

Agenda Item:	II B: Consent Item
Date:	January 19, 2023
To:	Magnolia Educational & Research Foundation dba Magnolia Public Schools (“MPS”) Board of Directors
From:	Alfredo Rubalcava, CEO & Superintendent
Staff Lead(s):	David Yilmaz, Chief Accountability Officer
RE:	Approval of School Accountability Report Cards (SARC) For All MPS

**1. Action Proposed:**

I move that the board approve the School Accountability Report Cards (SARC) for all Magnolia Public Schools (MPS).

**2. Purpose:**

All active public schools/LEAs and nonpublic, nonsectarian schools are required to prepare and disseminate a SARC for the primary purpose of providing parents with data and information to make meaningful comparisons between schools (inclusive of charter schools).

**3. Background:**

Charter schools are required to prepare SARC reports as a method by which to measure pupil progress in meeting pupil outcomes for state priorities, pursuant to EC section 47605(b)(5)(C).

The SARC presented for board approval is for the year of 2021-22 and covers information about the school, including but not limited to, Conditions of Learning, Pupil Outcomes, Engagement, expenditures per pupil, professional development, and other information about the school. Schools are required to use the template provided by the CDE where the majority of the data is pre-populated in the report by the CDE while the school is asked to provide a narrative in the following areas: school description and mission statement, school facility conditions and planned improvements, career technical education programs, opportunities for parental involvement, school safety plan, types of services funded, and professional development.

SARC needs to be approved by the board annually by February 1 and posted on each school’s website. It is also required of LEAs to notify all parents of the availability of a full report and provide instructions regarding how this information can be obtained both through the internet and on paper (upon request). LEAs with access to the internet are required to make SARCs available through that medium.

**4. Analysis:**

Please see the attached SARC reports for the currently available data and information about each MPS school. MPS will publish SARC after board approval and before February 1 and will notify parents in English and Spanish of the availability. It is a federal requirement to send some form of notification, such as a newsletter or flyer sent home to parents, that a hard copy will be made available upon request at the school site. MPS also utilizes the ParentSquare messaging system to communicate with our educational partners. The Home Office Accountability Department supports and monitors the completion and dissemination of the report.

5. **Impact:**

It is mandated by the state that each school have a board approved SARC available for public view. It will also allow our educational partners to access data and information so they can provide feedback for continuous school improvement.

6. **Budget Implications:**

N/A

7. **Committee Recommendations:**

N/A

8. **Exhibits:**

- School Accountability Report Card (SARC) (one for each MSA)
  - Magnolia Science Academy - 1 .....Pg. 3
  - Magnolia Science Academy - 2 .....Pg. 31

**Magnolia Science Academy**  
**2021–22 School Accountability Report Card**  
**Reported Using Data from the 2021–22 School Year**  
**California Department of Education**

**Address:** 18238 Sherman Way  
Reseda, CA , 91335-4550

**Principal:** Brad Plonka

**Phone:**

**Grade Span:**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2022–23)

### Our Mission:

Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college preparatory STEAM educational experience in an environment that cultivates respect for self and others.

### Our Vision:

Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with creative thinking, effective communication, and the rigor of science.

### MSA-1's 2022-23 Goals:

#### 1. BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT

All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including full credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

#### 2. EXCELLENCE

All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college and career-ready.

#### 3. BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT INNOVATION

All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways, and demonstrate high-quality learning outcomes.

#### 4. CONNECTION

All students, families, staff, and other stakeholders will have access to meaningful engagement opportunities that help cultivate leadership advocacy, and collaboration in a safe and nurturing environment. Stakeholders will feel a sense of community and connectedness. Teacher assignments and credentials Instructional materials and technology Clean and safe facilities that support learning Healthy and nutritious meals Well-orchestrated Home Office support services.

### Student Enrollment by Grade Level (School Year 2021–22)

Grade Level	Number of Students
Grade 6	115
Grade 7	133
Grade 8	116
Grade 9	133
Grade 10	86
Grade 11	83
Grade 12	76
Total Enrollment	742

Minimum students was not met in the provided examples. Future development will include messages on the table to explain what the minimums are to display data.

Last updated: 1/13/23

### Student Enrollment by Student Group (School Year 2021–22)

Student Group	Percent of Total Enrollment
Female	48.00%
Male	52.00%
Non-Binary	0.00%
American Indian or Alaska Native	0.00%
Asian	3.00%
Black or African American	1.00%
Filipino	2.00%
Hispanic or Latino	91.00%
Native Hawaiian or Pacific Islander	0.00%
Two or More Races	1.00%
White	3.00%

Student Group (Other)	Percent of Total Enrollment
English Learners	22.00%
Foster Youth	0.00%
Homeless	2.00%
Migrant	0.00%
Socioeconomically Disadvantaged	86.00%
Students with Disabilities	15.00%

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	29.00	84.84	314.10	59.37	228366.10	83.12
Intern Credential Holders Properly Assigned	0.80	2.42	13.10	2.48	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	2.30	6.98	42.50	8.05	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	1.50	4.59	139.00	26.27	12115.80	4.41
Unknown	0.30	1.11	20.20	3.82	18854.30	6.86
Total Teaching Positions	34.20	100.00	529.00	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

MSA-1 is housed in facilities that received state Fire Marshal approval, meet the Los Angeles Uniform Building Code and federal American Disabilities Act (ADA) access requirements, and are evaluated by a qualified structural engineer who has determined that the facilities present no substantial seismic safety hazard. Periodic inspections shall be undertaken to ensure such safety standards are met.

MSA-1 complies with all Asbestos Hazard Emergency Response Act (AHERA, 29 CFR Part 763, Subpart E) regulations, including compliance with inspections mandated by AHERA utilizing independent consultants. Dependent on the facility lease requirements, MSA-1 outsources all maintenance/custodial duties and operational functions, including major and minor repairs, pest control, landscaping, and gardening, to vendors qualified to perform such functions.

*Last updated: 1/17/23*

## School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2022

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Fair	
<b>Interior:</b> Interior Surfaces	Good	
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Fair	
<b>Restrooms/Fountains:</b> Restrooms, Sinks/Fountains	Good	
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Fair	
<b>External:</b> Playground/School Grounds, Windows/Doors/Gates/Fences	Good	

## Overall Facility Rate

Year and month of the most recent FIT report: December 2022

Overall Rating	Good
----------------	------

*Last updated: 1/17/23*

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  - Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  - California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	47%	N/A	38%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	14%	N/A	22%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/17/23

**CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	436	430	98.62	1.38	36.05
Female	209	204	97.61	2.39	40.20
Male	227	226	99.56	0.44	32.30
American Indian or Alaska Native	0	0	0	0	0
Asian	13	13	100.00	0.00	69.23
Black or African American	--	--	--	--	--
Filipino	--	--	--	--	--
Hispanic or Latino	393	387	98.47	1.53	33.07
Native Hawaiian or Pacific Islander	--	--	--	--	--
Two or More Races	--	--	--	--	--
White	13	13	100.00	0.00	69.23
English Learners	100	98	98.00	2.00	2.04
Foster Youth	0	0	0	0	0
Homeless					
Military	0	0	0	0	0
Socioeconomically Disadvantaged	366	362	98.91	1.09	34.81
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	58	57	98.28	1.72	5.26

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2022–23)

MSA-1 is a school of choice that significantly benefits from parent involvement in our student's learning process. Our school provides a login for parents to track their child's progress. Each staff member has an email address and phone number, and parents can easily access their contact information via the website. The teachers and administration at MSA-1 are very responsive to emails and phone messages left by parents. Additionally, teachers do home visits which enhance communication beyond what a phone call or an email can do. These home visits are critical components in maintaining an open line of communication between teachers and home life. Before the start of the school year, MSA-1 holds an orientation for both new and returning students. Each teacher can meet their homeroom students and families to convey the school and classroom expectations. Parents can also voice any concerns they have before the school year starts and have any of their questions answered.

Our Parent Task Force (PTF) meets monthly to discuss fundraising, school-related activities, and concerns. We also have Coffee with the Admin team to allow parents to meet the whole admin team once a month and learn about hot topics like internet safety or community resources. Throughout the year, parents can contact and meet any teacher during an assigned time to discuss a student's progress. This is particularly necessary because parents know that a teacher can be reached. Open Houses are held during the school year and are available to the neighbors and community where the school is located. Field trips are organized over the year and are taken within the community and overnight in locations that support academic growth.

Every six weeks, parents are mailed home a hard copy of their child's progress report or sent digitally. Teachers can make personal comments on each student that explain the student's progress beyond the letter grade. This description is helpful to the parents because the analysis is directly written for their child. We also offer our parents learning opportunities on weekdays and weekends.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019–20	School 2020–21	School 2021–22	District 2019–20	District 2020–21	District 2021–22	State 2019–20	State 2020–21	State 2021–22
Dropout Rate	0.00%	0.00%	2.70%	--	23.80%	13.40%	--	8.90%	7.80%
Graduation Rate	100.00%	100.00%	95.90%	--	60.00%	72.70%	--	84.20%	87.00%

Last updated: 1/17/23

**Graduation Rate by Student Group (Four-Year Cohort Rate)**  
**(School Year 2021–22)**

<b>Student Group</b>	<b>Number of Students in Cohort</b>	<b>Number of Cohort Graduates</b>	<b>Cohort Graduation Rate</b>
All Students	73	70	95.9
Female	34	31	91.2
Male	39	39	100.0
Non-Binary	0	0	0.0

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions for School Year 2019–20 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.90%	7.95%	2.45%
Expulsions	0.00%	0.01%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	1.71%	1.87%	4.48%	0.20%	3.17%
Expulsions	0.00%	0.00%	0.00%	0.03%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Last updated: 1/17/23

**Suspensions and Expulsions by Student Group  
(School Year 2021–22)**

Student Group	Suspensions Rate	Expulsions Rate
All Students	1.71	0.00
Female	1.37	0.00
Male	2.03	0.00
Non-Binary	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	1.90	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	0.00	0.00
English Learners	2.79	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	1.84	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	5.17	0.00

*Last updated: 1/17/23*

**School Safety Plan (School Year 2022–23)**

MSA-1 conducts monthly fire, earthquake, and other mandated drills, including lockdown drills. Our campus is a safe and welcoming school for our students, parents, and staff. We build our school culture by establishing and following our standards and expectations. The whole staff is trained during the summer and meets every week to be on the same page to provide our students with a sound structure. Teachers meet with their SSR/Advisory (homeroom) students to review the student handbook that explains their standards and expectations, including rules and procedures. Our reward and discipline system and clear school and classroom rules provide a consistent and nurturing environment. Our staff also offers adequate supervision during transitions and breaks.

Social Science	26.00	4	13	3

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Average Class Size and Class Size Distribution (Secondary) (School Year 2021–22)**

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	21.00	16	17	1
Mathematics	19.00	16	19	
Science	21.00	13	13	2
Social Science	19.00	16	9	2

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Ratio of Pupils to Academic Counselor (School Year 2021–22)**

Title	Ratio
Pupils to Academic Counselor*	.00

\* One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

*Last updated: 1/17/23*

**Student Support Services Staff (School Year 2021–22)**

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	3.00
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	4.00
Psychologist	1.00
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	4.00
Other	1.00

\* One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

*Last updated: 1/17/23*

**Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2020–21)**

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$13769.45	\$4113.18	\$9656.27	\$74886.00
District	N/A	N/A	\$14967.00	--
Percent Difference – School Site and District	N/A	N/A	58.00%	5.00%
State	N/A	N/A	\$6593.62	--
Percent Difference – School Site and State	N/A	N/A	36.00%	14.00%

Note: Cells with N/A values do not require data.

*Last updated: 1/17/23*

**Types of Services Funded (Fiscal Year 2021–22)**

MSA-1’s charter petition and Local Control and Accountability Plan (LCAP) describe school-wide goals and specific actions to be taken in each of the eight state priority areas, plus any locally identified priority areas, to achieve goals for all students and student groups. The LCAP also includes expenditures required to implement each of the goals and actions, including how additional funds provided for low-income students, English learners, and foster youth are used to increase or improve services for these students. MSA-1 uses federal funds to supplement state and local funds to provide a coherent educational program. The actions and services described in our LCAP include the following:

**Goal 1: Basic Services for a High-Quality Learning Environment:** Teacher assignments and credentials, instructional materials and technology, clean and safe facilities that support learning, healthy and nutritious meals, and well-orchestrated Home Office support services.

**Goal 2: Excellence:** Broad course of study and standards-based curriculum, professional development for high-quality instruction, MTSS - Academic enrichment, intervention, and student support, designated and integrated ELD programs, and support for students with disabilities.

**Goal 3: Innovation:** College/Career readiness programs and activities, STEAM and GATE programs, digital literacy and citizenship programs, physical education, activity, and fitness, and additional programs and activities that support a well-rounded education.

**Goal 4: Connection:** Seeking family input for decision making, building partnerships with families for student outcomes, MTSS - PBIS and SEL support, annual stakeholder surveys, and community outreach and partnerships.

**Magnolia Science Academy 2**  
**2021–22 School Accountability Report Card**  
**Reported Using Data from the 2021–22 School Year**  
**California Department of Education**

**Address:** 17125 Victory Blvd.  
Van Nuys, CA , 91406-5455

**Principal:** David Garner

**Phone:** (818) 758-0300

**Grade Span:**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## About This School

### David Garner

Principal, Magnolia Science Academy 2

### About Our School

Dear Parents, Guardians, and Stakeholders,

Welcome to the SARC Report for Magnolia Science Academy-2 (MSA-2). You can follow our school activities 24/7 via our webpage at: [msa2.magnoliapublicschools.org](http://msa2.magnoliapublicschools.org) or our twitter page @magnoliascience.

Respectfully,

David Garner  
Principal  
Magnolia Science Academy 2  
17125 Victory Blvd.

## School Description and Mission Statement (School Year 2022–23)

Magnolia Science Academy-2 (MSA-2 Charter School), is a classroom-based charter school serving grades 6–12 with a curriculum emphasis on Science, Technology, Engineering, Arts, and Math (STEAM). Originally founded in 2007, MSA-2 currently has 507 students in grades 6-12, and mainly draws enrollment from Van Nuys, CA, and neighboring communities. The 2021-22 academic year's enrollment is the highest in the school's history, and MSA-2 has had an increased enrollment over the past three consecutive school years.

Enrollment is on a first come first serve basis when a public lottery is not required.

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of information related to our schools. Most data presented in this report are reported for the 2021–22 school year. School finances and school completion data are reported for the 2021-22 school year. Contact information, facilities, curriculum, instructional materials, and select teacher data are reported for the 2021–22 school year.

MSA2 has established a clear, coherent vision and mission of what students should know and demonstrate; it is based upon high-quality standards and is congruent with research, practices, the student/community profile data, a belief that all students can learn and be college and career ready, and aligned with district goals for students.

### VISION:

Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with creative thinking, effective communication, and the rigor of science.

### MISSION:

Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college preparatory STEAM educational experience in an environment that cultivates respect for self and others.

### CORE VALUES:

MPS has identified Excellence, Innovation, and Connection as its core anchor values, which are reinforced through the Life Skills curriculum, Schoolwide Learner Outcomes (SLOs), and all school activities. The MPS Home Office Academic Department and the Magnolia Science Academy leadership team will lead the effort to ensure alignment of the following core values to better align with the Portrait of a Graduate competencies:

### EXCELLENCE

Academic Excellence is the desire to pursue knowledge and excellence and to contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse, and argumentative writing. Scholars learn where and how to access the needed information to advance their academic pursuits and societal contributions. Students demonstrate their mastery and excellence in their learning outcomes based on MPS core competencies.

### INNOVATION

Students will have the freedom to choose how and what they learn and demonstrate it as a public display of excellence. Individualized scheduling, early identification of learning styles, personalities, interests, and career plans will support students' matriculation and college and career readiness. This will include student participation in the planning of their educational experience, enrichment and acceleration programs, STEAM program choice options, individualized and blended learning programs, differentiated educational experience, and adaptive assessments.

### CONNECTION

School communities are integrated partnerships with the school site staff, families, students and all other educational partners. This sense of connection creates a safe place for all learners and educational partners to affirm individual strengths, celebrate character, provide academic support through mentorship and internship, promote unity and better decision making through the implementation of restorative justice practices. Additionally, community cultivates identity and gives each member a sense of belonging and pride. MPS utilizes home visits, student surveys, field trips, life skills classes and coaching to support our overall community-based goals. We work with community partners to establish mentoring relationships and other social capital to support our students' development of personal and academic networks for long-term resilience and connection.

### PORTRAIT OF A GRADUATE:

Our overarching objective at MPS is to create a vibrant and mutually beneficial partnership between school and community that supports our students' academic and personal success. With the focused conversation about knowledge, skills, mindsets, and literacies essential for 21st-century student success, and through a design process that intentionally engaged our MPS community, MPS has developed the Portrait of a Graduate. Our goal with the Portrait of a Graduate is a collective vision for MPS that articulates our organization and community's aspirations for our students.

### PORTRAIT OF A GRADUATE COMPETENCIES

The following are SIX COMPETENCIES and descriptions in our community's Portrait of a Graduate.

#### SIX COMPETENCIES

- Literacy with a Learner's Mindset
- Critical Thinking
- Creativity
- Effective Communication
- Adaptability
- Global Citizenship

#### COMPETENCY #1 - LITERACY WITH A LEARNER'S MINDSET

Literacy with a learner's mindset for Magnolia students is to demonstrate a depth of knowledge and literacy in multiple subject areas with a learner's mindset to make informed decisions.

Students will overcome challenges by developing a positive attitude and belief about learning, embracing curiosity to experience new ideas, and sustaining the desire to learn, unlearn, and relearn.

#### COMPETENCY #2 - CRITICAL THINKING

Students will utilize their critical thinking skills to problem solve by identifying, evaluating, and prioritizing solutions to difficult or complex situations, and implementing and reflecting critically on a solution.

#### COMPETENCY #3 - CREATIVITY

Creativity for Magnolia students is to demonstrate originality, imagination, and new ways of thinking critically and independently. Students will transcend traditional ideas, rules, patterns, and relationships to create and convey new or meaningful ideas, methods, or interpretations.

#### COMPETENCY #4 - EFFECTIVE COMMUNICATION

Effective Communication for Magnolia students is to articulate thoughts and ideas effectively using oral, written, and non-verbal communication skills in a variety of forms and contexts, for a range of purposes and audiences. Students will also demonstrate empathy through awareness, sensitivity, concern, and respect for others' feelings, opinions, experiences, and culture.

#### COMPETENCY #5 - ADAPTABILITY

Adaptability for Magnolia students is to demonstrate flexibility when acclimating to various roles and situations. Students will work effectively in a climate of ambiguity and changing priorities, demonstrating agility in thoughts and actions. They will understand, negotiate, and balance diverse views and beliefs to reach workable solutions, responding productively to feedback, praise, setbacks, and criticism.

#### COMPETENCY #6 - GLOBAL CITIZENSHIP

Global Citizenship for Magnolia students is to contribute to making the world a better place. Students will understand the world and its complexities, value and embrace diverse cultures and unique perspectives through mutual respect and open dialog, cultivate compassion, and take action in building more peaceful and inclusive environments.

---

The Student Learning Outcomes (SLOs) are measurable school-wide goals that every student is expected to achieve upon graduation from MSA-2. Our school wide SLOs are embedded in our curriculum, including Life Skills, our instructional practice, core values, and daily culture at the school. MSA-2 utilized our Student Government to develop the student based components of the SLOs. Parents were involved through a several week process that included direct parent input and our School Site Council was also involved in this process by exploring the LCAP goals of our SLOs. Teachers were also actively involved as the SLO process was addressed during several specific staff PDs. All educational partner groups have a proficient understanding of the SLOs given their involvement in creating the SLOs and feedback in modifying them. These SLOs were measured by data gathered from standardized testing (ex: MAP, SBAC), data driven applications (ex: ALEKS, Khan Academy, IXL, myON), and biannual educational partner surveys.

Teachers, administrators, parents, staff and district administrators engage in an annual analysis and reflection of the academic progress and needs of the school. Beginning in July, leaders met with district administrators to unpack the results of end of year internal assessments, ELPAC and SBAC scores, student, parent and staff survey data, attendance reports and mental health services provided. Based on ongoing analysis, new goals are created and shared with teachers and parents at the beginning of the year. Feedback is given on the priorities and action steps in order to refine goals and ensure all educational partners are clear on the annual targets and action plans. This information is then used by committees and focus groups when discussing and working on criteria areas.

MSA2 utilizes a WASC process in which after reviewing the Student/Community Profile data and the summaries of each criteria area, the Leadership Team and Focus Group Leaders draft the long-range action plan to the school's areas of need. They then took the plan to educational partners including teachers, and instructional staff for input and feedback during the beginning of year professional development week. The plan was then taken to parents, support staff, community members and students so that they could also give feedback through several avenues such as our staff meetings, Student Government meetings, Coffee with the principal, and School Site Council meeting. Each year the plan is updated to reflect the growth and needs of the school. The finalized action plan is located in Chapter 5 of this report.

In order to meet the social emotional needs of our students, a full-time school psychologist was added to our staff. This position was fulfilled by Dr. Gordon from 2018-2019 and is currently held by Ms. Hekimian starting from the beginning of the 2019 school year.

