MPS EMPLOYEE PAY RAISE SCALE (FULL-TIME TEACHING POSITIONS & NON-CLASSROOM
BASED ACADEMIC POSITIONS)

SALARY CALCULATIONS

Components of Employee Pay

School Level: Teaching Positions & Non-Classroom Based Academic Positions		
1.	Base School Salary	□ Base Employee Salary
	+	
2.	Employee Qualifications Pay	
	+	
3.	Position Pay (where applicable)	
4.	Employee Performance Pay	
5.	Pay for Additional Duties	

Narrative:

1) The MPS Board of Directors will work closely with the Home Office to review and update this Employee Pay Raise Scale and approve it at one of its meetings prior to the start of the fiscal year in which it applies.

This Board-approved pay raise scale will be in effect as of July 1, 2024 until the subsequent Board approval of an updated scale. MPS reserves the right to modify this pay raise scale, as well as any policies affecting employee compensation, including but not limited to maintaining any pay raise scale at all.

2) This policy replaces and overrides any previous pay/bonus policy pay raise scale or other policies affecting compensation to the extent they are in conflict.

3) This pay raise scale applies to all full-time teaching staff and non-classroom based academic staff.

4) Pay for full-time teaching positions has four major components: base school salary, employee qualifications pay, employee performance pay, and pay for additional duties. Pay for non-classroom based academic positions has the same four components, with the addition of a fifth component for position pay. Base school salary, position pay (where applicable), and employee qualifications pay make up the base employee salary as they reflect their job position and qualifications. Employee performance pay and pay for additional duties are variable pays based on the employee's performance rating and the additional duties assigned to the employee and are not a part of the base employee salary.

5) Performance pay may be awarded to regular, full-time employees based on the employee meeting performance metrics during the school year. Only those regular, full-time employees who have worked at least 85% of the workdays between the start of the school year and May 15 may be eligible for performance pay. No performance pay will be given in the case of voluntary or involuntary termination before the end of the school year, or for part-time, temporary, or seasonal employees. Performance pay is **NOT** part of the employee's base salary and will be paid separately in a **one-time lump-sum amount** on the June 20th payroll simultaneous with the end of the school year and reported in the same school year in which the performance pay was earned. (See "Employee Performance" for details.)

6) Additional duties for employees will be assigned add-on points as explained further in this scale. These duties have

to be approved by the school administration and the Home Office. The add-on points for such additional duties are not part of an employee's base salary; they are earnings on top of the base employee salary designated for the extra duties performed for the specific year of service. Payment for additional duties will be made during and only for the fiscal year in which the duties are performed. Additional duties that are an outgrowth of MPS's instructional program, including the Additional Duties enumerated herein, are reportable to the employee's STRS retirement account. See "Additional Duties" for details.

8) Employees will be able to update their degree or credential during the new work year, and these updated qualifications will be used in prorated salary calculations as of the date of submission. The employee will not be eligible to receive retroactive pay for any period before they reported the degree or credential to MPS and provided satisfactory documentation of the same.

9) MPS pays semi-monthly salaries in whole dollar amounts; therefore, any semi-monthly salary that is not in whole dollar amount will be rounded up to the next whole dollar amount and the annual pay amount will be adjusted accordingly.

10) For employment-based visa holders, proposed salary based on scale cannot be under the prevailing wages as determined by the DOL.

11) A one-time signing bonus may be provided to new employees for hard-to-fill positions upon approval by the CEO on a case by case basis. Such bonus shall be paid at the end of the school year. Signing bonuses are contingent upon employee completing at least one year of service and any employee who fails to do

12) The pay raise scale limitations may be waived to increase base pay in unique situations with approval from the CEO that the waiver is financially sound, academically necessary, and consistent with MPS' commitment to equal opportunities for all staff without regard to race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin, age (40 or older), disability or genetic information, and all other bases as described by the EEOC. (See the Employee Handbook for details.)

13) Whether identified or not in this scale, the Home Office will make the final determination regarding salary calculations for any employee at any position and has the authority to make any revisions based on changing budget conditions.

