RE:	2022-23 Certification of Assurances, Protected Prayer Certification, Application for Funding

Proposed Board Recommendation

I move that the Board approves the 2022-23 Certification of Assurances, 2022-23 Protected Prayer Certification, 2022-23 Application for Funding and General Assurances as presented.

Background

• The Consolidated Application (ConApp) is used by the California Department of Education (CDE) to distribute categorical funds from various state and federal programs to county offices, school districts, and direct-funded charter schools throughout California. Annually, in June, each local educational agency (LEA) submits the spring release of the application to document participation in these programs and provide assurances that the district will comply with the legal requirements of each program. Program entitlements are determined by formulas contained in the laws that created the programs. The items required to be approved by the Board are attached herein. The documents listed above should be approved within 6 weeks from the date Consolidated Application Reporting System(CARS) is released. The CARS was released on August 1, 2022.
