RE:	2023-24 Employee Pay Raise Scale for Full-Time Teaching Positions & Non-Classroom Based Academic (“NCBA”) Positions & School Leaders

Proposed Motion:

I move that the Board approve the revised 2023-24 Employee Pay Raise Scale for Full-Time Teaching Positions & Non-Classroom Based Academic (“NCBA”) Positions & School Leaders.

Introduction:

The MPS Operations Department has initiated discussions with the C-team and the school site principals regarding 2023-24 compensation package for full time teachers, NCBA positions, and school leaders. To address existing recruitment and retention challenges, MPS strives to create the most competitive compensation package.

The Operations Department has reviewed other CMOs’ and district compensation packages as part of this process.

Below are the proposed changes to the 2023-24 pay raise scale.

- Increase the school base pay to the following:
 - MSA-1, 2, 5, and 8: From \$57,000 to \$61,000.
 - MSA-3, 4, 6, 7, San Diego, and Santa Ana: From \$57,000 to \$59,000.
- Increase position point for Assistant Principal from 25 to 30.
- Performance pay will continue to be suspended in 2023-24. This is in reference to the initial freeze from 2020-21 (refer to the May 27, 2020 board report).

Background:

The HR Department spearheaded a collaborative effort among home office and school site leaders to work on possible options for 2023-24 MPS pay raise scale. MPS Task Force had the first meeting February 2023 and after that there were further internal meetings with the C-team members regarding budget analysis.

Budget Implications:

The projected cost of approximately \$2.06 million for all certificated and classified staff will be incorporated into the 2023-24 Adopted Budget which will be provided in June, 2023.

MPS EMPLOYEE PAY RAISE SCALE (FULL-TIME TEACHING POSITIONS & NON-CLASSROOM BASED ACADEMIC POSITIONS)

SALARY CALCULATIONS

Components of Employee Pay

School Level: Teaching Positions & Non-Classroom Based Academic Positions

1.	Base School Salary	+	
			→ Base Employee Salary
2.	Employee Qualifications Pay	+	
3.	Position Pay (where applicable)		
4.	Employee Performance Pay		
5.	Pay for Additional Duties		

Narrative:

1) The MPS Board of Directors will work closely with the Home Office to review and update this Employee Pay Raise Scale and approve it at one of its meetings prior to the start of the fiscal year in which it applies.

This Board-approved pay raise scale will be in effect as of July 1, 2022 until the subsequent Board approval of an updated scale. MPS reserves the right to modify this pay raise scale, as well as any policies affecting employee compensation, including but not limited to maintaining any pay raise scale at all.

2) This policy replaces and overrides any previous pay/bonus policy pay raise scale or other policies affecting compensation to the extent they are in conflict.

3) This pay raise scale applies to all full-time teaching staff and non-classroom based academic staff.

4) Pay for full-time teaching positions has four major components: base school salary, employee qualifications pay, employee performance pay, and pay for additional duties. Pay for non-classroom based academic positions has the same four components, with the addition of a fifth component for position pay. Base school salary, position pay (where applicable), and employee qualifications pay make up the base employee salary as they reflect their job position and qualifications. Employee performance pay and pay for additional duties are variable pays based on the employee's performance rating and the additional duties assigned to the employee and are not a part of the base employee salary.

5) Performance pay may be awarded to regular, full-time employees based on the employee meeting performance metrics during the school year. Only those regular, full-time employees who have worked at least 85% of the workdays between the start of the school year and May 15 may be eligible for performance pay. No performance pay will be given in the case of voluntary or involuntary termination before the end of the school year, or for part-time, temporary, or seasonal employees. Performance pay is **NOT** part of the employee's base salary and will be paid separately in a **one-time lump-sum amount** on the June 20th payroll simultaneous with the end of the school year and reported in the same school year in which the performance pay was earned. (See "Employee Performance" for details.)