Additionally, in order to provide social/emotional interventions in response to the pandemic, MSA-2 adopted a Magnolia-wide SEL curriculum called The Zones of Regulation. SEL lessons were embedded into our PBIS Videos and included opportunities for students to reflect and voice their feelings.

MSA-2 created an MTSS Socioemotional Support (SEL) Committee which meets regularly to discuss plans which the school implements to better support students in this manner. Further, MSA-2 launched the first Anti-Bullying program which was led by high school ambassador students and which provided support to middle school students during their Life Skills classes. This course utilized a curriculum and also helped students build self-esteem which was an important part of the school's SEL program.

Between 2018 and 2022, we have utilized several new technologies to increase the academic success of our students. In order to provide variety in our interventions in Math and English, we have adapted a lot of new programs used regularly in and out of the classroom such as IXL, ALEKS, flocabulary, Storyboard, Genius Generation, Gizmo, Board Works, and Quill. We continue to use and regularly update our digital curriculum through McGraw Hill for all core subjects. In addition, we have regularly updated our subscription to MyON, our digital library, to meet the demand and interest of our students.

Since Fall 2018 MSA-2 has used ParentSquare as our main platform for educational partners to communicate with each other. It provides easy access for the school and parent communication through email and text, and offers an automated translation system to families' preferred languages.

Since the pandemic, all staff and students have learned to utilize Google Classroom for all of their subjects. In addition to providing one-to-one Chromebooks in the classroom, all students have been assigned their Chromebook in a way that they are allowed to regularly take it home and bring it back to school. We have also been able to provide internet hotspots to families who need them.

At the beginning of the 2021-2022 school year, the school also adapted a new information system called Infinite Campus, replacing our original system, Illuminate.

Since the 2018-2019 school year, a Parent and Community Engagement (PACE) Coordinator was hired to promote and enact outreach that may benefit our community. They provide resources to our families in order to meet their needs and have their voices heard. Their duties include leading our Parentsquare communications, Coffee with the principal, Parent Colleges, and reaching out to local businesses and organizations that might provide support to our school. Our PACE Coordinator also hosts the School Site Council meetings, ELAC meetings, Title I meetings and PTF meetings. Further, the PACE Coordinator receives training and support from the Chief External Officer during the monthly meeting with the home office. In addition, the PACE Coordinator helps organize school events in collaboration with the PBIS Committee and the ASB Student Government, including school dances and community festivals. Moreover, the PACE Coordinator serves as the enrollment liaison for the school and follows up with scheduling school tours for prospective MSA-2 families.

Starting in the 2019-2020 school year, our school started the application process for the California Interscholastic Federation in order to provide and promote equity, quality, charter, and academic development through sports. The school developed a program headed by our CIF athletic director who determines teams, games, and facilities together with administrative support. Currently, our school has high school CIF teams for cross country, soccer, basketball, and volleyball for boys and girls. Our school has rented facilities from One Generation for soccer field usage nearby our school. In addition, our school rented the Hansen Dam in Pacoima for the cross county team to hold meets. Further, MSA-2 has rented buses to provide transportation to our students to their athletic competitions.

MSA-2 is collocated on LAUSD property and has to abide by both LACOE and LAUSD protocols and mandates about COVID-19. In Spring 2020 to the end of Fall 2020, MSA-2 provided students a complete distance learning model. In Spring 2021, a hybrid model was provided. Finally, in Fall 2021, a full-in person model with some restrictions was provided to all students. Independent study is also provided for students under certain circumstances. Since the beginning of the pandemic, MSA-2 has garnered and provided resources to make a safe learning environment such as providing PPE, setting up hand washing stations, developing social distancing protocols, mandating masks, and providing weekly Covid testing and screening.

Student Learning and Achievement based on LCAP is assessed and monitored by staff continually. The Leadership structure includes feedback and advice from the MPS Chief Academic Officer, Special Education Director, Director of Student Services, Chief Operations Officer, Chief Accountability Officer, Math Director, and ELD Director.

MSA-2 internal academic management includes the Admin Team, MTSS Academic Committee members, MTSS PBIS Committee member (Coaches and Grade Level Chairs), English and Math Intervention Teacher, ELD Coordinator, Special Education Department, and LCAP goals are reviewed and approved by the School Site Council. Weekly staff PD meetings take place where staff discuss grade level shared plans and department level action plans. Further, our home office hosts monthly meetings with principals, dean of students, dean of academics, PACE coordinators, office managers, and special education teachers to provide in-depth collaboration and training structural support across the organization. Amongst the topics which are covered in this partnership are Universal Design for Learning (UDL) and data analysis related to all areas of school operations and student achievement.

In addition, delegation of responsibilities takes place within departments as well as within grade levels. Teacher observations take place by the Administration team, as well as by MTSS Academic Committee members for the general teaching staff to provide support and feedback into the TeachBoost system. This helps build capacity for our teaching staff which supports student achievement and utilizes MTSS Academic Committee members leadership as additional systems of support. In addition, our SPED team provides specific training to the general teacher staff during PDs which helps place responsibility in the hands of the specialty staff leadership to share accommodations, best practices for supporting the SPED student population.

MSA-2's LCAP committee has reviewed input from all educational partners and available data through surveys and student performance data. Based on input and data, we have revised our existing actions/services and measurable outcomes and also planned for new ones. Some of the highlights include: Information/Input sessions include Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, Dean meetings, and staff meetings. In addition, MSA-2 conducts surveys for parents, students, and teachers and MSA-2s staff makes home visits.

These all serve as a way to inform, educate, and gather input & feedback from all critical educational partners. Increasing parent participation (Coffee, surveys, PT Conference, email and mail in English and Spanish, Parent College) has been and will continue to be a major goal for MSA-2. MSA-2 actively includes parents in the LCAP Process. Avenues for parental input include, SSC meetings, PTF meetings, ELAC meetings, parent surveys, middle school parent nights, parent informational meetings, parent college visits, parent college program and parent college graduation ceremony. Offering students additional academic support and interventions to all students will continue to be another major focus for MSA-2. Our after school programs, Saturday School and summer program have become a part of our academic culture. Intervention support already exists at MSA-2. They include learning lab, ELD curriculum, after school tutoring, Saturday School and summer school.

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, educational partner input, or other information, MSA-2 is most proud of the progress which the school made in meeting 100% of our LCAP goals during the 2020-21 academic year. MSA-2 plans on maintaining and building upon this success by continuing to collaborate with our educational partners from our home office, including our accountability department, finance department, operations department, academic department, legal department, and facilities department as well as our teachers, paraprofessionals, students and families at the school site in the process of improving our provision of programs and services which lead to a higher quality educational institution for all student groups. This outcome led to academic growth across both pre-pandemic official data and post-pandemic internal data for our Socioeconomically Disadvantaged (SED) students, Students with Disabilities (SWD) and English Learners. Additional details regarding this matter can be found in the included sections within MSA2's WASC report which provide further data related to the abovementioned student groups.

Since 2017, MSA-2 has participated in several Multi-Tiered Systems of Support (MTSS) training to help with developing, implementing, reflecting on, and improving our professional development. As a district wide initiative, Weekly PD, MPS symposium, supporting staffing with pursuing higher education and training. MSA-2 utilizes monthly data analysis meetings with teachers and school administration where areas of concern are discussed related to student academic achievement, absenteeism, and other areas are shared by members of teams.

Following these meetings, MSA-2 provides targeted support to students to help them become more successful, including increasing student participation in after school tutoring, Saturday School interventions, winter learning camps, learning lab courses and more. Moreover, MSA-2 holds meetings with Teachers on Special Assignment (TOSA) within the Magnolia Public Schools (MPS) organization which provide collaboration time and opportunities to develop best-practice implementation in order to better support student achievement. This time takes place monthly and virtually via Zoom amongst all MPS schools. MSA-2 also

utilizes the school's MTSS Academic Committee to check student academic achievement, including analyzing student performance on SBAC, MAP, IAB, and online programs including ALEKS, IXL, myON, and Flocabulary as well as to provide recommendations for additional tiered support. MSA-2 has further developed an ongoing partnership with LACOE over the past 5 school years to receive training and support for our school's MTSS PBIS program.

This program has involved attending training with our school's PBIS coach, dean of students, PBIS ambassadors, and PBIS Committee during multiple meetings each school year to further develop and improve our school's positive culture and climate. Through this program, our school also tracks data in the Tiered Fidelity Inventory (TFI) which is utilized to track our school's progress in meeting these goals. Further, this program was recognized for a Bronze Metal during 2021 from the State of California in partnership with LACOE. MSA2 utilizes a plan aligned with the school's WASC self study that is revisited on yearly visits to determine what are the best courses of action based on school need and district wide policy. In addition, measurable goals were considered. Most of the goals on MSA2's WASC are also aligned. MSA-2 utilizes the LCAP Goals to track the implementation of our school's programs and services in alignment with our SPSA. Further, we provide baseline data for each goal which we also track quarterly throughout each school year related to each action and LCAP goal in partnership with our Magnolia Public Schools home office.

This process allows the school to provide additional interventions and support to help better meet the targeted goals if the school is not yet making progress in any particular area prior to the end of the school year. MSA-2 holds a variety of events, meetings and committees which provide significant opportunities for parent and family involvement in our school community decision-making process. In particular, this process is supported by our school's PACE Coordinator who hosts weekly Coffee with the Principal meetings on Fridays where topics of interest which are relevant to families are shared, including health and wellness, academic achievement, UC / CSU graduation requirements, and more. Further, MSA-2 hosts PTF, School Site Council (SSC), Title I meetings, ELAC meetings with parents as members of each committee who have the ability to vote upon important plans including the School Safety Plan, SPSA, and more. The families and parents are equal partners in the decision-making process where they are invited to share their feedback related to school budgetary and programmatic decisions which impact the quality of the education which their children receive at MSA-2. Moreover, MSA-2 hosts events for parents and families, including Parent Bridge educational programs which provide support related and training to parents and families in areas including technology literacy and English language development.

Beyond this, parents and family members are invited to attend Parent College programs at MSA-2 where they receive information and support related to the necessary steps which they should take to best prepare their children to be successful in college and universities. MSA-2 administration and staff provide home visits to MSA-2 families each year where families are visited to provide their perspectives and feedback related to school programs which can best support their children. Also, our PTF program includes parent members who serve as volunteers to plan events, such as school dances, and cultural festivals including the Day of the Dead event. MSA-2 has a college and career pathway which is supported by our college counselor, dean of academics and various support staff members. In particular, our students are also invited to participate in our dual enrollment program where they enroll in college courses at LA Valley College, Pierce College and LA Mission College related to their college and career goals.

MSA-2 also hosts annual career fairs where students are invited to hear presentations from individuals from a variety of professional backgrounds, including military and trade school certified careers, such as nurses and mechanics. Also, MSA-2 holds summer school programs to support students who are in need of credit recovery to enable them to graduate on time which integrates the APEX platform into their intervention program. MSA-2 also invites virtual and in-person representatives from universities and colleges to speak with current high school students, including individuals from Pierce College, to support students in applying for FAFSA and other financial aid support which extend to university and non-four year university pathways.

Moreover, MSA-2 follows up on our alumni network to support them with their career and academic goals beyond 12th grade. In particular, the school hosts regular events and gatherings where alumni share their current experiences and educational pursuits with each other in the support of the college counselor and school administration. These gatherings permit MSA-2 to continue to track life experiences and goals beyond graduation in order to be able to continue to provide feedback to our alumni. In addition, MSA-2 has implemented a plan to recruit and hire additional alumni to work for the school and simultaneously support the alumni in finishing their college education.

Finally, MSA-2 has provided AP Computer / Java Programming classes to students and offered the students the opportunity to take their Oracle Certification exam through the school, as well as robotics clubs. Also, MSA-2 is providing extra-curricular activities to students to participate in CIF sports as well as Congressional Award Program (CAP) which provide students with the opportunity to experience outdoor educational activities, volunteer service, and more.

Since 2019, MSA-2 has teamed up with local community colleges to provide opportunities to high school students to take free college courses starting in 9th grade. This includes courses such as English 101 and 102, Communication 101, Anthropology, History 7, Sociology, Studio Art, Cinema, Health, and College Counseling. These courses provide students academic rigor and an advantage in pursuing a 4-year degree in college. MSA-2 became the first school in Magnolia Public Schools to offer college courses to students during the summer after 8th grade.

The school has a Robotics class for middle school and high school students during the regular school day, as well as training after school daily and on Saturdays. These students build and program robots, compete in robotics competitions locally, and are eligible to compete in regional, state, national, and international competitions depending on how the teams' robots perform at the competitions along the way. There are four teams: one high school team, one 7th and 8th grade team, one 6th grade team, and one mixed grade level team with students spanning middle school and high school. MSA-2's VEX Robotics team qualified for the US National Robotics Championship in Iowa during 2 consecutive years in 2017-18 (VEX IQ) and 2018-19 (VEX IQ and VEX EDR) school years and also qualified for the RAD Aerial Drone World Championship during the 2019-20 academic year. Despite qualifying for the World Championship tournament, MSA-2 was unable to compete in this due to the event being cancelled by the VEX organization during the Covid-19 pandemic. MSA-2 was also the first school in California to host an official RAD Aerial Drones tournament in 2020.

MSA-2 envisions high academic achievement rooted in the belief that all students can learn and excel. Many students need enhanced academic challenges than what they currently receive, as well as more opportunities to develop their skills and talents. MSA-2 strives to provide students with means to reach their full potential. As an important part of its program, MSA-2 offers advanced math courses, an Advanced STEAM program, Advanced Placement (AP) courses in high school grades, and academic clubs such as Advanced Math Program (AMP), VEX Robotics, RAD Aerial Drones, and Science Olympiad.

Advanced Math Program (AMP) is another unique program offered at Magnolia Schools at all grade levels for highly gifted students. It is formally known as AMSF. It was once offered as an after school program, but is currently an elective. The Advanced Math Program (AMP) program is for middle school students. In this program students prepare for the National Olympiads composed of a group of 4-6 students that represent each country. The National Olympiads are the most prestigious and most difficult competitions in which middle and high school students can participate. For students who complete all of MSA-2's math courses, MSA-2 provides supplemental math programs to our students in partnership with UC Scout and Stanford University which allow students to take university level math courses at an accelerated pace.

AMP is a condensed training program that helps students develop their critical and analytical thinking skills. Prestigious math and science competitions are held at the regional, national, and international levels. In our computer class, our students learn the programming language "Scratch", which is a programming language for beginners. In addition, students are utilizing Edhesive for AP Computer / Java programming. Our AMP students attend math competitions, including Math Counts, AMC8, AMC10, AMC12 and the LACOE Science Olympiad.

Starting in the 2019-2020 school year, our school started the application process for the California Interscholastic Federation in order to provide and promote equity, quality, charter, and academic development through sports. The school developed a program headed by our CIF athletic director who determines teams, games, and facilities together with administrative support. Currently, our school has high school CIF teams for cross country, soccer, basketball, and volleyball for boys and girls. Our school has rented facilities from One Generation for soccer field usage nearby our school. In addition, our school rented the Hansen Dam in Pacoima for the cross country team to hold meets. Further, MSA-2 has rented buses to provide transportation to our students to their athletic competitions.

Since 2011, MSA-2 has participated in the Congressional Award Program (CAP). The program is open to all youth in the United States between the ages of 14 and 24. Participants are set up with a mentor teacher who helps students set and accomplish goals in four different areas: Voluntary Public Service, Personal Development, Physical Fitness, and Expedition/Exploration.

In the past ten years, our CAP groups have accomplished thousands of hours of life changing and character building activities such as peer mentoring, hiking trips, Camping trips, and personal learning activities. Before CAP students graduate they apply and receive Congressional recognition based on their efforts such as certificates and medals.

MSA-2 has been training and implementing Positive Behavior Interventions and Supports with LACOE this year. This training has supported MSA-2 in building a robust school wide PBIS program which is a proactive system-wide framework for creating and maintaining safe and effective learning environments in schools, and ensuring that all students have the social skills needed to ensure their success at school and beyond. In 2021, MSA2 received a Bronze medal from the State of California for the school's PBIS program in partnership with LACOE.

The practices of PBIS started in the 2017-2018 school year after rigorous planning of initiatives with all educational partners the year before. The practice highlighted school wide expectations, our incentive system, and our school-wide umbrella term of RAD (be respectful, attentive, and dependable). The school community, including students and faculty, are divided in four houses: Earth, Wind, Water, and Fire. Each house competes to earn points by meeting positive behavior expectations. The house with the most points wins a reward that all members benefit from. Initially, the incentive was rewarded at the end of the year. The House that won our first competition was rewarded a trip to Universal Studios that was paid through fundraising efforts.

However, after receiving feedback, the incentives are now determined and awarded on a bimonthly basis. In addition, we give individual prizes for students meeting individual expectations through efforts such as receiving RAD Tickets, house competition participation awards, and academic/behavioral recognition. During and after the pandemic, the bi-monthly house prize has changed to both an incentive to the house and also a charitable donation made by the Dean of Students and Principal to a charity of the House's choice in order to encourage and promote being a positive force in the community.

In order to get representation from all of our grade groups, we developed a student government that started in the 2016-2017. The Student Government is elected by their peers and helps with promoting a positive, safe, and fun learning environment for all students. In addition to these duties, student government creates weekly PBIS/SEL videos that showcase weekly updates and behavioral and social emotional learning.

In order to provide extra support and interventions for the learning loss faced by students during the pandemic, our school community decided to shorten periods and create an extra period and the end of the regular school day to provide interventions to all students. During this last period called Learning Lab, students get extra time and support on their assignments and work on intervention programs in their core subjects (ex: IXL and ALEKS). In addition, students who qualify are allowed to participate in CIF sport practices during this time.

As an intervention to meet the academic needs of our students, we provide Winter Camp and Summer School to students. In these programs out of students' regular semesters, failing students are provided an opportunity to make up course work to pass their courses and make up missing credits needed to graduate.

In order to provide interventions for students failing or behind on their studies, we have Saturday school available to all of our students. Our Dean of Academics also monitors grades and assigns students who need the extra support. In addition to providing interventions for students, MSA-2 is checking student MAP, SBAC, ALEKS and IXL data as well as academic grades in order to identify students who will be invited to participate in additional interventions. Saturday school also presents an opportunity to participate in Parent College put on by our PACE Coordinator. Parent College is a special 7 week program designed exclusively for MSA-2 parents/guardians. This college-based course involves educating and training parents how to become important partners in their children's education and pathway to college. There is a set curriculum in both English and Spanish for this resource. The final two sessions include an all-day college tour and program and parents are given a traditional graduation ceremony once the course is completed.

Our school received a grant for after school services provided by Youth Policy Institute since 2014. This program provided after school interventions such as supervision, club, tutoring, and snacks to students after school. However, in 2019, the program dissolved. In its absence, a new organization took its place: Think Together. This organization offered the same interventions and resources and more, including zoom support during the 2020-2021 school year, summer school intervention, and field trips. Beyond the programs which are provided by Think Together, MSA-2 teachers also offer after school tutoring, office hours, clubs and sports which they utilize to provide additional enrichment and academic support to students outside of their regular classroom settings.

Our school follows a full push-in model where Special Education RSP Teachers and Aides follow their unique schedules to rotate through math and English classes for students on their caseload. With this push-in model, RSP Teachers and Aides are in mainstream classrooms with their students, make observations, and offer support not only to their specific students but as a co-teacher for the whole class. Our special education department works in collaboration with the Director of Special Education Programs at our home office.

During the 2020-21 and 2021-22 school years, parents and students were provided the option of independent study due to the pandemic, health conditions, and reservations with weekly Covid testing requirements. These students are enrolled into a third-party online schooling program called Edgenuity. Students are assigned their core classes and electives that resemble their in-person course assignments. On this program, students watch pre-recorded videos of teacher-led lectures and work through a course map for each subject that consists of daily skill lessons, assignments, and quizzes. All assignments are graded by Edgenuity teachers, who students can access through a messaging system and office hour appointments. These students were paired with Supervising Teachers from MSA-2 who provide daily/weekly check-ins for progress monitoring and support. MSA-2 is proud of our high graduation rates.

All seniors are paired with our College Counselor and our Assistant Principal who conduct frequent transcript evaluations to ensure all are on track with completing A-G and MPS Graduation requirements. Our College Counselor also provides support with college applications; all seniors submit the California State University applications and are also supported through University of California applications, common applications, applications for private universities and

community colleges. Quarterly workshops are held for parents to inform about resources including application timelines, financial aid sessions, and scholarships. MSA-2's college acceptances have historically included students being accepted and enrolling in UC Los Angeles, UC Berkeley, UC San Diego, UC Davis, UC Santa Barbara, UC Irvine, UC Riverside, University of Southern California, CSU Northridge, CS Polytechnic University Pomona and other universities.

In addition, MSA-2 students historically have chosen to apply to and attend local community colleges for a variety of reasons, including for financial savings, and then have opted to transfer to 4 year institutions. MSA-2's college preparedness data across a variety of measures has been historically competitive when compared with the rates across LAUSD, LACOE, and the State. In particular, MSA-2 has outperformed the LAUSD, LACOE, and State data across nearly every category throughout the past three most recent academic years in terms of 4 year cohort graduation rates, rates of graduates meeting UC / CSU requirements, rate of graduates earning a seal of biliteracy, and percentage of graduates earning a Golden State Seal Merit Diploma.

