Proposed Board Recommendation

I move that the Board approve the Salary Advance Policy for Magnolia Public Schools.

Background

It is the policy of the Magnolia Public Schools (“MPS”) to discourage salary and wage payments at times other than normal payroll check release dates. Understanding that there may be emergency circumstances or vital life challenges that would justify a salary advance, this policy defines under what limited circumstances a salary advance may be made. This policy only applies to requests for salary advances received in writing directly from the employee. It does not apply to “Special Check” requests submitted on behalf of the employee by their personnel officer to address payroll errors or omissions that need to be corrected. Additionally, approval of salary advances are subject to the availability of funds and the ultimate sole and unreviewable discretion of MPS.

For purposes of this policy, an emergency is considered to be an event or circumstance that is unforeseen, and which could not be reasonably anticipated by the employee requesting the salary advance. Emergency needs are limited primarily to expenses associated with the death of an immediate family member, extraordinary medical costs that are not covered by insurance, or an event that would have irreparable adverse impact on the employee if no advance was approved. For example, a request for an advance to cover living expenses if the employee suffered a house fire or flood would qualify as an emergency. However, a request for an advance to pay one’s

monthly rent, to pay for upcoming vacation expenses, or moving expenses would not qualify as an emergency.

For purposes of this policy, vital life challenges may include, but are not limited to unusual family health or education issues, visa or permanent residency related expenses, car or home repair emergencies, or other similar vital life challenges.

This policy was written on behalf of our attorneys, YMC, according to industry standards.

Budget Implications

There is a potential budget impact if the employee fails to repay the loan prior to resigning from Magnolia, however, every employee must sign a repayment agreement and repayment must be made within 12 months or fewer.

How Does This Action Relate/Affect/Benefit All MSAs?

This policy provides benefit to all MSA employee's as it provides support during emergency situations.

I. PURPOSE AND POLICY STATEMENT

It is the policy of the Magnolia Public Schools ("MPS") to discourage salary and wage payments at times other than normal payroll check release dates. II. DEFINITION OF EMERGENCY and VITAL LIFE CHALLENGES

A written request for a salary advance shall only be approved for an eligible employee for an emergency or vital life challenge which would cause severe financial hardship to the employee.

For purposes of this policy, an emergency is considered to be an event or circumstance that is unforeseen, and which could not be reasonably anticipated by the employee requesting the salary advance. Emergency needs are limited primarily to expenses associated with the death of an immediate family member, extraordinary medical costs that are not covered by insurance, or an event that would have irreparable adverse impact on the employee if no advance was approved.
