RE:	RFP for meal program – MSA 1,3,4,6 and 7

### Proposed Board Recommendation

I move that the board approve Better4You meal program to provide meal services at Magnolia Science Academies 1,3,4,6 and 7 for the 2016-2017 school year.

### Background

MPS is committed to providing healthy breakfasts and lunches to its students and meeting all standards and regulations relating to the National School Lunch and Breakfast programs, as well as California health and school rules and regulations.

MPS posted the RFP on our schools website and emailed to vendors to assure a fair bidding process.

The selection of the winning proposal will be based upon the following criteria:

1. Qualifications and experience of the vendor's management team.
2. Adequacy of client references.
3. Adequacy of required corporate documentation.
4. Adequacy of controls for compliance with food safety regulations and National School Lunch program (NSLP) requirements.
5. Proposed cost per unit breakfast and lunch.
6. Design of the meal pattern.
7. Commitment to on-time delivery and back-up plans in the event of weather, etc.

Contract Period: This agreement shall become effective on August 1st, 2016 and terminate on June 30th, 2017, unless an extension is agreed to in accordance with the terms

**Budget Implications:** The estimated value of this contract ranges at each school site and is already included in the schools budget and is aligned with the school lunch funding program.