6) Additional duties for employees will be assigned add-on points as explained further in this scale. These duties have

to be approved by the school administration and the Home Office. The add-on points for such additional duties are not part of employee's base salary; they are earnings on top of the base employee salary designated for the extra duties performed for the specific year of service. Payment for additional duties will be made during and only for the fiscal year in which the duties are performed. Additional duties that are an outgrowth of MPS's instructional program, including the Additional Duties enumerated herein, are reportable to the employee's STRS retirement account. See "Additional Duties" for details.

8) Employees will be able to update their degree or credential during the new work year, and these updated qualifications will be used in prorated salary calculations as of the date of submission. The employee will not be eligible to receive retroactive pay for any period before they reported the degree or credential to MPS and provided satisfactory documentation of the same.

9) MPS pays semi-monthly salaries in whole dollar amounts; therefore, any semi-monthly salary that is not in whole dollar amount will be rounded up to the next whole dollar amount and the annual pay amount will be adjusted accordingly.

10) For employment-based visa holders, proposed salary based on scale cannot be under the prevailing wages as determined by the DOL.

11) A one-time signing bonus may be provided to new employees for hard-to-fill positions upon approval by the CEO on a case by case basis. Such bonus shall be paid at the end of the school year. Signing bonuses are contingent upon employee completing at least one year of service and any employee who fails to do

12) The pay raise scale limitations may be waived to increase base pay in unique situations with approval from the CEO that the waiver is financially sound, academically necessary, and consistent with MPS' commitment to equal opportunities for all staff without regard to race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin, age (40 or older), disability or genetic information, and all other bases as described by the EEOC. (See the Employee Handbook for details.)

13) Whether identified or not in this scale, the Home Office will make the final determination regarding salary calculations for any employee at any position and has the authority to make any revisions based on changing budget conditions.

One-time assignments are not limited to one-time use and may be elected as needed throughout the school year.

- 4) Payment for additional duties will be made during and only for the fiscal year in which the duties are performed. Depending on the duties, this amount can be prorated across all paychecks for the work year (annual assignments) or paid in the pay period in which the work was performed (one-time assignments).

MPS EMPLOYEE PAY RAISE SCALE

SCHOOL LEADER POSITIONS

Last Amended: 03/09/23

MPS EMPLOYEE PAY RAISE SCALE (SCHOOL LEADER POSITIONS)

SALARY CALCULATIONS

Components of Employee Pay

School Level: School Leader Positions

1.	Base School Salary		
		+	
2.	Employee Qualifications Pay		
		+	
3.	Position Pay (where applicable)		
4.	Employee Performance Pay		

→ Base Employee Salary

Narrative:

- 1) The MPS Board of Directors will work closely with the Home Office to review and update this Employee Pay Raise Scale and approve it at one of its meetings prior to the start of the fiscal year in which it applies.
- 2) This Board-approved pay raise scale will be in effect as of July 1, 2022 and until the Board approval of an updated scale. MPS reserves the right to modify this pay raise scale, as well as any policies affecting employee compensation, including but not limited to maintaining any pay raise scale at all.
- 3) This policy replaces and overrides any previous pay/bonus policy.
- 4) This pay raise scale applies to all full-time school leaders, i.e., principals, APs, and deans.
- 5) Pay for school leader positions has four major components: base school salary, employee qualifications pay, position pay, and employee performance pay. Base school salary, employee qualifications pay, and position pay make up the base employee salary. Employee Performance Pay is a variable pay based on employee's performance rating and is not part of the base employee salary.
- 6) Performance pay may be awarded to regular, full-time employees based on the employee meeting performance metrics during the school year. Only those regular, full-time employees who have worked at least 85% of the workdays between the start of the school year and May 15 may be eligible for performance pay. No performance pay will be given in the case of voluntary or involuntary termination before the end of the school year, or for part-time, temporary, or seasonal employees. Performance pay is **NOT** part of the employee's base salary and will be paid separately in a **one-time lump-sum amount** in June simultaneous with the end of the school year and reported in the same school year in which the performance pay was earned. (See "Employee Performance" for details.)
- 7) The following salary bands will be applied to school leader positions:

Assistant Principal/Dean Minimum: \$80,000

Principal

Minimum: \$100,000

If the pay raise calculations for a school leader result in an amount either below the band minimum or above the band maximum, the minimum or the maximum amounts will be applied respectively.