---

**Student Enrollment by Grade Level (School Year 2021–22)**

Grade Level	Number of Students
Grade 6	88
Grade 7	108
Grade 8	92
Grade 9	69
Grade 10	58
Grade 11	48
Grade 12	41
Total Enrollment	504

Minimum students was not met in the provided examples. Future development will include messages on the table to explain what the minimums are to display data.

*Last updated: 1/16/23*

**Student Enrollment by Student Group (School Year 2021–22)**

Student Group	Percent of Total Enrollment
Female	45.00%
Male	54.00%
Non-Binary	0.00%
American Indian or Alaska Native	0.00%
Asian	4.00%
Black or African American	2.00%
Filipino	1.00%
Hispanic or Latino	89.00%
Native Hawaiian or Pacific Islander	0.00%
Two or More Races	0.00%
White	4.00%

Student Group (Other)	Percent of Total Enrollment
English Learners	15.00%
Foster Youth	0.00%
Homeless	1.00%
Migrant	0.00%
Socioeconomically Disadvantaged	83.00%
Students with Disabilities	17.00%

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	16.80	82.10	314.10	59.37	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	13.10	2.48	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	2.00	9.76	42.50	8.05	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	1.50	7.32	139.00	26.27	12115.80	4.41
Unknown	0.10	0.78	20.20	3.82	18854.30	6.86
Total Teaching Positions	20.50	100.00	529.00	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students  
Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment  
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	36%	N/A	38%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	22%	N/A	22%	N/A	33%

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

*Last updated: 1/16/23*

**CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	342	340	99.42	0.58	35.88
Female	151	150	99.34	0.66	38.67
Male	190	189	99.47	0.53	33.86
American Indian or Alaska Native	0	0	0	0	0
Asian	--	--	--	--	--
Black or African American	--	--	--	--	--
Filipino	0	0	0	0	0
Hispanic or Latino	312	311	99.68	0.32	34.08
Native Hawaiian or Pacific Islander	0	0	0	0	0
Two or More Races	0	0	0	0	0
White	12	12	100.00	0.00	58.33
English Learners	50	50	100.00	0.00	6.00
Foster Youth	--	--	--	--	--
Homeless					
Military	0	0	0	0	0
Socioeconomically Disadvantaged	280	279	99.64	0.36	35.13
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	59	59	100.00	0.00	15.25

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	342	340	99.42	0.58	21.76
Female	151	150	99.34	0.66	22.00
Male	190	189	99.47	0.53	21.69
American Indian or Alaska Native	0	0	0	0	0
Asian	--	--	--	--	--
Black or African American	--	--	--	--	--
Filipino	0	0	0	0	0
Hispanic or Latino	312	311	99.68	0.32	18.97
Native Hawaiian or Pacific Islander	0	0	0	0	0
Two or More Races	0	0	0	0	0
White	12	12	100.00	0.00	41.67
English Learners	50	50	100.00	0.00	6.00
Foster Youth	--	--	--	--	--
Homeless					
Military	0	0	0	0	0
Socioeconomically Disadvantaged	280	279	99.64	0.36	20.79
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	59	59	100.00	0.00	11.86

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Last updated: 1/16/23

**CAASPP Test Results in Science for All Students  
 Grades Five, Eight and High School  
 Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Science (grades 5, 8, and high school)	N/T	16.76	31.21	27.78	28.5	29.47

Note: Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: For any 2020-21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

*Last updated: 1/16/23*

**CAASPP Test Results in Science by Student Group**  
**Grades Five, Eight and High School (School Year 2021–22)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Not Tested</b>	<b>Percent Met or Exceeded</b>
All Students	186	185	99.46	0.54	16.76
Female	88	87	98.86	1.14	11.49

**Career Technical Education (CTE) Programs (School Year 2021–22)**

List of programs offered by MSA2 include:

- VEX IQ Middle School Robotics
- VEX EDR Middle School Robotics
- VEX EDR High School Robotics
- VEX Robotics Advisory
- REC Foundation Aerial Drones
- AP Computer Science / Java Programming / Oracle Certification Club

During the 2021-22 academic year, MSA-2 students competed in the MPS STEAM Expo where students competed across all schools in the organization in a variety of STEAM categories.

During the 2020-22 academic years, MSA-2 continued to host practices for VEX IQ, VEX EDR, REC Foundation Aerial Drones with middle school and high school students. However, due to the Covid-19 pandemic as well as the focus on learning loss mitigation as well as SEL needs, our students did not compete in competitions.

During the 2019-20 academic year, MSA-2 started a REC Foundation Aerial Drones program. In February 2020, our high school students qualified for the REC Foundation Aerial Drones World Championship. The REC Foundation Aerial Drones World Championship was scheduled to be showcased at the VEX Robotics World Championships which was planned to take place from April 26-28, 2020, in Louisville, Kentucky.

The REC Foundation Aerial Drones Competition offers middle school and high school students an opportunity to get hands-on experience in STEM education in the form of an affordable, fast-paced game. Students in the program have the opportunity to learn how to safely operate a drone, work as a team, and research workforce applications of aerial robotic technology; all while having a blast. Due to the Covid-19 pandemic, the World Championship tournament was not able to take place.

During the 2018-19 academic year, MSA-2's VEX Robotics team qualified to compete in the U.S. Open Robotics Championship tournament for the second consecutive year and placed 17th in the nation out of thousands of teams. For multiple years, MSA2 has offered VEX Robotics as an elective class for high school students. Even though VEX Robotics middle school program was exclusively offered as an after school club during the previous academic year, the team still managed to achieve a tremendous success. During the 2018-19 academic year, we offered VEX Robotics as an elective class for middle school students for the first time. The impact of this change has been positive, as demonstrated by three times more school teams qualifying during the school year for the U.S. Open Robotics Championship tournament across VEX IQ and VEX EDR.

**Career Technical Education (CTE) Participation (School Year 2021–22)**

Measure	CTE Program Participation
Number of Pupils Participating in CTE	--
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	--
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	--

*Last updated: 1/16/23*

**Course Enrollment/Completion of University of California (UC) and/or California State University (CSU) Admission Requirements**

UC/CSU Course Measure	Percent
2021–22 Pupils Enrolled in Courses Required for UC/CSU Admission	100.00%
2020–21 Graduates Who Completed All Courses Required for UC/CSU Admission	90.24%

*Last updated: 1/16/23*

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

**California Physical Fitness Test Results (School Year 2021–22)**

**Percentage of Students Participating in each of the five Fitness Components**

Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
5					
7					
9					

Note: Due to changes to the 2021–22 PFT administration, only participation results are required for these five fitness areas.

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

*Last updated:*

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2022–23)

MSA-2 is a school of choice which greatly benefits from parent involvement in our students' learning process. Our school's website provides a login for parents so that they can track their child's progress at school. Each staff member has issued an email address, and phone number and parents can easily access their contact information. The teachers and administration at MSA-2 are very responsive to emails and phone messages left by parents.

Additionally, teachers do home visits which enhance communication beyond what a phone call or an email can do. These home visits are critical components in maintaining an open line of communication between teachers and home life.

Every six weeks parents are mailed home a hard copy of their child's progress report. We also offer our parents learning opportunities such as Parent College on Saturdays. Parents are also able to voice any concerns and questions. Throughout the entire year, parents have the opportunity to stop by any teachers' classroom during an assigned time to discuss a student's progress. This is particularly necessary because parents know for certain that a teacher can be reached. MSA-2 also holds an orientation for both new and returning students, Parent Teacher Conferences, and Back to School Night. Each teacher has the opportunity to interview their students and families to convey the school and classroom expectations.

Our parents may be involved in many aspects of school planning as well. Magnolia Science Academy-2 has a Parent Task Force that meets Monthly. MSA-2 also has a school site council, a school improvement team that provides support for the school administration for academic, extracurricular activities as well as grant opportunities. Parents are also invited to participate in English Learner Advisory Committee (ELAC) meetings which are held four times a year. Parents are also invited to the Magnolia Public Schools' Board Meetings. Parents can also meet with our admin team every Friday for a "Coffee with the Principal."

In order to ensure effective parental involvement and support a partnership among the school, parents and the community to improve student academic achievement, MSA-2 provides the following programs to assist parents in understanding State academic content standards and State student academic achievement standards, State and local academic assessments, Title I requirements, and how to monitor their child's progress and work with educators to improve the academic achievement of their children (collectively referred to "Standards and Requirements"):

- The school will encourage parents to serve on its board of directors;
- The school will seek input from the PTF and the SSC on ways to assist parents to understand the Standards and Requirements.
- The school will encourage parents to serve on its board committees.
- The school will regularly publish in its Newsletter, and/or on its website, descriptions and explanations of State academic content standards and State student academic achievement standards, State and local academic assessments, Title I requirements, and how to monitor their child's progress and work with educators to improve the academic achievement of their children.
- Regular meetings will be held by the school at community libraries and/or parent volunteer homes to discuss how parents can work with educators to improve their child's academic achievement.
- The school will hold Back to School nights to introduce parents to the School's curriculum and its correlation to the State's academic content standards and academic achievement standards.
- Parents will be invited to attend regular classes to learn about State and local academic assessments and to take sample tests.

In an effort to foster parental involvement, the school will provide materials and training to help parents to work with their children to improve their children's achievement through the following programs:

- Student-Teacher Status Portal: MSA-2 uses an online web portal to enable parents, students, and teachers to communicate more efficiently. Teachers utilize Google Classroom for every class in which they post course material, homework assignments, projects, course grade statistics and records of students' grades on quizzes, tests, class participation and homework assignments. Students and parents use confidential passwords to log on.

Families without home computers will be encouraged to come to the school and use one of the available computer stations, and are provided a Chromebook from the school during Distance Learning. Classes are held at the school as well as remotely via Zoom during distance learning on how to use the portal as well as how to access it via free Internet access at public libraries if that is more convenient than coming to the school.

- The school will provide parents with access to literacy programs that bond families around reading and using the public library.
- The school will provide annual seminars on parenting skills and parent-child communication.
- The school's psychologist will work with parents to better understand their children and the issues facing them.
- The school will train parents how to tutor their children in the school.
- Individualized student and parent advisory sessions: Each of school teachers and mentors will be assigned to a small group of students. They will arrange two to four meetings at school during the school year to discuss their students' academic achievements.
- One-on-one meetings with the parents of academically low-achieving students to support the parent in providing the student the study environment he/she needs.

The school annually educates teachers, pupil services personnel, principals and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs and build ties between parents and the School. The training takes place each year in staff orientations, annual staff development materials and other in-service trainings held throughout the school year.

In order to better understand what works best for the current parents of participating children attending the school, the education will take place after the following research is done (which shall be accomplished within the first 90 days of the commencement of the School year):

- Home Visits: Research has shown that one of the keys to successful teaching and schooling is creating personal connections with students inside and outside of school. Knowing the students' outside interests, families, and home routines, and then using this information to connect in meaningful, individualized ways can have huge rewards in helping to create happier, healthier, and smarter kids. Recognizing these facts, the school uses home visits as one of the important features of its education program to not only improve student and school performance, but also to identify and intervene early with low-achieving students.
- The school teachers visit students at their homes to enhance student learning and involvement. Family visits offer invaluable insights about students. They can provide new understanding about students' learning styles. Visits might also reveal the emotional and social needs and behaviors of students. It is helpful to know if they react to problems with tears, anger, or withdrawal, and how they socialize with peers. Through family visits, teachers can identify students' latest interests or concerns, such as a new hobby, an upcoming trip, or a change in the family.
- Grade Level Coordinators have been established where school staff call all parents of participating students to solicit feedback and ideas for building ties between parents and the school, how to best communicate with parents and how to work with parents as equal partners.

- A survey is sent home to parents of participating students that solicits information on what skills each parent has to offer the school and what types of parental involvement programs in which parents would most likely participate.

The school involves parents in the development of the training regarding the importance of parent involvement for teachers, principals and other educators to improve the effectiveness of such training.

In order to maximize parental involvement and participation, the school arranges school meetings at various times or conduct in-home conferences between teachers or other educators, who work directly with participating children, with parents who are unable to attend such conferences at the school.

The school adopts and implements model approaches to improving parental involvement. The school has developed appropriate roles for community-based organizations and businesses in parent involvement activities, such as sponsoring events, providing volunteers for school activities, and creating internships for students.

In order to promote learning and provide a more positive learning experience for our students, MSA2 has established a culture of gathering input from parents, students, staff, community members, and other stakeholders through multiple channels including meetings, school events, surveys, home visits, newsletters, and other means of communication. To the extent possible, all stakeholders are invited to be involved in the process of school review and improvement including the development of our accountability plans (LCAP, LCAP Addendum, SPSA, WASC, SARC etc.).

Information/input sessions include Parent Advisory Committee (PAC) meetings, Parent Task Force (PTF) meetings, School Site Council (SSC) meetings, English Learner Advisory Committee (ELAC) meetings, Coffee with the Principal meetings, Board of Directors meetings, Principal meetings, and staff meetings. Parents on our PTF and SSC also serve as our PAC for Local Control and Accountability Plan (LCAP). Along with ELAC, such committees provide for representation of students in need (low income, English learners, foster youth, etc.) Feedback from our parent advisory committee and ELAC provide valuable input for the LCAP, SPSA and SARC. In addition, the Charter School conducts surveys for parents, students, and staff, and the Charter School staff make home visits. These all serve as ways to inform, educate, and gather input & feedback from all critical stakeholders.

In order to engage parents in an organized, ongoing and timely way in the planning, review and improvement of Title I, Part A programs, the parent and family engagement policy, and if applicable, the schoolwide program plan, the School engages parents of participating students as follows:

- The School conducts at least one Family Learning Night each year where all parents of participating children will be invited to the School to learn about the different Title I, Part A programs, details of this policy, and if applicable, the schoolwide program plan. These meetings are held at flexible times. Additionally, some may be located at community libraries or at parent volunteer homes for those who live far from the School.
- Parents not attending the Family Learning Nights are contacted by a volunteer by telephone to encourage participation and inform them of future Family Learning Nights.
- The School publishes a regular Newsletter with notification of upcoming participation opportunities.
- Each year, the School holds an End of School Night, at which parents of participating children will be invited to review Title I, Part A programs, the parent and family engagement policy, and if applicable, the schoolwide program plan and recommend any changes.
- At least one of parents of participating children is invited to accompany School staff on retreats to participate in discussions and sessions dealing with Title I, Part A programs.
- If requested by parents of participating children, the School schedules regular meetings where parents are able to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children. The School responds to such suggestions within 48 hours.
- If the schoolwide program plan is not satisfactory to parents of participating children, the School will submit any parent comments on the plan when it submits the plan to the authorizers/CDE.

School Site Council (SSC):

- If a SPSA is required, the School creates a School Site Council (SSC) where it plans, reviews, and improves Title I, Part A programs, the parent and family engagement policy, and if applicable, the schoolwide program plan. The SSC meets at the School and is composed of 10 members, selected by their peers.

The SSC is constituted to ensure parity between the principal, classroom teachers and other school School Plan for Student Achievement (SPSA) personnel; (b) parents or other community members selected by parents and pupils. Classroom teachers comprise the majority of persons represented under category (a). (Education Code Section 65000)

Additionally, the SSC is involved in decisions regarding how funds reserved for parent engagement activities are allotted for those activities.

Parent Advisory Committee (PAC):

- If a SPSA is not required, and the LCAP can serve as the SPSA, MPS chooses to utilize the LCAP to serve as the SPSA. MPS will utilize our Parent Advisory Committee (PAC) in developing the LCAP. In this case, PAC will meet the stakeholder engagement requirements.
- PAC will plan, review, and improve the LCAP as well as plan, review, and improve Title I, Part A programs and align them to the LCAP. PAC will also be the main committee reviewing the parent and family engagement policy, and if applicable, other school program plans. School leadership will work closely with PAC to ensure parents are engaged in the school improvement process.
- Parent Advisory Committee - as used in California Education Code (EC) sections 52063 and 52069, shall be composed of a majority of parents, as defined in subdivision (e), of pupils and include parents of pupils to whom one or more of the definitions in EC Section 42238.01 apply. A governing board of a school district or a county superintendent of schools shall not be required to establish a new parent advisory committee if a previously established committee meets these requirements, including any committee established to meet the requirements of the federal No Child Left Behind Act of 2001 (Public Law 107-110) pursuant to Section 1112 of Subpart 1 of Part A of Title I of that act.

English Learner Parent Advisory Committee (ELPAC):

- English Learner Parent Advisory Committee - as used in EC sections 52063 and 52069 for those school districts or schools and programs operated by county superintendents of schools whose enrollment includes at least 15 percent English learners and at least 50 pupils who are English learners, shall be composed of a majority of parents, as defined in subdivision (e), of pupils to whom the definition in EC Section 42238.01(c) applies. A governing board of a school district or a county superintendent of schools shall not be required to establish a new English learner parent advisory committee if a previously established committee meets these requirements.

Consulting with Pupils:

- Consult with Pupils - as used in EC sections 52060, 52066, and 47606.5, means a process to enable pupils, including unduplicated pupils and other numerically significant pupil subgroups, to review and comment on the development of the LCAP. This process may include surveys of pupils, forums with pupils, pupil advisory committees, or meetings with pupil government bodies or other groups representing pupils.
- The School annually conducts student, parent, and staff surveys to improve our stakeholders' school experience and to consult with them. Conducting such stakeholder surveys is an essential part of the School's LCAP development process.

The school implements an effective means of outreach to parents of limited English proficient students to inform them regarding how they can be involved in the education of their children and be active participants in assisting their children to attain English proficiency, achieve at high levels in core academic subjects and meet challenging State academic achievement standards and State academic content standards expected of all student. To accomplish this goal, the school does the following:

- The school holds regular meetings, and send notice of these meetings, for the purpose of formulating and responding to recommendations from parents of participating children.
- The school provides language translators at parent meetings to the extent practicable.
- The school schedules meetings to enable families to share information about culture, background, children's talents and particular needs for the schools.
- The school provides parents of limited English proficiency with access to English as a Second Language (ESL) classes to increase their English language proficiency to assist their children with homework. The school's principal will visit the classes to interact with the parents.
- English Learner Advisory Committee: The English Learner Advisory Committee (ELAC) is mainly a committee of parents or other community members who want to advocate for

English Learners. The committee provides parents of English Learners opportunities to learn more about the programs offered to their students and advises the principal and the School Site Council (SSC) on programs and services for English Learners.

State law mandates each school site with 21 or more students of Limited English Proficiency (LEP) in attendance, regardless of language, to form a functioning English Learner Advisory Committee (ELAC).

The school provides full opportunities for participation of parents with disabilities and parents of migratory children. To accomplish this goal, the school does the following:

- The school schedules meetings to enable families to share information about culture, background, children's talents and particular needs for the schools.
- Teachers are encouraged to make home visits to discuss student progress with the parents. Parents, students, and teachers meet throughout the year to monitor students' progress.
- Teachers meet one-on-one with parents of such students on an as needed basis to ensure the proper supports are in place for the student.

