their credential subject have submitted their petitions to the school principals. The school principals reviewed/signed the petition and forwarded it to the established MPS Ed Code panel for determination of the teachers' subject matter knowledge. Upon review of all available information, the panel made their decision on the petition(s) and notified the principal of their decision. The chosen teachers for the assignment are listed in the attachment below and submitted for the review and approval of the MPS Board of Directors prior to the beginning of the assignment.

Purpose:

The purpose of the policy is to approve teaching assignments on an annual, renewable basis so that courses will be taught by approved educators. This will:

1. reduce the number of misassignments in CALPADS,
2. allow for the schools to utilize their existing teaching staff to fill open positions rather than relying on substitutes, and
3. allow for the continued professional growth of our staff who would like to broaden their teaching experience.

Scope:

The scope of the practice applies to all MPS school sites.

Budget Impact: No additional impact to site budgets.
