RE:	Approval of School Accountability Report Cards (SARC) for MSA 1-8, MSA-Santa Ana, and MSA-San Diego

Proposed Board Recommendation

I move that the board approve the School Accountability Report Cards (SARC) for MSA 1-8, MSA-Santa Ana, and MSA-San Diego.

Background

All active public schools/LEAs and nonpublic, nonsectarian schools are required to prepare and disseminate a SARC for the primary purpose of providing parents with data and information to make meaningful comparisons between schools (inclusive of charter schools). Charter schools are required to prepare SARC reports as a method by which to measure pupil progress in meeting pupil outcomes for state priorities, pursuant to EC section 47605(b)(5)(C).

The SARC presented for board approval is for the year of 2016-17 and covers information about the school, including but not limited to, Conditions of Learning, Pupil Outcomes, Engagement, expenditures per pupil, professional development and other information about the school. There is a template provided by the CDE and the majority of the data in SARC is provided by the CDE and pre-populated in the report while the school is asked to provide a narrative in the following areas: school description and mission statement, school facility conditions and planned improvements, career technical education programs, opportunities for parental involvement, school safety plan, types of services funded, and professional development.

SARC needs to be approved by the board annually by February 1 and posted on each school's website.