MSA-2 strives to attain a collaborative culture of data analysis, needs assessment, planning, aligning funding to our documented school goals and priorities, reflection, and improvement. All our stakeholder groups (parents/Parent Advisory Committee (PAC), students, staff, School Site Council (SSC), ELAC, PTF, Home Office support team, Board of Directors, charter authorizer, ACS WASC, and our community partners) are critical, active, informed, and responsible participants in this process to ensure we make effective decisions that benefit students. Particularly for the LCAP/SPSA, the school consulted with the PAC, SSC, and ELAC for planning, review, and update of the programs in the LCAP/SPSA. These committees reviewed input from all stakeholders and available data through surveys and student performance data. Based on stakeholder input and data (CA School Dashboard data, interim student assessment data, survey results, etc.), we reflected on our existing LCAP/SPSA actions/services and measurable outcomes, continued or modified them for improvement, and we also planned for new actions and services as the needs arose. The following are the dates of such meetings:

Parent Involvement 2021-2022 Academic Year

July:

7/1 Baseline Covid Testing for In-Person Summer School & Sports  
 7/6 English as a Second Language Summer Course for Parents  
 7/8 English as a Second Language Summer Course for Parents  
 7/13 Incoming 9th Graders Meetings with Admin  
 7/13 English as a Second Language Summer Course for Parents  
 7/14 Incoming 9th Graders Meetings with Admin  
 7/15 Incoming 9th Graders Meetings with Admin

 10/29 Weekly Covid Testing for Returning MSA2 Students  
 10/29 Coffee with the Principal - Transitional Support for Families  
 10/29 Halloween Costume Event and Festival of Fun  
 10/30 English as a Second Language Fall Course for Parents  
 10/30 Free Covid Vaccination Pop-Up Clinic Event at MSA2

## November:

11/3 Weekly Covid Testing for New MSA2 Students / Make-Up Testing for Returning Students  
 11/4 Day of the Dead & Mariposas Monarcas Community Event  
 11/4 Magnolia-wide College and Career Evening Presentation Series - University of California A-G Requirement  
 11/5 Weekly Covid Testing for Returning MSA2 Students  
 11/5 Coffee with the Principal - Transitional Support for Families  
 11/6 English as a Second Language Fall Course for Parents  
 11/10 Weekly Covid Testing for New MSA2 Students / Make-Up Testing for Returning Students  
 11/12 Weekly Covid Testing for Returning MSA2 Students  
 11/12 Coffee with the Principal - Transitional Support for Families  
 11/13 English as a Second Language Fall Course for Parents  
 11/16 Magnolia-wide College and Career Evening Presentation Series - Dual Enrollment  
 11/17 Weekly Covid Testing for New MSA2 Students / Make-Up Testing for Returning Students  
 11/17 Question, Persuade, Refer (QPR) Training: A Community Suicide Prevention Training with Dignity Health Northridge Hospital Medical Center (English Training)  
 11/18 Magnolia-wide College and Career Evening Presentation Series - Basics of Financial Aid for College  
 11/19 Weekly Covid Testing for Returning MSA2 Students  
 11/19 Coffee with the Principal - Transitional Support for Families  
 11/23 Question, Persuade, Refer (QPR) Training: A Community Suicide Prevention Training with Dignity Health Northridge Hospital Medical Center (Spanish Training)

## December:

12/1 Weekly Covid Testing for New MSA2 Students / Make-Up Testing for Returning Students  
 12/3 Weekly Covid Testing for Returning MSA2 Students  
 12/3 Coffee with the Principal - Transitional Support for Families  
 12/4 English as a Second Language Fall Course for Parents  
 12/8 Weekly Covid Testing for New MSA2 Students / Make-Up Testing for Returning Students  
 12/8 11th Grade College and Career Readiness Meetings  
 12/9 Dual Enrollment Spring Semester Update Meeting  
 12/9 11th Grade College and Career Readiness Meetings  
 12/10 Weekly Covid Testing for Returning MSA2 Students  
 12/10 Coffee with the Principal - ELAC Meeting / Title I Meeting  
 12/11 English as a Second Language Fall Course for Parents  
 12/13 11th Grade College and Career Readiness Meetings  
 12/14 11th Grade College and Career Readiness Meetings  
 12/15 Weekly Covid Testing for New MSA2 Students / Make-Up Testing for Returning Students  
 12/17 Weekly Covid Testing for Returning MSA2 Students  
 12/17 Middle School Winter Dance and Highschool Homecoming Dance  
 12/18 Free COVID-19 Vaccine Clinic and Winter Wonderland Resource Fair with Pacoima Beautiful

## January:

1/7 Baseline Student Covid Testing After Winter Break at MSA7

1/8 Baseline Student Covid Testing After Winter Break at MSA7  
 1/10 Baseline Student Covid Testing After Winter Break  
 1/14 Coffee with the Principal  
 1/21 Coffee with the Principal  
 1/28 Coffee with the Principal

## February:

2/4 Ice Cream Fridays Fundraiser - 12th Grade  
 2/4 Coffee with the Principal  
 2/7 CSUN What's Next Presentation For Admitted Students  
 2/9 Jamba Juice Fundraiser - 12th Grade  
 2/11 Coffee with the Principal  
 2/16 Jamba Juice Fundraiser - 12th Grade  
 2/18 Coffee with the Principal  
 2/19 English as a Second Language Fall Course for Parents  
 2/25 Coffee with the Principal - Intro of New PACE Coordinator  
 2/26 English as a Second Language Fall Course for Parents

## March:

3/2 Jamba Juice Fundraiser - 12th Grade  
 3/4 Educational Partners Survey - Panorama  
 3/4 Coffee with the Principal  
 3/5 English as a Second Language Fall Course for Parents  
 3/5 Educational Partners Survey - Panorama  
 3/6 Educational Partners Survey - Panorama  
 3/7 Educational Partners Survey - Panorama  
 3/9 Jamba Juice Fundraiser - 12th Grade  
 3/11 Coffee with the Principal - ELAC Meeting / Title I Meeting / SSC Meeting  
 3/12 English as a Second Language Fall Course for Parents  
 3/12 - 25th Annual Youth Symposium hosted by Sigma Gamma Rho Sorority at MSA7  
 3/14 CSUN What's Next Presentation For Admitted Students  
 3/17 Dual Enrollment to Career Spring 2022 - Study Jam - Los Angeles Valley College  
 3/18 Hamilton the Musical - at Pantages Theatre  
 3/18 Coffee with the Principal  
 3/19 English as a Second Language Fall Course for Parents  
 3/22 8th and 12th Grade Portraits  
 3/24 8th Grade High School Transition Night  
 3/25 Coffee with the Principal  
 3/26 English as a Second Language Fall Course for Parents  
 3/29 Parent Teacher Conferences  
 3/30 Parent Teacher Conferences  
 3/31 Parent Teacher Conferences

## April:

4/1 Senior Exit Survey  
 4/1 Coffee with the Principal  
 4/2 English as a Second Language Fall Course for Parents  
 4/5 Senior Exit Survey  
 4/8 Coffee with the Principal  
 4/9 English as a Second Language Fall Course for Parents  
 4/15 Coffee with the Principal  
 4/22 Coffee with the Principal - ELAC Meeting / Title I Meeting / SSC Meeting  
 4/23 English as a Second Language Fall Course for Parents  
 4/25 Student Government Election Announcement  
 4/27 Jamba Juice Fundraiser - Congressional Award Program (CAP)  
 4/27 Coffee with the Principal  
 4/29 Student Government Election Application Deadline  
 4/30 English as a Second Language Fall Course for Parents

## May:

5/3 Student Government Election Campaign Date  
 5/3 Student Government Election Candidate Announcements  
 5/4 College Signing Day  
 5/4 Student Government Election Campaign Date  
 5/5 Cinco de Mayo Festival  
 5/5 Student Government Election Campaign Date  
 5/6 Coffee with the Principal  
 5/6 Student Government Election Campaign Date  
 5/9 Student Government Election Election Day  
 5/10 Parents in Washington DC for National Alliance for Public Schools Rally  
 5/11 Parents in Washington DC for National Alliance for Public Schools Rally  
 5/13 Coffee with the Principal

5/18 College Fair / Dodger's Game at Dodger's Stadium

5/20 Coffee with the Principal

5/25 Joy for Joshua Festival

5/27 Coffee with the Principal

June:

6/3 Coffee with the Principal

6/4 Think Together Program at Chicano Park

6/8 Graduation Rehearsal

6/9 - 8th Grade Culmination / 12th Grade Graduation

6/10 Summer Kick Off Event

6/13 Free Grab and Go Meals at LA Department of Parks and Rec

6/14 Free Grab and Go Meals at LA Department of Parks and Rec

6/15 Free Grab and Go Meals at LA Department of Parks and Rec

6/16 Public Hearing for the Local Control and Accountability Plan (LCAP)

6/16 Free Grab and Go Meals at LA Department of Parks and Rec

6/17 Free Grab and Go Meals at LA Department of Parks and Rec

6/20 Free Grab and Go Meals at LA Department of Parks and Rec

6/21 Free Grab and Go Meals at LA Department of Parks and Rec

6/22 Think Together Program at Knotts Berry Farms

6/22 Free Grab and Go Meals at LA Department of Parks and Rec

6/23 Free Grab and Go Meals at LA Department of Parks and Rec

6/24 Think Together Program at Griffith Observatory

6/24 Free Grab and Go Meals at LA Department of Parks and Rec

6/27 Free Grab and Go Meals at LA Department of Parks and Rec

6/28 Free Grab and Go Meals at LA Department of Parks and Rec

6/29 Free Grab and Go Meals at LA Department of Parks and Rec

6/30 Think Together Program at La Brea Tar Pits

6/30 Free Grab and Go Meals at LA Department of Parks and Rec

**State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

**Dropout Rate and Graduation Rate (Four-Year Cohort Rate)**

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate	--	5.00%	0.00%	--	23.80%	13.40%	--	8.90%	7.80%
Graduation Rate	--	95.00%	100.00%	--	60.00%	72.70%	--	84.20%	87.00%

Last updated: 1/16/23

**Graduation Rate by Student Group (Four-Year Cohort Rate)**  
**(School Year 2021–22)**

<b>Student Group</b>	<b>Number of Students in Cohort</b>	<b>Number of Cohort Graduates</b>	<b>Cohort Graduation Rate</b>
All Students	39	39	100.0
Female	21	21	100.0
Male	18	18	100.0
Non-Binary	0	0	0.0
American Indian or Alaska Native	0	0	0.00

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

#### Suspensions and Expulsions for School Year 2019–20 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.22%	7.95%	2.45%
Expulsions	0.00%	0.01%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

#### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	0.37%	1.87%	4.48%	0.20%	3.17%
Expulsions	0.00%	0.19%	0.00%	0.03%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Last updated: 1/16/23

**Suspensions and Expulsions by Student Group  
(School Year 2021–22)**

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.37	0.19
Female	0.82	0.41
Male	0.00	0.00
Non-Binary	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	0.42	0.21
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00

**School Safety Plan (School Year 2022–23)**

Our campus is a very safe and welcoming school for our students, parents, and staff. We build our school culture by establishing and following up on our standards and expectations.

Magnolia Science Academy-2's comprehensive Safety Plan helps to ensure a safe school environment, thereby enhancing the learning experience and improving student academic achievement. This plan is implemented to protect the safety of students and staff and to provide emergency preparedness and guidelines. This plan addresses the following objectives:

Protect the safety and welfare of students

Provide a safe and coordinated response to emergencies

Protect the school's facilities and property

In the case of an emergency, allow the school to restore normal conditions with minimal confusion in the shortest time possible.

Provide for coordination between the school and local emergency services when necessary.

The plan encompasses a broad range of potential safety issues and major emergencies. Such incidents may include earthquake, hazardous materials, widespread power outage, and similar events affecting normal operations at the school. The safety plan is reviewed and discussed with Magnolia Science Academy-2's staff in August during teacher in-service as well as once a month during staff meetings. Also, emergency drills are performed and discussed with students once a month to ensure students, teachers, and staff can perform their duties in case of an emergency.

Our Student-Parent Handbook is also setting clear academic and behavior expectations. Teachers meet with their SSR (Advisory) students to go over the student handbook that explains our standards and expectations of them including rules and procedures. Our reward and discipline system and clear school and classroom rules provide a consistent and nurturing environment. Our staff also provides adequate supervision during transitions and breaks, along with organized campus beautification days when students and parent volunteer to improve the look of the campus.

On December 16 2022, MSA2's School Site Council voted to approve the School Safety Plan.

**Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2020–21)**

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$13648.46	\$3468.59	\$10179.88	\$82810.00
District	N/A	N/A	\$NaN	\$86950.50
Percent Difference – School Site and District	N/A	N/A	--	5.00%
State	N/A	N/A	\$6593.62	--
Percent Difference – School Site and State	N/A	N/A	--	4.00%

Note: Cells with N/A values do not require data.

Last updated: 1/18/23

**Types of Services Funded (Fiscal Year 2021–22)**

MSA-2’s charter petition and Local Control and Accountability Plan (LCAP) describe school-wide goals, as well as specific actions to be taken in each of the eight state priority areas, plus any locally identified priority areas, to achieve goals for all students and student groups. The LCAP also includes expenditures required to implement each of the goals and actions, including a description of how additional funds provided for low-income students, English learners and foster youth are used to increase or improve services for these students. Additionally, MSA-2 uses federal funds to supplement state and local funds to provide a coherent education program. The actions and services described in our LCAP include the following:

Goal 1: Basic Services for a High-Quality Learning Environment: Teacher assignments and credentials, instructional materials and technology, clean and safe facilities that support learning, healthy and nutritious meals, and well-orchestrated Home Office support services.

Goal 2: Excellence: Broad course of study and standards-based curriculum, professional development for high quality instruction, MTSS - Academic enrichment, intervention and student support, designated and integrated ELD programs, and support for students with disabilities.

Goal 3: Innovation: College/Career readiness programs and activities, STEAM and GATE programs, digital literacy and citizenship programs, physical education, activity, and fitness, and additional programs and activities that support well-rounded education.

Goal 4: Connection: Seeking family input for decision making, building partnerships with families for student outcomes, MTSS - PBIS and SEL support, annual stakeholder surveys, and community outreach and partnerships.

**Principal:** Zekeriya Ocel

**Phone:**

**Grade Span:**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

**School Description and Mission Statement (School Year 2022–23)****Our Mission:**

Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college preparatory STEAM educational experience in an environment that cultivates respect for self and others.

**Our Vision:**

Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with creative thinking, effective communication, and the rigor of science.

**MSA-3's 2021-22 Goals:****1. BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT**

All students and staff will have access to a safe, secure, healthy, and high-quality learning and working environment. Students will receive high-quality services that are fundamental to academic success, including full credentialed teachers, standards-aligned and high-quality instructional materials, and appropriately maintained school facilities.

**2. EXCELLENCE**

All students will have equitable access to a high-quality core curricular and instructional program and make academic progress on the California Content Standards. Students will pursue academic excellence and be college and career-ready.

**3. BASIC SERVICES FOR A HIGH-QUALITY LEARNING ENVIRONMENT INNOVATION**

All students will have access to a well-rounded education that supports their readiness for college and the global world. Each student will become an independent, innovative scholar by practicing creativity in learning and using technology in transformative ways, and demonstrate high-quality learning outcomes.

**4. CONNECTION**

All students, families, staff, and other stakeholders will have access to meaningful engagement opportunities that help cultivate leadership advocacy, and collaboration in a safe and nurturing environment. Educational partners will feel a sense of community and connectedness.

*Last updated: 1/13/23*

**Student Enrollment by Grade Level (School Year 2021–22)**

Grade Level	Number of Students
Grade 6	61
Grade 7	42
Grade 8	69
Grade 9	81
Grade 10	58
Grade 11	57
Grade 12	49
Total Enrollment	417

Minimum students was not met in the provided examples. Future development will include messages on the table to explain what the minimums are to display data.

*Last updated: 1/13/23*

**Student Enrollment by Student Group (School Year 2021–22)**

Student Group	Percent of Total Enrollment
Female	49.00%
Male	51.00%
Non-Binary	0.00%
American Indian or Alaska Native	0.00%
Asian	1.00%
Black or African American	36.00%
Filipino	0.00%
Hispanic or Latino	59.00%
Native Hawaiian or Pacific Islander	0.00%
Two or More Races	2.00%
White	2.00%

Student Group (Other)	Percent of Total Enrollment
English Learners	6.00%
Foster Youth	1.00%
Homeless	0.00%
Migrant	0.00%
Socioeconomically Disadvantaged	79.00%
Students with Disabilities	9.00%

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	17.10	81.57	314.10	59.37	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	13.10	2.48	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	1.60	7.62	42.50	8.05	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	1.50	7.14	139.00	26.27	12115.80	4.41
Unknown	0.70	3.62	20.20	3.82	18854.30	6.86
Total Teaching Positions	21.00	100.00	529.00	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

**School Facility Conditions and Planned Improvements**

MSA-3 is co-located on site with Curtiss Middle School. We utilize the back half of Curtiss Middle School's facility, specifically the PA, G, and M buildings, and B bungalows. We also use one classroom- Weight Room as a classroom in exchange for forgoing Library use. We share locker and cafeteria facilities with Curtiss Middle School. The facility has two or more maintenance staff on-site who clean the campus daily.

*Last updated: 1/13/23*

**School Facility Good Repair Status**

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: November 2022

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Fair	
<b>Interior:</b> Interior Surfaces	Fair	<b>Broken floor tiles in some classrooms. Reported to LAUSD.</b>
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	Fair	
<b>Electrical:</b> Electrical	Good	
<b>Restrooms/Fountains:</b> Restrooms, Sinks/Fountains	Fair	
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Fair	
<b>External:</b> Playground/School Grounds, Windows/Doors/Gates/Fences	Fair	<b>Broken asphalt sidewalk and can be a trip hazard. Charter school is working with the district</b>

**Overall Facility Rate**

Year and month of the most recent FIT report: November 2022

Overall Rating	Fair
----------------	------

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3–8 and 11)	N/A	33%	N/A	38%	N/A	47%
Mathematics (grades 3–8 and 11)	N/A	18%	N/A	22%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

*Last updated: 1/13/23*

**CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Not Tested</b>	<b>Percent Met or Exceeded</b>
All Students	221	213	96.38	3.62	33.18
Female	108	105	97.22	2.78	40.00
Male	113	108	95.58	4.42	26.42
American Indian or Alaska Native	0	0	0	0	0
Asian	--	--	--	--	--
Black or African American	90	85	94.44	5.56	25.30
Filipino	--	--	--	--	--
Hispanic or Latino	120	118	98.33	1.67	37.29
Native Hawaiian or Pacific Islander	--	--	--	--	--
Two or More Races	--	--	--	--	--

English Learners	13	11	84.62	15.38	0.00
Foster Youth	--	--	--	--	--
Homeless					
Military	0	0	0	0	0
Socioeconomically Disadvantaged	171	164	95.91	4.09	33.13
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	19	19	100.00	0.00	5.56

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

*Last updated: 1/13/23*

**CAASPP Test Results in Mathematics by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Not Tested</b>	<b>Percent Met or Exceeded</b>

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2022–23)

Magnolia Science Academy-3 values community engagement. School-wide events, large-scale changes, and budget-related topics are discussed and reviewed at the in-person and virtual meetings. MSA-3 sends periodic newsletters and messages utilizing ParentSquare for announcements, upcoming meetings, and events. School administration holds monthly coffee with administration/Parent Task Force meetings in addition to PAC meetings and weekly staff and admin meetings. The agenda, minutes are shared with the participants of those meetings and translation has been provided. In addition, we receive feedback from MSA3 staff during our regular staff meeting, and we receive feedback from parents, students, and community members during the PAC and Parent Task Force meeting. Additionally, the families that speak languages other than English also attended all of our meetings. For those parents, we provided translation services.

We have hired PACE (Parent and Community Engagement) Coordinator and CSC (Community School Coordinator) to organize in-person meetings/events with the families and community. We have already had a resource fair where more than 15 vendors participated to inform our MSA-3 community about their services from drug abuse prevention to tax services.

PACE and CSC Coordinators actively reach out to families to inform about the school events and invite them to the events/meetings.

**State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

**Suspensions and Expulsions for School Year 2019–20 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.97%	7.95%	2.45%
Expulsions	0.00%	0.01%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	1.88%	1.87%	4.48%	0.20%	3.17%
Expulsions	0.00%	0.23%	0.00%	0.03%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

*Last updated: 1/13/23*

**Suspensions and Expulsions by Student Group  
(School Year 2021–22)**

Student Group	Suspensions Rate	Expulsions Rate
All Students	1.88	0.23
Female	0.47	0.00
Male	3.26	0.47
Non-Binary	0.00	0.00
American Indian or Alaska Native	0.00	0.00

**Magnolia Science Academy 4**  
**2021–22 School Accountability Report Card**  
**Reported Using Data from the 2021–22 School**  
**Year**

**California Department of Education**

**Address:** 11330 West Graham Pl., **Principal:** Musa Avsar  
B-9  
Los Angeles, CA , 90064

**Phone:** 310-473-2464 **Grade**  
**Span:**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2022–23)

### **DESCRIPTION OF SCHOOL**

Magnolia Public Schools (MPS) is a 501(c)(3) nonprofit public charter school management organization dedicated to establishing and managing high-quality public charter schools in California. MPS' vision is to graduate students who are scientific thinkers that contribute to the global community as socially responsible and educated members of society. MPS' educational approach is based on the conviction that science, technology, engineering, art, and math (STEAM) education is essential in improving modern society's knowledge base and adaptability to the fast pace of ever-changing technological advancements. MPS opened Magnolia Science Academy 4 (MSA4) in the fall of 2008. MSA-4 is a charter school for grades 6–12 with a mission to provide a college preparatory educational program emphasizing STEAM in a safe environment that cultivates respect for self and others. MSA-4 offers a comprehensive learning experience designed to serve the needs of the students through effective site-based instruction, rich hands-on learning, and strong basics presented in relevant and inspiring ways to the students. Tutoring, peer mentoring, after-school programs, and school-to-university connections supplement classroom instruction at MSA-4. MSA-4 has created a supportive and caring environment with small class sizes a strong student, parent, and teacher communication, improving students' knowledge and skills in core subjects. This approach aims at increasing students' objective and critical thinking skills and their chances of success in higher education settings and beyond. The school provides students with a comprehensive educational program that cultivates multiple opportunities for students to develop into successful contributing members of society and fulfills the intent of the California Charter Schools Act. MSA4 operates as a site-based school designed to meet the needs of the students within the boundaries of the Los Angeles Unified School District (LAUSD ten years of operation, the school has achieved an increasing trend of academic success and demonstrated organizational and financial stability. The Board of MPS consistently strives to ensure that MSA 4 offers a successful educational model with fidelity.

### **VISION**

Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with creative thinking, effective communication, and the rigor of science.

### **MISSION**

Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college-preparatory STEAM educational experience in an environment that cultivates respect for self and others.

### **CORE VALUES**

MPS has identified Excellence, Innovation, and Connection as its core anchor values, which are reinforced through the Life Skills curriculum, Schoolwide Learner Outcomes (SLOs), and all school activities. The MPS home office academic department will lead the effort to ensure alignment of the following core values to better align with the newly developed Portrait of the Graduate competencies:

#### **Excellence**

Academic Excellence is the desire to pursue knowledge and excellence and to contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse, and argumentative writing. Scholars learn where and how to access the needed information to advance their academic pursuits and societal contributions. Students demonstrate their mastery and excellence in their learning outcomes based on MPS core competencies.

