RE:	Approval of Revised Harassment, Intimidation, Discrimination and Bullying Policy & Proceeding with Updating the 2024-25 MPS Student/Parent Handbook with that Policy

Action Proposed:

I move that the Board approve the revised Harassment, Intimidation, Discrimination and Bullying Policy and for staff to proceed with with updating the 2024-25 MPS Student/Parent Handbook with that policy

Background:

The revised Harassment, Intimidation, Discrimination, and Bullying Policy is being presented for board approval as part of an effort to separate it from the Title IX policy, based on legal guidance from YM&C. This separation ensures clearer guidance and implementation of both policies. Approval of this revised policy will allow us to update the 2024-25 MPS Student/Parent Handbook to reflect these changes, ensuring compliance and providing clarity to students, parents, and staff.

We recommend board approval of the revised policy and authorization to update the Handbook accordingly

Harassment, Intimidation, Discrimination and Bullying Policy

HARASSMENT, INTIMIDATION, DISCRIMINATION, AND BULLYING POLICY

Discrimination, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, Magnolia Educational and Research Foundation, doing business as Magnolia Public Schools ("MPS") prohibits any acts of discrimination, harassment, intimidation, and bullying altogether.

As used in this policy, discrimination, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locs, and twists), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable state or federal law or local ordinance. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, MPS will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. MPS school staff who witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

This policy applies to incidents occurring on the school campus, at school-sponsored events and activities regardless of the location, through school-owned technology, and through other electronic means, whether perpetrated by a student, employee, parent/guardian, volunteer, independent contractor or other person with whom MPS does business, and all acts of MPS's Board of Directors ("Board") in enacting policies and procedures that govern MPS.¹

MPS complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

¹ This policy becomes effective on August 1, 2024. Conduct occurring before August 1, 2024 will be addressed in accordance with the former version of this policy, which was entitled "Title IX, Harassment, Intimidation, Discrimination and Bullying Policy."

Bullying and Cyberbullying Prevention Procedures

MPS has adopted the following procedures for preventing acts of bullying, including cyberbullying.

Cyberbullying Prevention Procedures

MPS advises students:

- To never share passwords, personal data, or private photos online.
- To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.

- That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- To consider how it would feel receiving such comments before making comments about others online.

MPS informs its employees, students, and parents/guardians of MPS's policies regarding the use of technology in and out of the classroom. MPS encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

Education

MPS employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. MPS advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at MPS and encourages students to practice compassion and respect each other.

MPS educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

MPS's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

MPS informs MPS employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

Professional Development

MPS annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other MPS employees who have regular interaction with students.

MPS informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating

- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

MPS also informs certificated employees about the groups of students determined by MPS and available research to be at elevated risk for bullying and provides its certificated employees with information on existing school and community resources related to the support of these groups. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth (“LGBTQ”) and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

MPS encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for MPS’s students.

Complaint Procedures

Scope of the Complaint Procedures

MPS will comply with its Uniform Complaint Procedures (“UCP”) policy when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person’s association with a person or group with one or more of the protected characteristics set forth in the UCP that:

- Are written and signed;
- Filed by an individual who alleges that they have personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying based on a protected characteristic, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and
- Submitted to the MPS UCP Compliance Officer not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

MPS will comply with its Title IX Policy when investigating and responding to complaints alleging sex discrimination, including sex-based harassment, in its education program or activity, as applicable.

The following procedures shall be utilized for complaints of misconduct prohibited by this Policy that do not fall within the scope of MPS’s Title IX Policy or comply with the writing, timeline, or other formal filing requirements of the UCP. A copy of MPS’s Title IX Policy and UCP is available in the main office and on MPS websites.

Submitting a Report or Complaint

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this Policy for reporting alleged acts of misconduct prohibited by this Policy.

Reports and complaints of misconduct prohibited by this Policy shall be submitted to the Principal (or the Chief Executive Officer and Superintendent if the complaint is against the Principal) as soon as possible after the incidents giving rise to the report or complaint.

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, and MPS will investigate and respond to all oral and written reports of misconduct prohibited by this Policy, the reporting party is encouraged to submit a written report. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy and other verbal or physical abuses. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Principal, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

MPS acknowledges and respects every individual's right to privacy. All reports and complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter and/or complainant confidential, as appropriate, except to the extent necessary to comply with applicable law, carry out the investigation and/or to resolve the issue, as determined by MPS on a case-by-case basis.

MPS prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy.

Investigation and Response

Upon receipt of a report or complaint of misconduct prohibited by this Policy, the Principal or designee will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days.

At the conclusion of the investigation, the Principal or designee will, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation and resolution of the incident/situation. However, the Principal or designee will not reveal confidential information related to other students or employees.

If the complaint is against the Principal, the Chief Executive Officer and Superintendent or designee will conduct a fact-finding investigation and provide the complainant with information about the investigation and resolution of the incident/situation.

Consequences

Students or employees who engage in misconduct prohibited by this Policy may be subject to disciplinary action up to and including expulsion from MPS or termination of employment.

Right of Appeal

Should a complainant find MPS's resolution unsatisfactory, for complaints within the scope of this Policy, the complainant may, within five (5) business days of notice of MPS's decision or resolution, submit a written appeal to the Chair of the MPS Board, who will serve as the decisionmaker for the appeal or designate a decisionmaker for the appeal. The decisionmaker for the appeal will notify the complainant of the final decision.
