Board Of Directors

Board Agenda Item #	III J
Date:	10.12.2017
To:	Magnolia Board of Directors
From:	Caprice Young, Ed.D. CEO & Superintendent
Staff Lead:	David Yilmaz, Chief Accountability Officer
RE:	Approval of Addendum to Schools in Action Services for 2017-18

Proposed Board Recommendation

I move that the board approve the addendum to Schools in Action services for 2017-18.

Background

In order to be in compliance with National School Lunch Program and School Breakfast Program, MPS has contracted with Schools in Action for the following services:

- Complete audit of each school's current lunch program processes through an on-site monitoring review as well as ongoing compliance oversight.
- Set up under our processing using Meal Time with training and support.
- Accurate and timely monthly lunch claim form submission and reimbursement.

The MPS board already approved our schools' contracts with Schools in Action on May 20, 2017. Later we received a letter from Schools in Action on September 25, 2017 that stated Magnolia needed additional support, in ensuring that the meal applications and verification reports are processed accurately. Our team (CAO, COO, CFO, and Executive Office Manager) held a meeting with SIA about this item and we recommend that this addendum be approved. SIA will be going through an audit this year and our schools will be part of the audit.

Budget Implications

The additional cost will be \$40/hr for a maximum of 60 hours overall for a total cost not to exceed \$2,400.00 to be allocated over eight of our schools.

Eight schools are sharing this cost since they will be part of the contract.

MSA-5 and Bell's meal programs are managed by LAUSD.