#### **Innovation**

Students will have the freedom to choose how and what they learn and demonstrate it as a public display of excellence. Individualized scheduling, and early identification of learning styles, personalities, interests, and career plans will support students' matriculation and college and career readiness. This will include student participation in the planning of their educational experience, enrichment and acceleration programs, STEAM program choice options, individualized and blended learning programs, differentiated educational experience, and adaptive assessments.

#### **Connection**

School communities are integrated partnerships with the school site staff, families, students, and all other stakeholders. This sense of connection creates a safe place for all learners and stakeholders to affirm individual strengths, celebrate character, provide academic support through mentorship and internship, and promote unity and better decision-making by implementing restorative justice practices. Additionally, community cultivates identity and gives each member a sense of belonging and pride. MPS utilizes home visits, student surveys, field trips, life skills classes, and coaching to support our overall community-based goals. We work with community partners to establish mentoring relationships and other social capital to support our students' development of personal and academic networks for long-term resilience and connection.

## **PORTRAIT OF A GRADUATE**

Our overarching objective at MPS is to create a vibrant and mutually beneficial partnership between school and community that supports our students' academic and personal success. With the focused conversation about knowledge, skills, mindsets, and literacies essential for 21st-century student success, and through a design process that intentionally engaged our MPS community, MPS has developed the Portrait of a Graduate. Our goal with the Portrait of a Graduate is a collective vision for MPS that articulates our organization and community's aspirations for our students.

### **Portrait of a Graduate Competencies**

The following are SIX COMPETENCIES and descriptions in our community's Portrait of a Graduate.

#### **SIX COMPETENCIES**

1. Literacy with a Learner's Mindset
2. Critical Thinking
3. Creativity
4. Effective Communication
5. Adaptability
6. Global Citizenship

#### **COMPETENCY #1 - LITERACY WITH A LEARNER'S MINDSET**

For Magnolia students, literacy with a learner's mindset is to demonstrate a depth of knowledge and literacy in multiple subject areas with a learner's mindset to make informed decisions. Students will overcome challenges by developing a positive attitude and belief about learning, embracing curiosity to experience new ideas, and sustaining the desire to learn, unlearn, and relearn.

#### **COMPETENCY #2 - CRITICAL THINKING**

Students will use their critical thinking skills to solve problems by identifying, evaluating, and prioritizing solutions to difficult or complex situations and implementing and reflecting critically on a solution.

#### **COMPETENCY #3 - CREATIVITY**

Creativity for Magnolia students is to demonstrate originality, imagination, and new ways of thinking critically and independently. Students will transcend traditional ideas, rules, patterns, and relationships to create and convey new or meaningful ideas, methods, or interpretations.

#### **COMPETENCY #4 - EFFECTIVE COMMUNICATION**

Effective Communication for Magnolia students is to articulate thoughts and ideas effectively using oral, written, and non-verbal communication skills in various forms and contexts, for various purposes and audiences. Students will also demonstrate empathy through awareness, sensitivity, concern, and respect for other's feelings, opinions, experiences, and cultures.

#### **COMPETENCY #5 - ADAPTABILITY**

Adaptability for Magnolia students is to demonstrate flexibility when acclimating to various roles and situations. Students will work effectively in a climate of ambiguity and changing priorities, demonstrating agility in thoughts and actions. They will understand, negotiate, and balance diverse views and beliefs to reach workable solutions, responding productively to feedback, praise, setbacks, and criticism.

#### **COMPETENCY #6 - GLOBAL CITIZENSHIP**

Global Citizenship for Magnolia students is to contribute to making the world a better place. Students will understand the world and its complexities, value and embrace diverse cultures and unique perspectives through mutual respect and open dialog, cultivate compassion, and take action in building more peaceful and inclusive environments.

### Student Enrollment by Grade Level (School Year 2021–22)

Grade Level	Number of Students
Grade 9	35
Grade 10	22
Grade 11	26
Grade 12	26
Total Enrollment	109

Minimum students was not met in the provided examples. Future development will include messages on the table to explain what the minimums are to display data.

*Last updated: 1/13/23*

### Student Enrollment by Student Group (School Year 2021–22)

Student Group	Percent of Total Enrollment
Female	47.00%
Male	53.00%
Non-Binary	0.00%
American Indian or Alaska Native	0.00%
Asian	2.00%
Black or African American	9.00%
Filipino	0.00%
Hispanic or Latino	86.00%
Native Hawaiian or Pacific Islander	0.00%
Two or More Races	1.00%
White	2.00%

Student Group (Other)	Percent of Total Enrollment
English Learners	17.00%
Foster Youth	0.00%
Homeless	1.00%
Migrant	0.00%
Socioeconomically Disadvantaged	88.00%
Students with Disabilities	31.00%

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	7.60	96.25	22369.20	82.26	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	714.60	2.63	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.10	2.00	1398.60	5.14	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.10	1.75	1060.30	3.90	12115.80	4.41
Unknown	0.00	0.00	1651.30	6.07	18854.30	6.86
Total Teaching Positions	7.90	100.00	27194.20	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

?Magnolia Science Academy 4 is co-located at Daniel Webster Middle School. The campus is cleaned regularly by an on-site custodian throughout the school day. LAUSD custodians take care of cleaning and maintaining the facility.?

Last updated: 1/13/23

## School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: January 2023

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Good	
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good	
<b>Restrooms/Fountains:</b> Restrooms, Sinks/Fountains	Good	
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/Doors/Gates/Fences	Good	

## Overall Facility Rate

Year and month of the most recent FIT report: January 2023

Overall Rating	Good
----------------	------

Last updated: 1/13/23

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standard

Subject	School	School	District	District	State	State
	2020–21	2021–22	2020–21	2021–22	2020–21	2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	47%	N/A	41%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	25%	N/A	27%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/13/23

**CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Not Tested</b>	<b>Percent Met or Exceeded</b>
All Students	24	24	100.00	0.00	37.50
Female	--	--	--	--	--
Male	15	15	100.00	0.00	46.67
American Indian or Alaska Native	0	0	0	0	0
Asian	--	--	--	--	--
Black or African American	--	--	--	--	--
Filipino	0	0	0	0	0
Hispanic or Latino	18	18	100.00	0.00	38.89
Native Hawaiian or Pacific Islander	0	0	0	0	0

English Learners	--	--	--	--	--
Foster Youth	0	0	0	0	0
Homeless					
Military	0	0	0	0	0
Socioeconomically Disadvantaged	21	21	100.00	0.00	33.33
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	--	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**Career Technical Education (CTE) Programs (School Year 2021–22)**

Magnolia Science Academy 4 is partnering with Los Angeles Valley College (LAVC) and providing dual enrollment courses to 9-12 students. The Dual Enrollment Program at Magnolia Science Academy 4 enables high school students to gain college credits before high school completion. MSA-4 is committed to identifying appropriate career academic pathways and providing inclusive instruction to students. Dual enrollment allows students to take college courses while in high school. The program enables high school students to experience college coursework taught by college instructors, thus preparing them for college and career success. Additionally, MSA-4 partners with UCLA and offers Mathematics Engineering and Science Achievement (MESA) program to our students. MESA's mission is to enable students to prepare for and pursue a math-based degree in areas such as science, technology, engineering, or mathematics (STEM).

**Career Technical Education (CTE) Participation (School Year 2021–22)**

Measure	CTE Program Participation
Number of Pupils Participating in CTE	50
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	--
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	5

*Last updated: 1/13/23*

**Course Enrollment/Completion of University of California (UC) and/or California State University (CSU) Admission Requirements**

UC/CSU Course Measure	Percent
2021–22 Pupils Enrolled in Courses Required for UC/CSU Admission	100.00%
2020–21 Graduates Who Completed All Courses Required for UC/CSU Admission	100.00%

*Last updated: 1/13/23*

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### California Physical Fitness Test Results (School Year 2021–22)

#### Percentage of Students Participating in each of the five Fitness Components

Grade	Component 1:	Component 2:	Component 3:	Component 4:	Component 5:
	Aerobic Capacity	Abdominal Strength and Endurance	Trunk Extensor and Strength and Flexibility	Upper Body Strength and Endurance	Flexibility
5					
7					
9					

Note: Due to changes to the 2021–22 PFT administration, only participation results are required for these five fitness areas.

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2022–23)

??

MSA-4 Parent Advisory Committee (PAC) works to maintain a close relationship with all stakeholders - teachers and administrators, students, parents, and community members. Every parent of a student currently enrolled at MSA-4 is considered a member of the MSA-4 PAC. We also invite the participation of extended family members, friends, neighbors, and other business community members. MSA-4 cultivates a culture of volunteerism. We actively encourage our families to contribute their talents and resources to enrich the educational experience of our students. Among its myriad functions, the PAC assists our teachers with integrating enrichment programs within the school curriculum. They also organize volunteers. The PAC supports the school and its students by organizing community-building events and helps to raise funds for the school and STEAM-related events. We are dedicated to working collaboratively with all educational partners to enhance every child's education.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019– 20	School 2020– 21	School 2021– 22	District 2019– 20	District 2020– 21	District 2021– 22	State 2019– 20	State 2020– 21	State 2021– 22
Dropout Rate	10.00%	0.00%	0.00%	--	8.90%	7.80%	--	8.90%	7.80%
Graduation Rate	--	100.00%	96.30%	--	82.90%	87.40%	--	84.20%	87.00%

**Graduation Rate by Student Group (Four-Year Cohort Rate)**  
**(School Year 2021–22)**

<b>Student Group</b>	<b>Number of Students in Cohort</b>	<b>Number of Cohort Graduates</b>	<b>Cohort Graduation Rate</b>
All Students	27	26	96.3

*Last updated: 1/13/23*

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions for School Year 2019–20 Only (data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	2.90%	0.44%	2.45%
Expulsions	0.00%	0.02%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

### Suspensions and Expulsions (data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	2.48%	0.00%	0.46%	0.20%	3.17%
Expulsions	0.00%	0.00%	0.00%	0.02%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

*Last updated: 1/13/23*

**Suspensions and Expulsions by Student Group  
(School Year 2021–22)**

Student Group	Suspensions Rate	Expulsions Rate
All Students	2.48	0.00
Female	1.79	0.00
Male	3.08	0.00
Non-Binary	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	2.88	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	0.00	0.00
English Learners	10.00	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	2.91	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	0.00	0.00

*Last updated: 1/13/23*

**School Safety Plan (School Year 2022–23)**

A comprehensive School Safety Plan helps ensure a safe school environment, enhancing the learning experience and improving student academic achievement. This plan is implemented to protect students' and staff's safety and provide emergency preparedness and guidelines. This plan addresses the following objectives:

- Protect the safety and welfare of students and staff.
- Provide a safe and coordinated response to emergencies.
- Protect the school's facilities and property.
- In the case of an emergency, allow the school to restore normal conditions with minimal confusion in the shortest time possible.
- Provide coordination between the school and local emergency services when necessary

Several measures are taken on an ongoing basis to ensure that school staff is prepared to respond immediately and appropriately to disasters. These include:

- Review of this Plan and any other emergency policies and procedures;
- Review of an employee's role during an emergency;
- Knowledge of how to conduct and evaluate required drills;
- Familiarity with the layout of buildings, grounds, and all emergency procedures;
- Review of the location of all emergency exits, fire extinguishers, fire alarms, and emergency equipment and supplies;
- Attend updated training in first aid, CPR, use of fire extinguishers and search and rescue as necessary.

## D. Other SARC information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Average Class Size and Class Size Distribution (Elementary) School Year 2019–20

Grade Level	Average Class Size	Number of Classes* 1-20	Number of Classes* 21-32	Number of Classes* 33+
K				
1				
2				
3				
4				
5				
6				
Other**				

\* Number of classes indicates how many classes fall into each size category (a range of total students per class).

\*\* "Other" category is for multi-grade level classes.

### Average Class Size and Class Size Distribution (Elementary) School Year 2020–21

Grade Level	Average Class Size	Number of Classes* 1-20	Number of Classes* 21-32	Number of Classes* 33+
K				
1				
2				
3				
4				
5				
6				
Other**				

\* Number of classes indicates how many classes fall into each size category (a range of total students per class).

\*\* "Other" category is for multi-grade level classes.

**Average Class Size and Class Size Distribution (Elementary) School Year 2021–22**

Grade Level	Average Class Size	Number of Classes* 1-20	Number of Classes* 21-32	Number of Classes* 33+
K				
1				
2				
3				
4				
5				
6				
Other**				

\* Number of classes indicates how many classes fall into each size category (a range of total students per class).

\*\* "Other" category is for multi-grade level classes.

**Average Class Size and Class Size Distribution (Secondary) (School Year 2019–20)**

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	12.00	11	2	
Mathematics	13.00	8	2	
Science	17.00	4	2	
Social Science	15.00	7	1	

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Average Class Size and Class Size Distribution (Secondary) (School Year 2020–21)**

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	15.00	8	1	
Mathematics	12.00	8		
Science	16.00	4	1	
Social Science	18.00	3	2	

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Average Class Size and Class Size Distribution (Secondary) (School Year 2021–22)**

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	20.00	5	3	
Mathematics	18.00	5	1	
Science	21.00	2	2	
Social Science	21.00	2	2	

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Ratio of Pupils to Academic Counselor (School Year 2021–22)**

Title	Ratio
Pupils to Academic Counselor*	.00

\* One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

*Last updated: 1/13/23*

**Student Support Services Staff (School Year 2021–22)**

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1.00
Library Media Teacher (Librarian)	0.00
Library Media Services Staff (Paraprofessional)	0.00
Psychologist	0.50
Social Worker	0.50
Nurse	0.00
Speech/Language/Hearing Specialist	0.00
Resource Specialist (non-teaching)	0.00
Other	0.00

\* One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

*Last updated: 1/13/23*

**Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2020–21)**

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$15124.96	\$4254.24	\$10870.71	\$67127.00
District	N/A	N/A	--	\$78635.00
Percent Difference – School Site and District	N/A	N/A	47.00%	16.00%
State	N/A	N/A	\$6593.62	\$85368.00
Percent Difference – School Site and State	N/A	N/A	24.00%	24.00%

Note: Cells with N/A values do not require data.

*Last updated: 1/13/23*

**Types of Services Funded (Fiscal Year 2021–22)**

MSA-4's charter petition and Local Control and Accountability Plan (LCAP) describe school-wide goals and specific actions to be taken in each of the eight state priority areas, plus any locally identified priority areas, to achieve goals for all students and student groups. The LCAP also includes expenditures required to implement each of the goals and actions, including a description of how additional funds provided for low-income students, English learners, and foster youth are used to increase or improve services for these students. MSA-4 uses federal funds to supplement state and local funds to provide a coherent educational program. The actions and services described in our LCAP include the following:

Goal 1: Basic Services for a High-Quality Learning Environment: Teacher assignments and credentials, instructional materials and technology, clean and safe facilities that support learning, healthy and nutritious meals, and well-orchestrated Home Office support services.

Goal 2: Excellence: Broad course of study and standards-based curriculum, professional development for high-quality instruction, MTSS - Academic enrichment, intervention, and student support, designated and integrated ELD programs, and support for students with disabilities.

Goal 3: Innovation: College/Career readiness programs and activities, STEAM and GATE programs, digital literacy and citizenship programs, physical education, activity, and fitness, and additional programs and activities that support a well-rounded education.

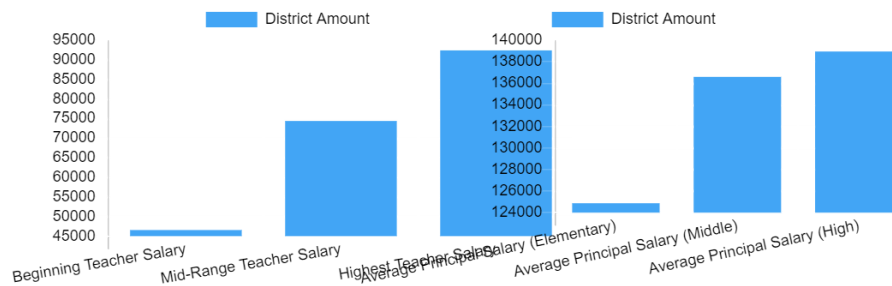

Goal 4: Connection: Seeking family input for decision making, building partnerships with families for student outcomes, MTSS - PBIS and SEL support, annual stakeholder surveys, and community outreach and partnerships.

Last updated: 1/13/23

**Teacher and Administrative Salaries (Fiscal Year 2020–21)**

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$46587.00	\$51081.00
Mid-Range Teacher Salary	\$74412.00	\$77514.00

**Magnolia Science Academy 5**  
**2021–22 School Accountability Report Card**  
**Reported Using Data from the 2021–22 School Year**  
**California Department of Education**

**Address:** 18238 Sherman Way  
Reseda, CA , 91335-6121

**Principal:** Ali Kaplan

**Phone:** (818) 705-5676

**Grade Span:**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## About This School

### Ali Kaplan

Principal, Magnolia Science Academy 5

### About Our School

Welcome to the 2022-2023 school year! With great pride and excitement, I anticipate a successful year as the MSA-5 Los Lobos Staff, and I actively support your child's academic, social, and emotional growth. My vision is for MSA-5 to be a place full of smiles and laughter. I hope you will join me in providing the children of San Fernando Valley with the most significant opportunities in preparation for them to become world-class citizens and reach their highest potential!

MSA-5's academic profile has only strengthened with several newly hired staff to robust the rigor in class and college readiness. As the principal, I will work closely with our team to fulfill our goals in Student Learning Outcomes; Literacy with a Learners Mindset, Critical thinking, Creativity, Effective Communication, Adaptability, and Global Citizenship. Moreover, this year MSA-5 adopts Multi-Tiered Support Systems (MTSS), which will align our initiatives and resources to address each of our student's needs.

We look forward to having a great school year and to securing our new site in Winnetka. Additionally, although we may face some challenges due to COVID, Los Lobos admin team is determined to reintroduce athletic programs and foster supplemental extracurricular activities. Please know that I set aside time to be available to you and any questions or concerns you may have. Please join our bi-weekly coffee with the principal gathering to provide feedback, learn more about the new site and actively participate in decision-making. Your input is valued and an integral part of our community.

Sincerely,

Principal Kaplan

**School Description and Mission Statement (School Year 2022–23)****MISSION**

Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college-preparatory STEAM educational experience in an environment that cultivates respect for self and others.

**VISION**

Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with creative thinking, effective communication, and the rigor of science.

**STUDENT LEARNING OUTCOMES****Literacy with a Learners Mindset**

Develop literacy skills for college readiness and life!

Be open to new ideas and learning activities!

Leaders are lifelong learners and risk-takers!

Believe they have options and can choose how to deal with challenging situations.

**Critical Thinking**

Rigorously question ideas and assumptions rather than accepting them at face value.

Identify, apply, analyze, synthesize, and evaluate information.

Use the Inquiry Process to address a problem.

**Creativity**

Apply innovative skills to connect to learning experiences

Create and convey new and meaningful ideas, methods, and interpretations

**Effective Communication**

Demonstrate effective oral and written communication skills through the use of academic language

Exhibit empathy and understanding

Use technology effectively to access, create, organize, research, and present reliable information.

**Adaptability**

Engage with different views, thoughts, feelings, and experiences

Respond well to and adapt to feedback, praise, setbacks, and criticism in a climate full of ambiguity and evolving priorities

Understand individual learning styles and intellectual preferences to establish academic plans

**Global Citizenship**

Establish leadership skills by participating in community projects that improve life in our school and the local community. Recognize and embrace the value of diversity, and work to include people with backgrounds and experiences different from our own

Engage with different views, thoughts, feelings, and experiences

*Last updated: 1/13/23*

**Student Enrollment by Grade Level (School Year 2021–22)**

Grade Level	Number of Students
Grade 6	30
Grade 7	48
Grade 8	50
Grade 9	23
Grade 10	28
Grade 11	41
Grade 12	27
Total Enrollment	247

Minimum students was not met in the provided examples. Future development will include messages on the table to explain what the minimums are to display data.