8) Employees will be able to update their degree or credential during the new work year, and these updated qualifications will be used in prorated salary calculations as of the date of submission. The employee will not be eligible to receive retroactive pay for any period before they reported the degree or credential to MPS and provided satisfactory documentation of the same

9) MPS pays semi-monthly salaries in whole dollar amounts; therefore, any semi-monthly salary that is not in whole dollar amount will be rounded up to the next whole dollar amount and the annual pay amount will be adjusted accordingly.

10) For employment-based visa holders, proposed salary based on scale cannot be under the prevailing wages as determined by the DOL.

11) A one-time signing bonus may be provided to new employees for hard-to-fill positions upon approval by the CEO on a case by case basis. Such bonus shall be paid at the end of the school year. Signing bonuses are contingent upon the employee completing at least one

(1) year of service and any employee who fails to do so must return the signing bonus to the School.

12) The pay raise scale limitations/caps may be waived to increase base pay in unique situations with approval from the CEO that the waiver is financially sound, academically necessary, and consistent with MPS' commitment to equal opportunities for all staff without regard to race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin, age (40 or older), disability or genetic information, and all other bases as described by the EEOC. (See the Employee Handbook for details.)

13) Whether identified or not in this scale, the Home Office will make the final determination regarding salary calculations for any employee at any position and has the authority to make any revisions based on changing budget conditions.

San Diego County (San Diego)	MSA-San Diego	\$59,000
Orange County (Santa Ana)	MSA-Santa Ana	\$59,000

Narrative:

- 1) The Base School Salary for each school is determined based on the specific school budget, size, and challenge, as well as the cost of living at the school location.
- 2) Based on the above parameters, the Board may adjust any elements of compensation including the Base School Salaries each year.

2) EMPLOYEE QUALIFICATIONS PAY

Qualifications

8	MPS Experience (Principal)	\$1,015	1 for each year	N/A

Narrative:

- 1) Degree: 1 point for master's degree; 3 points for doctoral degree. Points are non-cumulative; the highest degree will be considered. Any earned degree point(s) during the school year will be reflected in the agreement only until January 31st. After January 31st, all earned degree point(s) will be reflected in the next school year agreements.
- 2) Credential: 1 point for California Preliminary Administrative Services Credential; 2 points for California Clear Administrative Services Credential. Points are not added. Any earned credential point(s) during the school year will be reflected in the agreement only until January 31st. After January 31st, all earned credential point(s) will be reflected in the next school year agreements.
- 3) Prior Experience: Cap of 15 years will be applied for prior full-time school leader, teaching, and other related field work experience when the employee completed a full year of employment in the position. See the table above for coefficients. For prior experience that is more than 15 years, experience with higher coefficients will be prioritized, i.e., principal experience will be considered first, followed by AP/Dean experience and other related field work experience. Student teaching as part of the credentialing program does not count for experience. Employees need to verify their prior employment. Final decision will be made by the Home Office.
- 4) MPS Experience: Prior full-time, regular employment with MPS in the same or asimilar role. Each year of full-time employment with MPS shall count for 1 point if the employee worked at least 85% of the work year. Final decision will be made by the Home Office.
- 5) Qualifications pay is **NOT** an additional amount based on extra work. It is paid prorated over the course of the employee's work year and paid in the same amount for all employees in the position with the same qualifying points.

3) POSITION PAY

Position Points				
Assistant Principal	30			
Dean	25			
Principal	School Enrollment:

K-8, 9-12 or 6-12	35	40	45	50
K-12	40	45	50	55

Narrative:

1) Position: See the table above for points for each position. Principal's position points will be based on the grade span of the school for the new work year and the school enrollment based on the P-2 report of the current year. Based on Census Day data of the new work year, i.e., first Wednesday of October, if an increase in enrollment requires an adjustment to the position points, updated position points will be used in prorated salary calculations as of November. Final decision will be made by the Home Office for extenuating circumstances.

