How Does This Action Relate/Affect/Benefit All MSAs?

The Advisory Committee is formed to most importantly *advocate* for all MSA’s. They will be the champions in building the communities necessary to support the growth and success of all MPS schools, which includes sharing knowledge and relationships they have gained over years of experience and networking. It is these networks that can open possibilities to ignite the passions of MSA students. Additionally, the Advisory Committee will *invest* by becoming stakeholders in the academic and financial success of all MPS schools.

Moreover, the Advisory Committee will *consult* by providing valuable counsel to the MPS Board of Directors, executive team, and CEO including input into MPS strategic planning. Having Advisory Committee members with expert understanding of specific education

disciplines within Science, Technology, Engineering, Arts, and or Math will be of great value to MPS.

Lastly, the Advisory Committee will *fund* by helping to bring community partnerships and financial resources to MPS. The Advisory Committee will also share their expertise and experience in specific areas to key members of the MPS executive team and Board of Directors to make informed decisions for all MSA schools.