*Last updated: 1/13/23*

**Student Enrollment by Student Group (School Year 2021–22)**

Student Group	Percent of Total Enrollment
Female	43.00%
Male	57.00%
Non-Binary	0.00%
American Indian or Alaska Native	0.00%
Asian	3.00%
Black or African American	1.00%
Filipino	1.00%
Hispanic or Latino	88.00%
Native Hawaiian or Pacific Islander	0.00%
Two or More Races	1.00%
White	5.00%

Student Group (Other)	Percent of Total Enrollment
English Learners	32.00%
Foster Youth	0.00%
Homeless	0.00%
Migrant	0.00%
Socioeconomically Disadvantaged	93.00%
Students with Disabilities	16.00%

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	10.60	77.89	314.10	59.37	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	13.10	2.48	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	1.70	12.96	42.50	8.05	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	1.20	9.08	139.00	26.27	12115.80	4.41
Unknown	0.00	0.00	20.20	3.82	18854.30	6.86
Total Teaching Positions	13.60	100.00	529.00	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  - Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  - California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	45%	N/A	38%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	22%	N/A	22%	N/A	33%

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data. Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/13/23

**CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	162	161	99.38	0.62	45.34
Female	67	66	98.51	1.49	48.48
Male	95	95	100.00	0.00	43.16
American Indian or Alaska Native	0	0	0	0	0
Asian	--	--	--	--	--
Black or African American	--	--	--	--	--
Filipino	--	--	--	--	--
Hispanic or Latino	144	143	99.31	0.69	43.36

Two or More Races	0	0	0	0	0
White	--	--	--	--	--
English Learners	45	45	100.00	0.00	8.89
Foster Youth	0	0	0	0	0
Homeless					
Military	--	--	--	--	--
Socioeconomically Disadvantaged	144	143	99.31	0.69	43.36
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	24	24	100.00	0.00	29.17

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

*Last updated: 1/13/23*

**CAASPP Test Results in Mathematics by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2022–23)

MSA-5 strives to attain a collaborative culture of data analysis, needs assessment, planning, aligning funding to our documented school goals and priorities, reflection, and improvement. All our stakeholder groups (parents/Parent Advisory Committee (PAC), students, staff, School Site Council (SSC), ELAC, PTF, Home Office support team, Board of Directors, charter authorizer, ACS WASC, and our community partners) are critical, active, informed, and responsible participants in this process to ensure we make effective decisions that benefit students. Particularly for the LCAP/SPSA, the school consulted with the PAC, SSC, and ELAC for planning, reviewing, and updating the programs in the LCAP/SPSA. These committees reviewed input from all stakeholders and available data through surveys and student performance data. Based on stakeholder input and data (CA School Dashboard data, interim student assessment data, survey results, etc.), we reflected on our existing LCAP/SPSA actions/services and measurable outcomes, continued or modified them for improvement, and we also planned for new actions and services as the needs arose. The school administration team meets the parents and community bi-weekly at the PAC or coffee with the admin events.

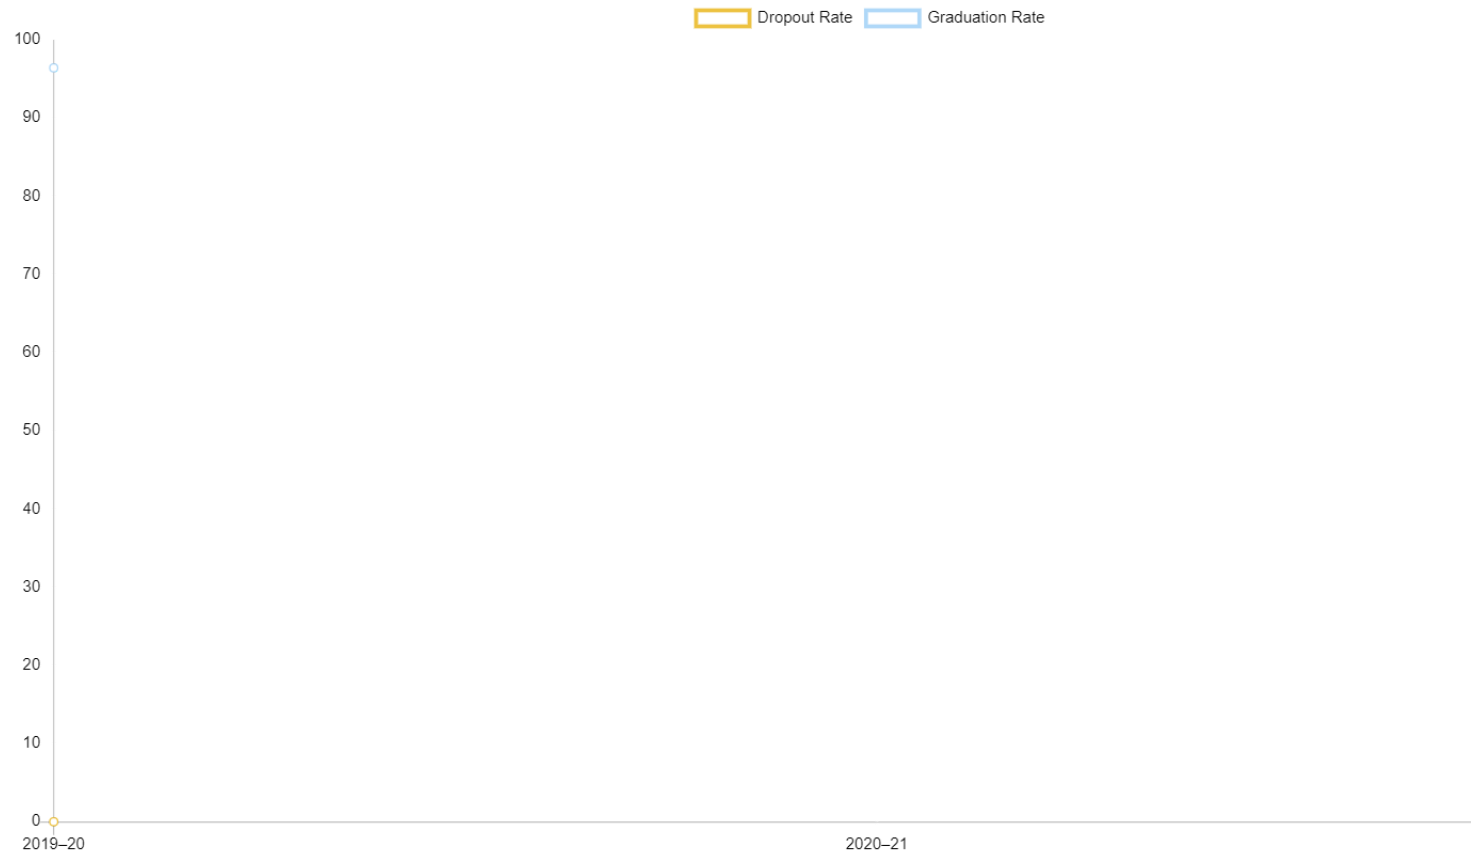

**State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

**Dropout Rate and Graduation Rate (Four-Year Cohort Rate)**

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate	--	--	0.00%	--	23.80%	13.40%	--	8.90%	7.80%
Graduation Rate	--	--	96.40%	--	60.00%	72.70%	--	84.20%	87.00%

Last updated: 1/13/23

**Graduation Rate by Student Group (Four-Year Cohort Rate)**  
**(School Year 2021–22)**

<b>Student Group</b>	<b>Number of Students in Cohort</b>	<b>Number of Cohort Graduates</b>	<b>Cohort Graduation Rate</b>
All Students	28	27	96.4
Female	9	18	9
Male	19	18	94.7
Non-Binary	0	0	0.0
American Indian or Alaska Native	0	0	0.00
Asian	1	1	100
Black or African American	0	0	0.00
Filipino	0	0	0.00
Hispanic or Latino	24	23	95.8
Native Hawaiian or Pacific Islander	0	0	0.00
Two or More Races	0	0	0.00
White	3	3	100

Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	41	40	13	32.5

Last updated: 1/13/23

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

**Suspensions and Expulsions for School Year 2019–20 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.35%	7.95%	2.45%
Expulsions	0.00%	0.01%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	0.37%	1.87%	4.48%	0.20%	3.17%
Expulsions	0.00%	0.00%	0.00%	0.03%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

*Last updated: 1/13/23*

**Suspensions and Expulsions by Student Group  
(School Year 2021–22)**

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.37	0.00
Female	0.00	0.00
Male	0.67	0.00
Non-Binary	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00

**School Safety Plan (School Year 2022–23)**

The school safety plan was collaboratively developed in July and August 2021 with the co-locating school site to ensure students and staff of both schools are safe and the procedures and policies don't conflict. Our school makes every effort to provide a safe, clean environment for learning. Classroom space is used to support our instructional program. Emergency drills are routinely held for earthquake and fire preparedness for our students and staff. As required by California Education Code (CEC), Section 35294

A meeting for public input was held on 10/22/2021 at MSA-5

Reviewed by Law Enforcement on 10/22/2021

**Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2020–21)**

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	--	--	--	--
District	N/A	N/A	--	--
Percent Difference – School Site and District	N/A	N/A	--	--
State	N/A	N/A	\$6593.62	--
Percent Difference – School Site and State	N/A	N/A	--	--

Note: Cells with N/A values do not require data.

*Last updated: 1/13/23*

**Types of Services Funded (Fiscal Year 2021–22)**

**Title I**  
 Title I funds are used to support effective, research-based educational strategies that close the achievement gap for students not meeting the state's challenging academic standards in English Language Arts and mathematics. Title I funds are distributed to schools with a minimum of 40% poverty on a per-pupil basis. Based on an analysis of student achievement data, Title I resources may be used for professional development, supplemental instruction, and intervention, parental involvement, personalization and support for students with at-risk behaviors.

**Title II**  
 Title II funds may be used for professional development in content knowledge and classroom practice, developing and implementing strategies to retain highly qualified teachers, and for class size reduction. All classroom teachers hired for class size reduction must meet ESEA requirements to be considered highly qualified.

**Title IV**  
 Title IV funds may be used to provide students with access to a well-rounded education, improve school conditions for student learning, and improve the use of technology in order to improve the academic achievement and digital literacy of all students.

**ELOG**  
 Expanded Learning Opportunities (ELO) Grant to implement a learning recovery program for at least the students included in one or more of the following groups: low-income students, English learners, foster youth, homeless students, students with disabilities, students at risk of abuse, neglect, or exploitation, disengaged students, and students who are below grade level, including, but not limited to, those who did not enroll in kindergarten in the 2020–21 school year, credit-deficient students, high school students at risk of not graduating, and other students identified by certificated staff.

**ESSER Funds**  
 Elementary and Secondary School Emergency Relief (ESSER) funds can support activities such as  
 Addressing Learning Loss, Long-term Closure Activities  
 Education Technology  
 Mental Health Services  
 Summer Learning  
 Other Every Student Succeeds Act (ESSA) Activities  
 Providing Principals/Leaders with Resources (ESSER II only)  
 Addressing Unique Needs of Special Populations  
 ESSER Funds can also support improvements or modifications that help prevent transmission of the COVID-19 virus:  
 Improving Preparedness and Response  
 Training to Minimize Virus Transmission  
 Supplies to Sanitize and Clean  
 Facility Repairs/Improvement to Minimize Virus Transmission  
 Improve Air Quality  
 Coordination of Preparedness and Response

**Magnolia Science Academy 6**  
**2021–22 School Accountability Report Card**  
**Reported Using Data from the 2021–22 School Year**  
**California Department of Education**

**Address:** 745 South Wilton Pl.  
Los Angeles, CA , 90005-3552

**Principal:** James Choe

**Phone:**

**Grade Span:**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

**School Description and Mission Statement (School Year 2022–23)**

**Vision**

Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with creative thinking, effective communication, and the rigor of science.

**Mission**

Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college preparatory STEAM educational experience in an environment that cultivates respect for self and others.

**Student Enrollment by Student Group (School Year 2021–22)**

Student Group	Percent of Total Enrollment
Female	43.00%
Male	57.00%
Non-Binary	0.00%
American Indian or Alaska Native	0.00%
Asian	0.00%
Black or African American	7.00%
Filipino	0.00%
Hispanic or Latino	93.00%
Native Hawaiian or Pacific Islander	0.00%
Two or More Races	0.00%
White	0.00%

Student Group (Other)	Percent of Total Enrollment
English Learners	21.00%
Foster Youth	0.00%
Homeless	0.00%
Migrant	0.00%
Socioeconomically Disadvantaged	96.00%
Students with Disabilities	13.00%

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	4.10	58.28	22369.20	82.26	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	714.60	2.63	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	2.50	35.74	1398.60	5.14	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.00	0.00	1060.30	3.90	12115.80	4.41
Unknown	0.40	5.84	1651.30	6.07	18854.30	6.86
Total Teaching Positions	7.10	100.00	27194.20	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

**School Facility Conditions and Planned Improvements**

At our current school site our school is housed on the backside of the Wilton Elementary School, where the 500 building is located, along 8<sup>th</sup> Street and 3<sup>rd</sup> Street. The building is in good condition but has some repairs that need to be made. Some of the improvements that need to be made are; a leak in the workroom when there is rain (this problem is in the process of being taken care as of 1/10/23), classroom walls have markings on them and needs to be repainted, the fence will be upgraded so that there will be a privacy screening fence interwoven into the fence, the same fence will have an upgraded door that will have a buzz system and a panic door to exit. The FIT report for Wilton Place Elementary School will be located at this website:

*Last updated: 1/13/23*

**School Facility Good Repair Status**

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2022

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	?No known problems?
<b>Interior:</b> Interior Surfaces	Fair	Rust and water leaks
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	Fair	Cricket infestation
<b>Electrical:</b> Electrical	Good	?No known problems?
<b>Restrooms/Fountains:</b> Restrooms, Sinks/Fountains	Good	?No known problems?
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	?No known problems?
<b>Structural:</b> Structural Damage, Roofs	Fair	Leak in the "workroom"
<b>External:</b> Playground/School Grounds, Windows/Doors/Gates/Fences	Fair	Gate is outdated

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	47%	N/A	41%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	33%	N/A	27%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data. Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/13/23

**CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Not Tested</b>	<b>Percent Met or Exceeded</b>
All Students	87	85	97.70	2.30	51.76
Female	38	37	97.37	2.63	67.57
Male	49	48	97.96	2.04	39.58
American Indian or Alaska Native	0	0	0	0	0
Asian	0	0	0	0	0
Black or African American	--	--	--	--	--
Filipino	0	0	0	0	0
Hispanic or Latino	79	78	98.73	1.27	51.28
Native Hawaiian or Pacific Islander	0	0	0	0	0
Two or More Races	--	--	--	--	--
White	0	0	0	0	0
English Learners	14	12	85.71	14.29	16.67
Foster Youth	0	0	0	0	0
Homeless					
Military	0	0	0	0	0
Socioeconomically Disadvantaged	78	77	98.72	1.28	50.65
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	11	11	100.00	0.00	27.27

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

*Last updated: 1/13/23*

**CAASPP Test Results in Mathematics by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Not Tested</b>	<b>Percent Met or Exceeded</b>
All Students	87	86	98.85	1.15	32.56

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

**California Physical Fitness Test Results (School Year 2021–22)**

**Percentage of Students Participating in each of the five Fitness Components**

<b>Grade</b>	<b>Component 1: Aerobic Capacity</b>	<b>Component 2: Abdominal Strength and Endurance</b>	<b>Component 3: Trunk Extensor and Strength and Flexibility</b>	<b>Component 4: Upper Body Strength and Endurance</b>	<b>Component 5: Flexibility</b>
5					
7					
9					

Note: Due to changes to the 2021–22 PFT administration, only participation results are required for these five fitness areas.

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

*Last updated:*

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2022–23)

##### 1. Parent-Student-Teacher Cooperation

Studies have shown that students whose parents are involved in their education generally have higher grades, better attendance, higher homework submission rates, higher graduation rates, and a better chance of continuing with their education after graduation. MSA-6 believes that a cooperative parent student-teacher triad will narrow the achievement gap between students at-risk and those who succeed by the current standard of assessments. MSA-6 will work with parents to make them aware of the importance of their involvement in their children's education through some combination of the following activities: Parent education groups where parents will learn the importance of their involvement in their child's education. Individualized student and parent advisory sessions: Each of our teachers and mentors will be assigned to a small group of students. They will arrange two to four meetings at school during the school year to discuss their students' academic achievements. One-on-one meetings with the parents of academically low-achieving students to support the parent in providing the student the study environment he/she needs.

##### 2. Student-Teacher Status Portal

MSA-6 uses Infinite Campus which is an online web portal currently being used at all Magnolia Public Schools (MPS). The use of the school website enables parents, students, and teachers to communicate more efficiently. Teachers have a Google Classroom for every class in which they post course material, homework assignments, projects, course grade statistics and records of students' grades on quizzes, tests, class participation and homework assignments. Students and parents use confidential passwords to log on. Families without home computers will be encouraged to come to the school and use one of the available computer stations. Classes are held at the school on how to use the portal as well as how to access it via free Internet access at public libraries if that is more convenient than coming to the school.

##### 3. ParentSquare

MSA-6 also uses Parent Square to send quick messages, posts, voicemails, pictures, grades, and permission slips. These tools improve our communication with parents and close a gap between the school and the families.

##### 4. Parent Representation

MPS strongly encourages parents to participate in and share the responsibility for the educational process and educational results of MSA-6. By having representative(s) on the MPS Board and the PAC (Parent Advisory Committee), parents are active participants in developing local school policies and leading efforts to engage the support of the community, making recommendations about issues related to the school, and reviewing parental and community concerns. Other opportunities for parental involvement include: The Parents/Guardians will attend Coffee with the principal and Parent Task Force (PTF) meetings regularly and advise the SSC. In 2021-2022 school year, we have continued our Parent College program which is a parent empowerment program designed to improve parents' capacity so they can become informed advocates for their children's education. Our parents will meet with our staff on Saturdays (5 meetings) and graduate from this program in April. Teachers will be encouraged to make home visits to discuss student progress with the parents. Parents, students, and teachers meet throughout the year to monitor students' progress. Parents complete a survey each year evaluating the strengths and weakness they identify with the program at MSA-6. There will be various opportunities for parents to volunteer. For example, they may help in classrooms, lead extra-curricular activities, assist in event planning. Teachers will meet one-on-one with parents of low-achieving students on an as needed basis to ensure the proper supports are in place for the student. Parents will have the opportunity to attend periodic events for teambuilding, presentation of the latest school news, and recognition of parent contributions.

**State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

**Dropout Rate and Graduation Rate (Four-Year Cohort Rate)**

Indicator	School 2019–20	School 2020–21	School 2021–22	District 2019–20	District 2020–21	District 2021–22	State 2019–20	State 2020–21	State 2021–22
Dropout Rate	--	--	--	--	8.90%	7.80%	--	8.90%	7.80%
Graduation Rate	--	--	--	--	82.90%	87.40%	--	84.20%	87.00%

*Last updated: 1/13/23*

**Graduation Rate by Student Group (Four-Year Cohort Rate)  
(School Year 2021–22)**

Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	11	11	5	45.5

*Last updated: 1/13/23*

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

**Suspensions and Expulsions for School Year 2019–20 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.00%	0.44%	2.45%
Expulsions	0.00%	0.02%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	1.03%	0.00%	0.46%	0.20%	3.17%
Expulsions	0.00%	0.00%	0.00%	0.02%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

*Last updated: 1/13/23*

**Suspensions and Expulsions by Student Group  
(School Year 2021–22)**

Student Group	Suspensions Rate	Expulsions Rate
All Students	1.03	0.00
Female	2.27	0.00
Male	0.00	0.00
Non-Binary	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	1.15	0.00
Native Hawaiian or Pacific Islander	0.00	0.00

Homeless	0.00	0.00
Socioeconomically Disadvantaged	1.12	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	9.09	0.00

Last updated: 1/13/23

**School Safety Plan (School Year 2022–23)**

**School Safety Plan**

MSA-6’s comprehensive School Safety Plan helps to ensure a safe school environment, thereby enhancing the learning experience and improving student academic achievement. This plan is implemented to protect the safety of students and staff and to provide emergency preparedness and guidelines. This plan addresses the following objectives:

- Protect the safety and welfare of students and staff.
- Provide for a safe and coordinated response to emergency situations.
- Protect the school’s facilities and property.
- In the case of an emergency, allow the school to restore normal conditions with minimal confusion in the shortest time possible.
- Provide for coordination between the school and local emergency services when necessary.

Employee Preparedness: A number of measures are taken on an ongoing basis to ensure that school staff is prepared to respond immediately and appropriately to disasters. These include:

- Reviewing of this Plan and any other emergency policies and procedures;
- Review of an employee’s role during an emergency;
- Knowledge of how to conduct and evaluate required drills;
- Familiarity with the layout of buildings, grounds and all emergency procedures;
- Review of the location of all emergency exits, fire extinguishers, fire alarms and emergency equipment and supplies;
- Attend update training in first aid, CPR, use of fire extinguishers and search and rescue as necessary.

MSA-6 provides 3 to 4 teachers out on duty daily to ensure safety for the kids. At our school we have monthly drills like fire, earthquake, and/or lockdown. Every school year, we are aligned with the LAUSD guidelines for running each specific drill.

A copy of the detailed safety plan is uploaded on our website.

**Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2020–21)**

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$12171.12	\$3853.36	\$8317.76	\$70503.00
District	N/A	N/A	--	\$78635.00
Percent Difference – School Site and District	N/A	N/A	--	--
State	N/A	N/A	\$6593.62	\$85368.00
Percent Difference – School Site and State	N/A	N/A	--	--

Note: Cells with N/A values do not require data.

Last updated: 1/13/23

**Types of Services Funded (Fiscal Year 2021–22)**

MSA-6’s charter petition and Local Control and Accountability Plan (LCAP) describe school-wide goals, as well as specific actions to be taken in each of the eight state priority areas, plus any locally identified priority areas, to achieve goals for all students and student groups. The LCAP also includes expenditures required to implement each of the goals and actions, including a description of how additional funds provided for low-income students, English learners and foster youth are used to increase or improve services for these students. Additionally, MSA-6 uses federal funds to supplement state and local funds to provide a coherent education program. The actions and services described in our LCAP include the following:

Goal 1: Basic Services for a High-Quality Learning Environment: Teacher assignments and credentials, instructional materials and technology, clean and safe facilities that support learning, healthy and nutritious meals, and well-orchestrated Home Office support services.