1.	Base School Salary	□ Base Employee Salary
	+	
2.	Employee Qualifications Pay	
	+	
3.	Position Pay (where applicable)	
4.	Employee Performance Pay	

Narrative:

- 1) The MPS Board of Directors will work closely with the Home Office to review and update this Employee Pay Raise Scale and approve it at one of its meetings prior to the start of the fiscal year in which it applies.
 - 2) This Board-approved pay raise scale will be in effect as of July 1, 2024 and until the Board approval of an updated scale. MPS reserves the right to modify this pay raise scale, as well as any policies affecting employee compensation, including but not limited to maintaining any pay raise scale at all.
 - 3) This policy replaces and overrides any previous pay/bonus policy.
 - 4) This pay raise scale applies to all full-time school leaders, i.e., principals, APs, and deans.
 - 5) Pay for school leader positions has four major components: base school salary, employee qualifications pay, position pay, and employee performance pay. Base school salary, employee qualifications pay, and position pay make up the base employee salary. Employee Performance Pay is a variable pay based on employee's performance rating and is not part of the base employee salary.
 - 6) Performance pay may be awarded to regular, full-time employees based on the employee meeting performance metrics during the school year. Only those regular, full-time employees who have worked at least 85% of the workdays between the start of the school year and May 15 may be eligible for performance pay. No performance pay will be given in the case of voluntary or involuntary termination before the end of the school year, or for part-time, temporary, or seasonal employees. Performance pay is **NOT** part of the employee's base salary and will be paid separately in a **one- time lump-sum amount** in June simultaneous with the end of the school year and reported in the same school year in which the performance pay was earned. (See "Employee Performance" for details.)
 - 7) The following salary bands will be applied to school leader positions:

Assistant Principal/Dean	Minimum: \$80,000
Principal	Minimum: \$100,000
- If the pay raise calculations for a school leader result in an amount either below the band minimum or above the band maximum, the minimum or the maximum amounts will be applied respectively.
- 8) Employees will be able to update their degree or credential during the new work year, and these updated qualifications will be used in prorated salary calculations as of the date of submission. The employee will not be eligible to receive retroactive pay for any period before they reported the degree or credential to MPS and provided satisfactory documentation of the same
 - 9) MPS pays semi-monthly salaries in whole dollar amounts; therefore, any semi-monthly salary that is not in whole dollar amount will be rounded up to the next whole dollar amount and the annual pay amount will be adjusted accordingly.
 - 10) For employment-based visa holders, proposed salary based on scale cannot be under the prevailing wages as determined by the DOL.
 - 11) A one-time signing bonus may be provided to new employees for hard-to-fill positions upon approval by the CEO on a case by case basis. Such bonus shall be paid at the end of the school year. Signing bonuses are

contingent upon the employee completing at least one

(1) year of service and any employee who fails to do so must return the signing bonus to the School.

12) The pay raise scale limitations/caps may be waived to increase base pay in unique situations with approval from the CEO that the waiver is financially sound, academically necessary, and consistent with MPS' commitment to equal opportunities for all staff without regard to race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin, age (40 or older), disability or genetic information, and all other bases as described by the EEOC. (See the Employee Handbook for details.)

13) Whether identified or not in this scale, the Home Office will make the final determination regarding salary calculations for any employee at any position and has the authority to make any revisions based on changing budget conditions.

Narrative:

- 1) The Home Office will develop a performance evaluation system where employees will earn annual performance points out of 100.
- 2) Employees who receive a “3: Effective (E)” and a “4: Highly Effective (HE)” rating on their end-of-year overall evaluation will earn 100% of the available performance pay. Those who receive a rating of 2 or 1 will be ineligible for performance pay. Available performance pay will be a maximum of \$2,000 for school leader positions.
- 3) Performance pay may be awarded to regular, full-time employees based on the employee meeting performance metrics during the work year. Only those regular, full-time employees who have worked at least 85% of the workdays between the start of the school year and May 15 may be eligible for performance pay. No performance pay will be given in the case of voluntary or involuntary termination before the end of the work year, or for part-time, temporary, or seasonal employees.
- 4) Performance pay is **NOT** part of the employee’s base salary and will be paid separately in a **one-time lump-sum amount** on the June 20th payroll simultaneous with the end of the school year and reported in the same school year in which the performance pay was earned. (See "Employee Performance" for details.)
- 5) MPS believes in use of data in determining employee performance. As explained in detail in MPS’ board-approved employee evaluation protocols, survey and student assessment data as well as supervisor’s evaluation of the employee on California Professional Standards for Educational Leaders (CPSEL) are used in school leader evaluations.