2) This is a component of Base Employee Salary as it is earned through the performance of the employee's regular job duties and **NOT** an additional amount based on extra work. It is paid prorated over the course of the employee's work year and paid in the same amount for all employees in the same position. Position pay is only separated to illustrate how pay is formed.

4) EMPLOYEE PERFORMANCE PAY

Available Performance Pay

School Leader Positions	\$2,000

End-of-Year Overall Evaluation Ratings

Rating	Earns % of Available Performance Pay
4: Highly Effective (HE)	100%
3: Effective (E)	100%
2: Developing (D)	0

Narrative:

- 1) The Home Office will develop a performance evaluation system where employees will earn annual performance points out of 100.
- 2) Employees who receive a “3: Effective (E)” and a “4: Highly Effective (HE)” rating on their end-of-year overall evaluation will earn 100% of the available performance pay. Those who receive a rating of 2 or 1 will be ineligible for performance pay. Available performance pay will be a maximum of \$2,000 for school leader positions.
- 3) Performance pay may be awarded to regular, full-time employees based on the employee meeting performance metrics during the work year. No performance pay will be given in the case of voluntary or involuntary termination before the end of the work year, or for part-time, temporary, or seasonal employees.
- 4) Performance pay is **NOT** part of the employee’s base salary and will be paid separately in a **one-time lump-sum amount** on the June 20th payroll simultaneous with the end of the school year and reported in the same school year in which the performance pay was earned. (See "Employee Performance" for details.)
- 5) MPS believes in use of data in determining employee performance. As explained in detail in MPS’ board-approved employee evaluation protocols, survey and student assessment data as well as supervisor’s evaluation of the employee on California Professional Standards for Educational Leaders (CPSEL) are used in school leader evaluations.

2022-2023 Salaries for Teachers with Regular Credentials (T) (Continued)

This table provides teachers with annual salaries from the Preparation (T) Salary Table, which applies to employees holding regular credentials and a bachelor's degree, or possession of certain vocational or industrial arts credentials (minimum requirement).

Career Increment(s) (CI):	Employees paid on this table can earn a career increment for longevity of service with LAUSD. To qualify for the first career increment, the teacher must have been paid on the maximum Pay Scale Group (27) and Pay Scale Level (10-14) for five qualifying years. The two semester unit "recency" requirement is eliminated pursuant to the Memorandum of Understanding with UTLA adopted by the Board of Education on April 26, 2005.
Multicultural Requirement:	Subsequent to being initially placed on the salary schedule (rating-in), an employee must complete a minimum of two semester units or equivalent study to qualify for schedule advancement (Educational Code Sections 44560-44562).
Bilingual Differential:	New employees may be eligible for up to \$3,000 depending on the employee's qualifications, type of school assignment, services provided, and certification held.
National Board Certification:	The District pays probationary and permanent classroom teachers who hold National Board Certification an additional 15% salary compensation: 7½ % in recognition of their certification and 7½ % upon completion of 92 hours of professional duties outside the normal duties and hours.
Salary Point:	A salary point is a unit of measure used by the District to determine placement or advancement on the salary table. A salary point is equivalent to one semester unit or 1.5 quarter units. A semester unit, as determined by the University of California, requires a minimum of 15 contact hours with an instructor and 30 hours of outside preparation.
Master's Degree:	\$584 annually. Degree must have been awarded by a regionally accredited university.
Doctorate Degree:	\$1,168 annually. An employee with a master's degree and a doctor's or equivalent degree shall receive the doctor's differential only. Degree must have been awarded by a regionally accredited university.

The annual rates shown, including degree differentials and career increments, are for full-time annual assignments (6 hours or 8 hours). Annual amounts are rounded to the nearest whole number. To obtain the actual annual amount multiply the respective basis monthly payment rate by 12 (page 1)

Refer to the District-UTLA Collective Bargaining Agreement, Articles XIV, XV, and Appendix E for rules and requirements regarding salary, including, but not limited to: rating-in, step/schedule placement and advancement, salary point credit, differentials, staff development, career increments, employee filing of required documents, etc.