Goal 2: Excellence: Broad course of study and standards-based curriculum, professional development for high quality instruction, MTSS - Academic enrichment, intervention and student support, designated and integrated ELD programs, and support for students with disabilities.

Goal 3: Innovation: College/Career readiness programs and activities, STEAM and GATE programs, digital literacy and citizenship programs, physical education, activity, and fitness, and additional programs and activities that support well-rounded education.

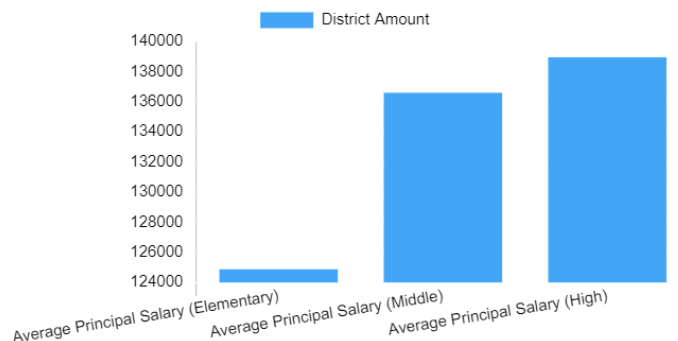

Goal 4: Connection: Seeking family input for decision making, building partnerships with families for student outcomes, MTSS - PBIS and SEL support, annual stakeholder surveys, and community outreach and partnerships.

**Magnolia Science Academy 7**  
**2021–22 School Accountability Report Card**  
**Reported Using Data from the 2021–22 School Year**  
**California Department of Education**

**Address:** 18355 Roscoe Blvd.  
Northridge, CA , 91325-4104

**Principal:** Meagan Wittek

**Phone:** (818) 886-0585

**Grade Span:**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2022–23)

Magnolia Science Academy-7 (MSA-7) is small public independent charter school located in the city of Northridge in the San Fernando Valley. MSA-7 is one of ten schools under the direction of Magnolia Public Schools, a non-profit Charter Management Organization (CMO) serving the Southern California region. MSA-7 is proudly celebrating its twelfth year in operation, first opening its doors in 2010.

We focus on growth mindsets at our small elementary school. We utilize small group learning, student-driven instruction, and guided math. Students experience hands-on learning through robotics, computer science and arts to promote imagination, creativity, and invention. The students of MSA-7 receive an education that is aligned to Common Core State Standards (CCSS) with a focus in Science, Technology, Engineering, Art, and Math (STEAM). In addition, students receive weekly computer and physical education classes, along with an integrated arts program. Educating the whole

child is a key feature of Magnolia Science Academy-7. We offer a robust program that includes social emotional learning and development, after school clubs and programs, school-wide events, intervention and enrichment services, parent workshops, home visits, and more.

At Magnolia Science Academy 7 (MSA 7), our small charter school encapsulates our community. We are a close-knit, family school -- comprising neighbors, siblings, cousins and friends. Our TK-5 students have close, caring connections to each other, to their teachers and with our staff.

#### **Mission Statement**

Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college preparatory STEAM educational experience in an environment that cultivates respect for self and others.

#### **Vision Statement**

Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with creative thinking, effective communication, and the rigor of science.

#### **Core Values**

Magnolia Public Schools (MPS) has identified Excellence, Innovation, and Connection as its core anchor values, which are reinforced through the Life Skills curriculum, Schoolwide Learner Outcomes (SLOs), and all school activities.

#### **Excellence**

Academic Excellence is the desire to pursue knowledge and excellence and to contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse, and argumentative writing. Scholars learn where and how to access the needed information to advance their academic pursuits and societal contributions. Students demonstrate their mastery and excellence in their learning outcomes based on MPS core competencies.

#### **Innovation**

Students will have the freedom to choose how and what they learn and demonstrate it as a public display of excellence. Individualized scheduling, early identification of learning styles, personalities, interests, and career plans will support students' matriculation and college and career readiness. This will include student participation in the planning of their educational experience, enrichment and acceleration programs, STEAM program choice options, individualized and blended learning programs, differentiated educational experience, and adaptive assessments.

#### **Connection**

School communities are integrated partnerships with the school site staff, families, students, and all other stakeholders. This sense of connection creates a safe place for all learners and stakeholders to affirm individual strengths, celebrate character, provide academic support through mentorship and internship, promote unity and better decision making through the implementation of restorative justice practices. Additionally, community cultivates identity and gives each member a sense of belonging and pride. MPS utilizes home visits, stakeholder surveys, field trips, life skills classes, and coaching to support our overall community-based goals. We work with community partners to establish mentoring relationships and other social capital to support our students' development of personal and academic networks for long-term resilience and connection.

**Student Enrollment by Grade Level (School Year 2021–22)**

Grade Level	Number of Students
Kindergarten	27
Grade 1	50
Grade 2	56
Grade 3	51
Grade 4	43
Grade 5	53
Total Enrollment	280

Minimum students was not met in the provided examples. Future development will include messages on the table to explain what the minimums are to display data.

*Last updated: 1/13/23*

**Student Enrollment by Student Group (School Year 2021–22)**

Student Group	Percent of Total Enrollment
Female	51.00%
Male	49.00%
Non-Binary	0.00%
American Indian or Alaska Native	0.00%
Asian	6.00%
Black or African American	7.00%
Filipino	6.00%
Hispanic or Latino	66.00%
Native Hawaiian or Pacific Islander	0.00%
Two or More Races	1.00%
White	14.00%

Student Group (Other)	Percent of Total Enrollment
English Learners	31.00%
Foster Youth	0.00%
Homeless	4.00%
Migrant	0.00%
Socioeconomically Disadvantaged	77.00%
Students with Disabilities	9.00%

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	11.00	100.00	22369.20	82.26	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	714.60	2.63	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.00	0.00	1398.60	5.14	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.00	0.00	1060.30	3.90	12115.80	4.41
Unknown	0.00	0.00	1651.30	6.07	18854.30	6.86
Total Teaching Positions	11.00	100.00	27194.20	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Last updated: 1/17/23

### Teacher Preparation and Placement (School Year 2021–22)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Last updated: 1/17/23

### Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

Authorization/Assignment	2020–21 Number	2021–22 Number
Permits and Waivers	0.00	
Misassignments	0.00	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	0.00	

Last updated: 1/11/23

**Credentialed Teachers Assigned Out-of-Field  
(considered "out-of-field" under ESSA)**

Indicator	2020-21 Number	2021-22 Number
Credentialed Teachers Authorized on a Permit or Waiver	0.00	
Local Assignment Options	0.00	
Total Out-of-Field Teachers	0.00	

*Last updated: 1/11/23*

**Class Assignments**

Indicator	2020-21 Percent	2021-22 Percent
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.00	

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

**Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2022–23)**

Year and month in which the data were collected: June 2022

<b>Subject</b>	<b>Textbooks and Other Instructional Materials/year of Adoption</b>	<b>From Most Recent Adoption?</b>	<b>Percent Students Lacking Own Assigned Copy</b>
Reading/Language Arts	Wonders, McGraw Hill	Yes	0%
Mathematics	My Math, McGraw Hill	Yes	0%
Science	Inspire Science, McGraw Hill	Yes	0%
History-Social Science	Networks, McGraw Hill	Yes	0%
Foreign Language			0%
Health	Sparks Health Education (2014) Health Connected: Puberty Talk (2018)	Yes	0%
Visual and Performing Arts	Teacher produced materials for arts integration	Yes	0%
Science Lab Eqpmt (Grades 9-12)	N/A	N/A	0%

Note: Cells with N/A values do not require data.

Last updated: 1/17/23

**School Facility Conditions and Planned Improvements**

MSA-7 rents a one-story building from LifeHouse Church. The building was previously used by the church for their own private school. Although the building is old, it meets standard regulations and receives annual Fire Marshal approval. Periodic inspections shall be undertaken as necessary to ensure all safety standards are met.

MSA-7 has two full-time and one part-time custodian who ensure the school is kept clean and sanitary. Custodians assist with minor maintenance items as needed. MSA-7 outsources all larger maintenance/custodial duties and operational functions such as pest control, landscaping and gardening, plumbing, A/C repairs, etc. to vendors who are qualified to perform such functions.

During the past two years, several facility improvement projects were completed. A new school-wide security camera system was installed. New, more secure metal doors were installed in the main office. Several windows were replaced as needed. All classroom doors that needed to be replaced were, for a total of 12. Playground fencing was repaired. The floor tiles in 3 classrooms were replaced and/or repaired. All air filters in the HVAC system were upgraded to MERV-13 filters. Improvements to plumbing fixtures have been made.

Future projects that are in the planning stages include the installation of shading and replacing all the windows in the school.

*Last updated: 1/17/23*

**School Facility Good Repair Status**

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: August 2022

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Good	
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good	
<b>Restrooms/Fountains:</b> Restrooms, Sinks/Fountains	Good	Upgrades to commercial plumbing fixtures in progress
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/Doors/Gates/Fences	Good	Playground shading installed; funding partially raised through school-wide fundraising campaign and quotes secured Windows replaced in all classrooms; funding partially available; quotes secured

**Overall Facility Rate**

Year and month of the most recent FIT report: August 2022

Overall Rating	Good
----------------	------

*Last updated: 1/17/23*

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	38%	N/A	41%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	26%	N/A	27%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data. Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/16/23

**CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	143	140	97.90	2.10	37.86
Female	67	66	98.51	1.49	43.94
Male	76	74	97.37	2.63	32.43
American Indian or Alaska Native	0	0	0	0	0
Asian	--	--	--	--	--
Black or African American	--	--	--	--	--

**Career Technical Education (CTE) Programs (School Year 2021–22)**

MSA-7 is a STEAM-focused elementary school that provides students with weekly computer courses, engineering, and robotics clubs and opportunities to participate in the school-wide and Magnolia Public Schools annual STEAM expos. Computer courses included instruction in Microsoft Office programs, typing skills, Google Classroom, coding, and Internet safety.

MSA-7's mission states that we are providing students with a college and career readiness education. All students participate in the annual College and Career Week activities, field trips to local colleges, and guest speakers who are professionals in STEAM-focused careers.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2022–23)

MSA-7 is a school of choice that greatly benefits from parent involvement in our student's learning process. All parents have access to their child's Student Information System (SIS) account so they have the ability to track their child's progress throughout the school year and contact staff as needed via email or phone. All contact information is provided at the start of the year and is available on the school website.

A unique feature of Magnolia Public Schools is the Home Visit program that involves teachers and other staff members visiting students and families at their homes. These visits enhance communication beyond what a phone call or an email may do. They are a critical component in maintaining an open line of communication between teachers and families. When the school closures occurred in March 2020 due to COVID-19, the Home Visit program came to a halt. Seeing a need for this program to continue, the MPS Board adopted a Virtual Home Visit Policy which is still in effect so families and staff have the choice between an in-person or virtual visit.

Before the start of the school year, MSA-7 holds an orientation for both new and returning students. Each teacher has the opportunity to meet their students and families to share the school and classroom expectations. Parents can also voice any concerns they have prior to the school year starting and have any of their questions answered.

Throughout the year, two sets of parent/teacher conferences are held, one in the fall and one in the spring. In addition, conferences can be scheduled at any point by teachers or parents. Back to School Night and Open House are also good opportunities for all community partners to see one another and talk.

Our school has an active Parent Task Force (PTF) which meets monthly to plan school-wide events and fundraisers. Additionally, monthly Coffee with Administration meetings gives parents the opportunity to meet the entire administration team and discuss any school-related items in a smaller setting. MSA-7 also holds monthly English Language Advisory Council (ELAC) and Parent Advisory Council (PAC) meetings where elected community members meet to discuss and vote on important school matters. Things such as the school LCAP plan, the School Safety Plan, and the School Wellness Plan are shared with members of both committees. All parent committee meetings have been held in person and virtually this school year and led by our newly hired Parent and Community Engagement (PACE) Coordinator and Community Schools Coordinator (CSC). In addition to these regular meetings, MSA-7 hosts parent workshops alongside community organizations. We also held two successful vaccination events for the community as well as a Community Resource Fair hosting multiple local organizations providing resources to school and community members.

Parents are encouraged to become volunteers at MSA-7 and to be active members of our school community. All educational partners including parents, staff, and students are given the opportunity annually to complete a survey so the school can better learn how to meet the needs of our community members. In addition to this survey, we also administer a Social Emotional Learning (SEL) and Mental Health & Wellness survey to allow us to check in with our students and see how they are doing and to provide resources as needed.

Our school usually holds about 15 school-wide events for students and families each year. It has been difficult to do so the past couple of years due to health and safety but we are closely bringing the activities back in an effort to support our student's SEL, parent engagement, and continue to build school culture.

**State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

**Dropout Rate and Graduation Rate (Four-Year Cohort Rate)**

Indicator	School 2019–20	School 2020–21	School 2021–22	District 2019–20	District 2020–21	District 2021–22	State 2019–20	State 2020–21	State 2021–22
Dropout Rate	--	--	--	--	8.90%	7.80%	--	8.90%	7.80%
Graduation Rate	--	--	--	--	82.90%	87.40%	--	84.20%	87.00%

*Last updated: 1/16/23*

**Graduation Rate by Student Group (Four-Year Cohort Rate)**  
**(School Year 2021–22)**

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate

*Last updated: 1/16/23*

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

**Suspensions and Expulsions for School Year 2019–20 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.00%	0.44%	2.45%
Expulsions	0.00%	0.02%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	0.35%	0.00%	0.46%	0.20%	3.17%
Expulsions	0.00%	0.00%	0.00%	0.02%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

*Last updated: 1/16/23*

**Suspensions and Expulsions by Student Group  
(School Year 2021–22)**

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.35	0.00
Female	0.00	0.00
Male	0.70	0.00
Non-Binary	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	5.00	0.00
Filipino	0.00	0.00

Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	0.00	0.00

Last updated: 1/16/23

**School Safety Plan (School Year 2022–23)**

As part of the development of our School Safety Plan, different groups of educational partners meet annually to review, revise, and update the plan as needed for the following school year. The Dean of Students works on the plan first under the guidance of the MPS Director of Student Services. It is then shared with the Principal. After their review, the plan is shared with several different committees and members of the community. The timeline of meeting and approval dates is below:

A meeting for public input was held on October 26, 2021 at Magnolia Science Academy-7

Reviewed by Law Enforcement January 17, 2022

Reviewed by Fire Department February 2, 2022

Plan Adopted by School Site Council October 26, 2021

Plan approved by Magnolia Public Schools Board February 10, 2022

**Statement of Purpose**

A comprehensive School Safety Plan helps to ensure a safe school environment, thereby enhancing the learning experience and improving student academic achievement. This plan is implemented to protect the safety of students and staff and to provide emergency preparedness and guidelines. This plan addresses the following objectives:

- Protect the safety and welfare of students and staff.
- Provide for a safe and coordinated response to emergency situations.
- Protect the school's facilities and property.
- In the case of an emergency, allow the school to restore normal conditions with minimal confusion in the shortest time possible.
- Provide for coordination between the school and local emergency services when necessary.

**Types of Services Funded (Fiscal Year 2021–22)**

MSA-7’s charter petition and Local Control and Accountability Plan (LCAP) describe school-wide goals, as well as specific actions to be taken in each of the eight state priority areas, plus any locally identified priority areas, to achieve goals for all students and student groups. The LCAP also includes expenditures required to implement each of the goals and actions, including a description of how additional funds provided for low-income students, English learners, and foster youth are used to increase or improve services for these students. Additionally, MSA-7 uses federal funds to supplement state and local funds to provide a coherent educational program. The actions and services described in our LCAP include the following:

Goal 1: Basic Services for a High-Quality Learning Environment: Teacher assignments and credentials, instructional materials and technology, clean and safe facilities that support learning, healthy and nutritious meals, and well-orchestrated Home Office support services.

Goal 2: Excellence: Broad course of study and standards-based curriculum, professional development for high-quality instruction, MTSS - Academic enrichment, intervention, and student support, designated and integrated ELD programs, and support for students with disabilities.

Goal 3: Innovation: College/Career readiness programs and activities, STEAM and GATE programs, digital literacy and citizenship programs, physical education, activity, and fitness, and additional programs and activities that support a well-rounded education.

Goal 4: Connection: Seeking family input for decision making, building partnerships with families for student outcomes, MTSS - PBIS and SEL support, annual stakeholder surveys, and community outreach and partnerships.

**Magnolia Science Academy Bell**  
**2021–22 School Accountability Report Card**  
**Reported Using Data from the 2021–22 School Year**  
**California Department of Education**

**Address:** 6411 Orchard Ave.  
Bell, CA , 90201-1023

**Principal:** Laura Schlottman

**Phone:** (323) 826-3925

**Grade Span:**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

**School Description and Mission Statement (School Year 2022–23)****VISION:**

Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with creative thinking, effective communication, and the rigor of science.

**MISSION:**

Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college preparatory STEAM educational experience in an environment that cultivates respect for self and others.

**Core Values**

Magnolia Public Schools has identified the following core values, which are reinforced through the Advisory course curriculum, student learning outcomes (SLOs), and all school activities:

**EXCELLENCE** - Academic excellence is the desire to pursue knowledge and excellence and to contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse, and argumentative writing. Scholars learn where and how to access the needed information to advance their academic pursuits and societal contributions.

**INNOVATION** - Students will have the freedom to choose how and what they learn. Individualized scheduling, early identification of learning styles, personalities, interests, and career plans will support students' college and career readiness. This will include student participation in their four-year plans, after-school enrichment programs, STEAM program choice options, adaptive assessments, and blended learning strategies, differentiated instruction, and differentiated and adaptive assessments.

**CONNECTION** - School communities are integrated partnerships with the school site staff, families, students, and all other stakeholders. This sense of connection creates a safe place for all learners and stakeholders to affirm individual strengths, celebrate character, provide academic support through mentorship and internship, promote unity and better decision making through the implementation of restorative justice practices. Additionally, the community cultivates an identity and gives each member a sense of belonging and pride. MPS utilizes home visits, student surveys, field trips, life skills classes, and coaching to support our overall community-based goals. We work with community partners to establish mentoring relationships and other social capital to support our students' development of personal and academic networks for long-term resilience and connection.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	13.50	71.05	22369.20	82.26	228366.10	83.12
Intern Credential Holders Properly Assigned	0.80	4.37	714.60	2.63	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	4.00	21.05	1398.60	5.14	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.50	2.63	1060.30	3.90	12115.80	4.41
Unknown	0.10	0.84	1651.30	6.07	18854.30	6.86
Total Teaching Positions	19.00	100.00	27194.20	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	43%	N/A	41%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	23%	N/A	27%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

*Last updated: 1/18/23*

**CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	388	385	99.23	0.77	42.86
Female	189	187	98.94	1.06	47.06
Male	199	198	99.50	0.50	38.89
American Indian or Alaska Native	0	0	0	0	0
Asian	--	--	--	--	--
Black or African American	0	0	0	0	0
Filipino	0	0	0	0	0
Hispanic or Latino	352	349	99.15	0.85	42.69
Native Hawaiian or Pacific Islander	0	0	0	0	0
Two or More Races	0	0	0	0	0
White	31	31	100.00	0.00	38.71
English Learners	42	39	92.86	7.14	0.00
Foster Youth	--	--	--	--	--
Homeless					
Military	0	0	0	0	0
Socioeconomically Disadvantaged	344	341	99.13	0.87	43.40
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	32	32	100.00	0.00	3.13

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Due to changes to the 2021–22 PFT administration, only participation results are required for these five fitness areas.

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

*Last updated:*

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2022–23)

##### Parental Involvement

Parent-Student-Teacher Cooperation:

Studies have shown that students whose parents are involved in their education generally have higher grades, better attendance, higher homework submission rates, higher graduation rates, and a better chance of continuing their education after graduation. MSA Bell believes that a cooperative parent-student-teacher triad will narrow the achievement gap between students at-risk and those who succeed by the current standard of assessments. MSA Bell will work with parents to make them aware of the importance of their involvement in their child's education through the combination of the following activities:

- Parent education groups that focus on various aspects of education and provide tools to support family involvement in their child's academic and social endeavors.
- Individualized student and parent advisory sessions: Each of our teachers/mentors will be assigned to a small group of students. They will arrange at least 2 meetings at school during the school year to discuss their students' academic achievements.
- One-on-one meetings with the parents of academically low-achieving students to support the parent in providing tools to help every child succeed in the learning environment.
- With the reopening of in-person school, we have transition all meetings to both in person and through zoom.

##### Student-Teacher Status Portal

MSA Bell uses Illuminate, an online cloud-based dashboard that is currently being used throughout all of Magnolia Public Schools. The student information system allows families to access information related to their child's performance at school. The use of Illuminate allows families, students, and teachers to communicate more efficiently. Through the portal, teachers have the ability for every class to post course material, homework assignments, projects, course grade statistics, and record students' grades on quizzes, tests, class participation, and homework assignments. Students and parents use confidential passwords to log on.

Since the start of remote learning, MSA Bell conducted a technology and parent portal access survey to determine the need and provide the necessary resources to families. Families were provided with physical instructions that were mailed and phone calls provided walkthroughs to utilize the various applications of communication. Students without technology were provided with Chromebooks and mobile hot spots in order to access their learning and these various platforms at home.

##### Parent Representation

MPS strongly encourages parents to participate in and share the responsibility for the educational process and educational results of MSA Bell. By having a family representative(s) on the various committee on-site, families are active participants in developing local school policies and leading efforts to engage the support of the community, making recommendations about issues related to the school, and reviewing parental and community concerns. These meetings were held over zoom in order to meet the health and safety guidelines of the state and local government agencies. Studies show that home visits can increase student performance, encourage parent involvement, reduce disciplinary problems, and increase the overall positive attitude toward school. Teachers are encouraged to make home visits to build a positive partnership and open communication among all stakeholders for the benefit of the child. MPS policy was adopted to allow for these home visits to occur virtually over platforms such as Zoom or Google Hangout. Families complete a survey each year evaluating the strengths and weaknesses they identify within the program at MSA Bell. The information is used to identify opportunities to best serve the community. This year surveys have been expanded to monitor the health and well-being of all stakeholders.

##### The Parent Committee is as follows:

- School Site Council (SSC)
- English Learner Advisory Committee (ELAC)
- Parent Advisory Committee (PAC) and English Learner Parent Advisory Committee (EL PAC) (LCAP through coffee chats,
- etc.)
- Parent Task Force (PTF)

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

*Last updated: 1/18/23*

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions for School Year 2019–20 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.00%	0.44%	2.45%
Expulsions	0.00%	0.02%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	2.44%	0.00%	0.46%	0.20%	3.17%
Expulsions	0.00%	0.00%	0.00%	0.02%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Last updated: 1/18/23

**Suspensions and Expulsions by Student Group  
(School Year 2021–22)**

Student Group	Suspensions Rate	Expulsions Rate
All Students	2.44	0.00
Female	2.04	0.00

Students with Disabilities	0.00	0.00

*Last updated: 1/18/23*

**School Safety Plan (School Year 2022–23)**

MSA Bell is 1 of 3 academies collocated on an LAUSD district site in the Southeast Los Angeles area. All 3 academies collaborate together to create a comprehensive school safety plan that ensures the safety and well-being of every individual on campus.

The following documents were reviewed and approved by the School Site Council on December 11, 2021.

[Integrated Safe School Plan Quick Reference Guide 2021-22 ?](#)

Safety meetings are conducted collaboratively throughout the year to review processes and procedures in order to make changes that address stakeholder safety

*Last updated: 1/18/23*

### D. Other SARC information

**Magnolia Science Academy Santa Ana**  
**2021–22 School Accountability Report Card**  
**Reported Using Data from the 2021–22 School Year**  
**California Department of Education**

**Address:** 2840 West 1st St.  
Santa Ana, CA , 92703-4102

**Principal:** Steven Keskinturk

**Phone:**

**Grade Span:**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2022–23)

Magnolia Science Academy -Santa Ana (MSA-SA) is one of the Magnolia Public Schools founded as a public charter school in Fall 2009.

MSA-SA currently serves over 513 students, grades TK through 12. Enrollment is on a first-come, first-serve basis when a public lottery is not required.

MSA-SA is a classroom-based charter school serving grades T K–12 with a curriculum emphasizing science, technology, engineering, arts, and math. The school primarily serves students and parents of the Orange County area.

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of our schools' information. Most data presented in this report are reported for the 2021–22 school year. School finances and school completion data are reported for the 2021–22 school year. Contact information, facilities, curriculum, instructional materials, and select teacher data are written for the 2021–22 school year.

Parents and community members should review the entire SARC or contact the school principal or the district office for additional information about the school.

Magnolia Science Academy Santa Ana

Address: 2840 West 1st St., Santa Ana, CA 92703-4102

Phone: (714) 479-0115

Email: [skeskinturk@magnoliapublicschools.org](mailto:skeskinturk@magnoliapublicschools.org)

#### Our History

Magnolia Science Academy – Santa Ana (MSA-SA) opened its doors to serve Orange County's community in the Fall of 2009 for grades T K through 12th grade. In 2016, the school site moved to its current building. The school provides an academically rigorous standards-based curriculum.

#### Our Mission

Magnolia Public Schools provides a college preparatory educational program emphasizing science, technology, engineering, and math (STEAM) in a safe environment that cultivates respect for self and others.

#### Our Vision

Graduates of Magnolia Public Schools are scientific thinkers who contribute to the global community as socially responsible and educated members of society.

#### INNOVATION

Students have the freedom to choose how and what they learn. Individualized scheduling, early identification of learning styles, personalities, interests, and career plans support college and career readiness. In addition, students experience hands-on learning through robotics, computer science, and arts to promote imagination, creativity, and invention.

#### CONNECTION

School communities are integrated partnerships among the school site staff, families, students, and other stakeholders. Connection creates a safe place for all learners and stakeholders to affirm individual strengths, celebrate character, provide academic support through mentorship and internships, and promote unity and better decision-making through implementing restorative justice practices.

#### EXCELLENCE

Academic Excellence is the desire to pursue knowledge and excellence and contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse, and argumentative writing.

Student Group (Other)	Percent of Total Enrollment
English Learners	33.00%
Foster Youth	0.00%
Homeless	4.00%
Migrant	0.00%
Socioeconomically Disadvantaged	83.00%
Students with Disabilities	19.00%

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	28.50	100.00	28.50	100.00	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.00	0.00	0.00	0.00	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.00	0.00	0.00	0.00	12115.80	4.41
Unknown	0.00	0.00	0.00	0.00	18854.30	6.86
Total Teaching Positions	28.50	100.00	28.50	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	37%	N/A	37%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	29%	N/A	29%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data. Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/1/01

**CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	286	282	98.60	1.40	36.65
Female	132	131	99.24	0.76	41.22
Male	154	151	98.05	1.95	32.67
American Indian or Alaska Native	0	0	0	0	0
Asian	--	--	--	--	--
Black or African American	--	--	--	--	--
Filipino	0	0	0	0	0
Hispanic or Latino	261	257	98.47	1.53	33.59
Native Hawaiian or Pacific Islander	0	0	0	0	0
Two or More Races	--	--	--	--	--
White	11	11	100.00	0.00	81.82
English Learners	96	92	95.83	4.17	7.69
Foster Youth	0	0	0	0	0
Homeless					
Military	0	0	0	0	0
Socioeconomically Disadvantaged	236	232	98.31	1.69	33.77
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	48	48	100.00	0.00	12.77

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
 Grades Five, Eight and High School  
 Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Science (grades 5, 8, and high school)	NT	22.66			28.5	29.47

Note: Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: For any 2020-21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

*Last updated:*

**CAASPP Test Results in Science by Student Group**  
**Grades Five, Eight and High School (School Year 2021–22)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Not Tested</b>	<b>Percent Met or Exceeded</b>

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

**Suspensions and Expulsions for School Year 2019–20 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.00%	0.00%	2.45%
Expulsions	0.00%	0.00%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	2.04%	0.00%	2.04%	0.20%	3.17%
Expulsions	0.00%	0.19%	0.00%	0.19%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

*Last updated: 1/10/23*

**Suspensions and Expulsions by Student Group

**Magnolia Science Academy San Diego**  
**2021–22 School Accountability Report Card**  
**Reported Using Data from the 2021–22 School Year**  
**California Department of Education**

**Address:** 6525 Estrella Ave.  
San Diego, CA , 92120-2707

**Principal:** Gokhan Serce

**Phone:** (619) 644-1300

**Grade Span:**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2022–23)

Magnolia Science Academy San Diego (MSA-San Diego) is an independent public charter school located in the Allied Gardens community. MSA-San Diego serves around 450 students in grades 6–8, with classes that average 30 or fewer students. The school was founded in the fall of 2005 by a group of scientists and engineers devoted to math, science, and technology education. As of the 2017-18 School year, MSA-San Diego is serving the San Diego community at its brand new permanent campus in Allied Gardens. On Tuesday December 3rd 2019 SDUSD approved MSA-San Diego's charter unanimously. Our next renewal meeting will be in 2027.

Magnolia's mission is to provide a high-quality college preparatory educational program emphasizing science, technology, engineering, arts, and math (STEAM) in a safe environment that cultivates respect for self and others. MSA-San Diego provides a challenging academic curriculum, a highly qualified staff, and a variety of learning opportunities such as enrichment classes, athletics programs, free tutoring, after-school clubs, character education classes, field trips, community meetings, and much more. We also offer free Saturday school to close the achievement gap and a free summer school with enrichment classes. Based on California School Dashboard progress in academics, MSA-San Diego is the highest performing charter middle school in San Diego County.

In 2021, the California Department of Education recognized [Magnolia Science Academy San Diego](#) as one of [2021's California Distinguished Schools](#) for its exceptional gains in implementing the academic content and performance standards for all students.

Computer integration is a unique component of MSA-San Diego's curriculum. Until the 2013–14 school year, students have had daily computer classes in which they learned computer skills and applied these skills to their academic studies under the direction of their core class teachers. Starting the 2013–14 school year, MSA-San Diego transitioned to a 1:1 program with computers in every classroom. Since the 2013-14 School year MSA-San Diego School Band, Robotics, Engineering and Archery teams won first place awards at multiple state and local competitions. MSA-San Diego is a member of the Magnolia Public Schools family and collaborates with sister schools and other educational organizations to offer the best quality education to the students through Innovation, Connection, and Excellence.

Implementing a blended learning program and having 1-1 Chromebooks helped us transition to distance learning seamlessly during Covid-19 Pandemic. In the 2021-2022 school year we went back to full in-person instruction.

### VISION:

Graduates of Magnolia Public Schools commit to building a more peaceful and inclusive global society by transforming traditional ideas with creative thinking, effective communication, and the rigor of science.

### MISSION:

Magnolia Public Schools provides a safe and nurturing community using a whole-child approach to provide a high-quality, college preparatory STEAM educational experience in an environment that cultivates respect for self and others.

### INNOVATION

Students have the freedom to choose how and what they learn. Individualized scheduling, early identification of learning styles, personalities, interest and career plans support students' college and career readiness. Students experience hands-on learning through robotics, computer science and arts to promote imagination, creativity, and invention

### CONNECTION

School communities are integrated partnerships among the school site staff, families, students and all other stakeholders. Connection creates a safe place for all learners and stakeholders to affirm individual strengths, celebrate character, provide academic support through mentorship and internships, promote unity and better decision making through the implementation of restorative justice practices.

### EXCELLENCE

Academic Excellence is the desire to pursue knowledge and excellence and to contribute original and provocative ideas in a learning environment, in diverse settings, and as a catalyst to future academic knowledge. We foster academic excellence through project-based learning using a constructivist approach, student portfolios, assessments of and for learning and academic discourse and argumentative writing.

### Student Enrollment by Grade Level (School Year 2021–22)

Grade Level	Number of Students
Grade 6	135
Grade 7	140
Grade 8	146
Total Enrollment	421

Minimum students was not met in the provided examples. Future development will include messages on the table to explain what the minimums are to display data.

Last updated: 1/13/23

### Student Enrollment by Student Group (School Year 2021–22)

Student Group	Percent of Total Enrollment
Female	44.00%
Male	56.00%
Non-Binary	0.00%
American Indian or Alaska Native	0.00%
Asian	10.00%
Black or African American	8.00%
Filipino	3.00%
Hispanic or Latino	36.00%
Native Hawaiian or Pacific Islander	0.00%
Two or More Races	9.00%
White	34.00%

Student Group (Other)	Percent of Total Enrollment
English Learners	7.00%
Foster Youth	0.00%
Homeless	3.00%
Migrant	0.00%
Socioeconomically Disadvantaged	38.00%
Students with Disabilities	17.00%

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	14.90	92.67	5313.50	88.64	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	51.00	0.85	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.50	3.11	191.10	3.19	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.60	3.73	194.90	3.25	12115.80	4.41
Unknown	0.00	0.50	243.90	4.07	18854.30	6.86
Total Teaching Positions	16.00	100.00	5994.60	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

MSASD is located on a 26,000-square-foot private facility on a 3.3 acre land with office space, staff lounges, an auditorium, after-school areas, 15 classrooms, Library and a physical education field. The campus is maintained by school maintenance staff. Classrooms are spacious and include 1-1 Chromebooks, projectors, document cameras and sound system. We also have a dedicated computer lab and an art classroom. The physical education field includes basketball courts and an artificial turf field. There are four drinking fountains and two hands-free water bottle filling stations.

## School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: August 2022

System Inspected	Rating	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	?Due to covid-19 all HVAC filters were replaced with Merv-13 filters?
<b>Interior:</b> Interior Surfaces	Good	
<b>Cleanliness:</b> Overall Cleanliness, Pest/Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good	
<b>Restrooms/Fountains:</b> Restrooms, Sinks/Fountains	Good	<ul style="list-style-type: none"> <li>• ?All restrooms are remodeled in 2021</li> <li>• All fountains are upgraded to water fountains with hands-free water bottle filling stations.</li> </ul>
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Good	
<b>External:</b> Playground/School Grounds, Windows/Doors/Gates/Fences	Good	

## Overall Facility Rate

Year and month of the most recent FIT report: August 2022

Overall Rating	Exemplary
----------------	-----------

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	63%	N/A	53%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	50%	N/A	41%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/13/23

**CAASPP Test Results in ELA by Student Group for students taking and completing a state-administered assessment  
Grades Three through Eight and Grade Eleven  
(School Year 2021–22)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Not Tested</b>	<b>Percent Met or Exceeded</b>
All Students	410	397	96.83	3.17	62.97
Female	179	172	96.09	3.91	65.70
Male	230	225	97.83	2.17	60.89
American Indian or Alaska Native	--	--	--	--	--
Asian	39	39	100.00	0.00	87.18
Black or African American	29	28	96.55	3.45	42.86
Filipino	--	--	--	--	--
Hispanic or Latino	146	143	97.95	2.05	49.65
Native Hawaiian or Pacific Islander	0	0	0	0	0
Two or More Races	39	39	100.00	0.00	61.54
White	145	136	93.79	6.21	72.79
English Learners	23	23	100.00	0.00	0.00
Foster Youth	0	0	0	0	0
Homeless					
Military	36	34	94.44	5.56	73.53
Socioeconomically Disadvantaged	155	153	98.71	1.29	53.59
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	81	80	98.76	1.24	26.25

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### California Physical Fitness Test Results (School Year 2021–22)

#### Percentage of Students Participating in each of the five Fitness Components

Grade	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
5					
7					
9					

Note: Due to changes to the 2021–22 PFT administration, only participation results are required for these five fitness areas.

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

*Last updated:*

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

### Opportunities for Parental Involvement (School Year 2022–23)

Parents and other relatives are encouraged to become involved in the formal education of their children. Educational research validates that support at home is critical to a child's academic success. There are many opportunities to be involved at their children's school site, including governance committees, special events, fundraising events, parent organizations, and in classrooms. Parents are encouraged to support their children at home by making their expectations about school clear and creating a positive learning environment at home. To provide more support and connection, every year our teachers visit at least 15% of our students' homes through our home visit program. Parent participation is an integral part of Magnolia Science Academy's program. MSA-San Diego has a Parent Task Force, Parent Advisory Committee, and various other committees and fundraiser opportunities for parents to share their support and ideas. Parents are also invited to help teachers directly. The Parent Task Force posts its activities and updates on the school's website. In addition, MSA-San Diego's S Parent Advisory Committee represents all stakeholders, including parents, teacher, staff, students and community members, who provide input on school events and actions such as graduation, LCAP, Wellness Policy, and Comprehensive School Safety Plan. MSA-San Diego publishes a weekly newsletter (Magnolia Times) and maintains the school's website to communicate school-wide announcements, events, and important updates. Families are included in community events such as University Showcase, Multicultural Food Fair, Olympic Field Day, San Diego STEAM Expo, Holiday Expo, San Diego Maker Faire, San Diego Festival of Science and Engineering, talent show, and others. All the events and meetings are hosted in person following the CDPH guidance. The school also has an online student information system that allows parents and students to access assignments, grades, and behavior updates. In addition, MSA-San Diego hosts two student-led conferences every year where students set goals and share their progress with their family and teachers.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019–20	School 2020–21	School 2021–22	District 2019–20	District 2020–21	District 2021–22	State 2019–20	State 2020–21	State 2021–22
Dropout Rate	--	--	--	--	3.90%	4.80%	--	8.90%	7.80%
Graduation Rate	--	--	--	--	85.60%	87.90%	--	84.20%	87.00%

Last updated: 1/14/23

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions for School Year 2019–20 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.00%	0.10%	2.45%
Expulsions	0.00%	0.00%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	2.10%	3.45%	2.20%	2.51%	0.20%	3.17%
Expulsions	0.20%	0.20%	0.00%	0.10%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Last updated: 1/14/23

**Suspensions and Expulsions by Student Group  
(School Year 2021–22)**

Student Group	Suspensions Rate	Expulsions Rate
All Students	3.45	0.23
Female	2.60	0.00
Male	4.13	0.41
Non-Binary	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	8.33	0.00
Filipino	9.09	0.00
Hispanic or Latino	5.84	0.65
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	1.33	0.00
English Learners	9.38	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	5.75	0.57
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	4.82	0.00

Last updated: 1/14/23

**School Safety Plan (School Year 2022–23)**

Campus safety is our top priority at MSA-San Diego. Principal, administrators, teachers, support staff, PAC and community organizations work together to prevent, prepare, and respond to emergency situations. To ensure safety and security, our school has a comprehensive school safety plan that is updated annually and posted on the school's website. School staff members participate in regular emergency-preparedness drills and response training. Substance abuse prevention programs are presented to students regularly. Policies and procedures are in place to address safe entry and exit of students, serious disciplinary problems discrimination, harassment, and bullying, mandated child abuse reporting procedures, and school dress codes.

Adult supervision is provided in the classrooms and outside areas before and after school, during recess and lunch, and during passing time between classes. Under the direction of the principal or site administrator, school staff members implement specific school-building security procedures. In addition, Magnolia Public Schools home office supports schools by reviewing and disseminating safety requirements and information, coordinating safety-related services, and providing safety training and assistance.

At Magnolia, the safety of the students is crucial. Magnolia provides continuous supervision supported by corrective discipline ,restorative practices, MTTs Program and the Wizard Way character education program. The MSA-San Diego student handbook details disciplinary actions, the sexual harassment policy, the school dress codes, and discipline policies. MSA-San Diego has designated on-site staff members responsible for student safety.

The school performs fire, earthquake, and other mandated drills on regular bases. All staff members participate in active shooter training and emergency drill training during summer in-services.

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Average Class Size and Class Size Distribution (Secondary) (School Year 2020–21)**

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	32.00		10	
Mathematics	32.00		8	2
Science	32.00		10	
Social Science	32.00		10	

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Average Class Size and Class Size Distribution (Secondary) (School Year 2021–22)**

Subject	Average Class Size	Number of Classes* 1-22	Number of Classes* 23-32	Number of Classes* 33+
English Language Arts	28.00		10	
Mathematics	28.00		9	1
Science	28.00		10	
Social Science	28.00		10	

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Ratio of Pupils to Academic Counselor (School Year 2021–22)**

Title	Ratio
Pupils to Academic Counselor*	842.00

\* One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

*Last updated: 1/14/23*

**Student Support Services Staff (School Year 2021–22)**

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	0.50
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	0.30
Psychologist	1.00
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	0.50
Resource Specialist (non-teaching)	3.00
Other	0.00

\* One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Types of Services Funded (Fiscal Year 2021–22)**

MSA-San Diego’s charter petition and Local Control and Accountability Plan (LCAP) describe school-wide goals, as well as specific actions to be taken in each of the eight state priority areas, plus any locally identified priority areas, to achieve goals for all students and student groups. The LCAP also includes expenditures required to implement each of the goals and actions, including a description of how additional funds provided for low-income students, English learners and foster youth are used to increase or improve services for these students. Additionally, MSA-San Diego uses federal funds to supplement state and local funds to provide a coherent education program. The actions and services described in our LCAP include the following:

Goal 1: Basic Services for a High-Quality Learning Environment: Teacher assignments and credentials, instructional materials and technology, clean and safe facilities that support learning, healthy and nutritious meals, and well-orchestrated Home Office support services.

Goal 2: Excellence: Broad course of study and standards-based curriculum, professional development for high quality instruction, MTSS - Academic enrichment, intervention and student support, designated and integrated ELD programs, and support for students with disabilities.

Goal 3: Innovation: College/Career readiness programs and activities, STEAM and GATE programs, digital literacy and citizenship programs, physical education, activity, and fitness, and additional programs and activities that support well-rounded education.

Goal 4: Connection: Seeking family input for decision making, building partnerships with families for student outcomes, MTSS - PBIS and SEL support, annual stakeholder surveys, and community outreach and partnerships.

Each school in the district receives an instructional budget based on enrollment, programs, and formulas set by Board of Education policy, state law, and guidelines of outside funding sources.

Besides regular average daily attendance (ADA) funding, MSA-San Diego has an established fundraising tradition. MSA-San Diego supports students so that they can attend as many extracurricular opportunities as possible. Some of the extracurricular programs are: Museum of Tolerance, High Tech Fair, 6th grade camp, Washington D.C. trip, etc.

MSA-San Diego receives ASES grant that helps to keep students actively engaged on campus after school until 6 p.m.

The Magnolia Public Schools Home Office oversees MSA-San Diego’s finances and provides financial guidance and services to the school.
