RE:	Approve the MPS Employee Pay Raise Scale for Full-Time Teaching Positions & Non-Classroom-Based Academic Positions

Proposed Board Recommendation

I move that the Board approve the MPS Employee Pay Raise Scale for Full-Time Teaching Positions & Non-Classroom-Based Academic Positions.

Background

General

MPS has been implementing a board-approved pay raise scale for full-time teaching staff and non-classroom-based academic staff since the 2014-15 school year. Pay for these positions has four major components: base school salary, employee qualifications pay, employee performance pay, and pay for additional duties. MPS Home Office has met with teachers, school leaders, and our board numerous times in the past to solicit feedback and refine our pay raise scale to meet the needs of our teaching staff within budget. As such, improvements and revisions have been made to the scale in the past as approved by our board. The purpose of this agenda is to recommend the approval of the revised pay raise scale effective July 1, 2018.

Past Revisions to the Scale

Revisions have been made in the past such as increasing the base school salaries based on school budget, size, and challenge, as well as the cost of living at the school location. Another great addition to the scale, as directed by the board, has been the introduction of performance pay for Effective (\$1,500) and Highly Effective (\$2,000) teachers. As explained in detail in MPS’ board-approved employee evaluation protocols, survey and student assessment data as well as supervisor’s evaluation of the employee on MPS Framework for Teaching are used in teaching staff evaluations. Pay for additional duties is crucial for MPS as we need to involve our teaching staff in leadership roles and get their support in running MPS signature programs, such as

running a department or a grade level, coordinate EL services, serve as WASC coordinator, or to coach special competitions, to name a few. The Home Office has updated the list of available and needed additional duties add-on points in 2017-18 to better fit our needs.

In the past, MPS implemented differential pay for some hard-to-find subject areas and this differential was removed at the board meeting on March 10, 2016.

Proposed Revisions

After meetings with the personnel committee, principals, deans, c-team, HR, and other stakeholders, we propose the following revisions to the pay raise scale. The attached scale document for teaching positions is a clean copy of the final scale that reflects all changes made in yellow highlights.

- 1) Employees will be able to update their degree or credential during the new work year, and these updated qualifications will be used in prorated salary calculations as of the date of submission.
- 2) Performance pay is given to existing full-time employees based on their performance in the finished year. Only those full-time employees who have finished the year at MPS and completed at least 90 business days in the finished year will be eligible for performance pay. No performance pay will be given in the case of voluntary or involuntary termination before the end of the school year. Performance pay is **NOT** part of the employee's base salary and will be paid separately in a **one-time lump-sum amount** in July immediately following the school year during which the performance was evaluated.
- 3) A one-time signing bonus may be provided to new employees for hard-to-fill positions upon approval by the CEO on a case by case basis. Also, the pay raise scale limitations may be waived in unique situations with approval from the CEO that the waiver is financially sound, academically necessary, and consistent with MPS' commitment to equal opportunities for all staff without regard to race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin, age (40 or older), disability or genetic information, and all other bases as described by the EEOC.
- 4) Prior experience coefficient will be increased from \$508 per year to \$750 per year.
- 5) Experience cap: Total experience, i.e., the sum of prior experience and MPS experience will be capped at 25 years. For total experience that is more than 25 years, MPS experience will be considered before prior experience.
- 6) Position points for non-classroom-based academic positions have been set as follows:
College Counselor, Librarian, EL Coordinator, Language/Literacy Coach, Title-I/Intervention Coordinator, Guidance Counselor: 5 points
Education Specialist, Psychologist: 10 points
- 7) Pay for Additional Duties has been updated.

- 8) MPS would like to pay the semi-monthly salaries in whole dollar amounts; therefore, any semi-monthly salary that is not in whole dollar amount will be rounded up to the next whole dollar amount and the annual pay amount will be adjusted accordingly.

Based on feedback from our stakeholders, the Home Office considered three different scenarios for the base school salary and performance pay amounts.

SCENARIO A:

- All base school salaries will be set at \$46,100.
- Performance pay will be increased from \$2,000 to \$5,000 for Highly Effective teachers and \$1,500 to \$3,000 for Effective teachers.

SCENARIO B: (*more conservative scenario*)

- All base school salaries will remain the same.
- Performance pay will be increased from \$2,000 to \$4,000 for Highly Effective teachers and \$1,500 to \$2,000 for Effective teachers.

SCENARIO C:

- All base school salaries will be set at \$46,600.
- Performance pay will be increased from \$2,000 to \$4,000 for Highly Effective teachers and \$1,500 to \$2,000 for Effective teachers.

Scenarios A, B, and C have been analyzed below under Budget Implications. After input from our stakeholders and careful thought, Scenario C has been recommended by the Home Office to the Personnel Committee and approved by the Committee for a recommendation to the full board at their meeting on February 22, 2018.

Budget Implications

The attached Budget Impact document includes an estimate of increases in total teacher salaries per site as well as average increase in teacher salaries. Following is the estimated increase in average teacher salaries per site if the scale is approved:

SCENARIO A:

- All base school salaries will be set at \$46,100.
- Performance pay will be increased from \$2,000 to \$5,000 for Highly Effective teachers and \$1,500 to \$3,000 for Effective teachers.

2018-19 COMPENSATION INCREASE PROPOSAL OVERVIEW

***PREPARED FOR THE PERSONNEL COMMITTEE
MEETING ON FEBRUARY 21, 2018***

OVERVIEW SUMMARY

Staff prepared an analysis of potential school site staff salary increases based on anticipated increased revenues from the state and assuming (for the analysis) no increase in the number of students we serve (because new students also come with new costs). This provided an “apples-to-apples” comparison of current to projected financials.

Assumptions:

- New ongoing revenues of \$2,479,704 and one time revenues of \$559,508
- STRS increase from 14.4% to 16.3% of salary expense (rising to 19.1% by 2020-21)
- PERS increase from 15.5% to 18.1% of salary expense (rising to 25.0% by 2020-21)
- Health and Welfare increase of up to 10.5% above 2017-18 rates
- Principal driven expected non-personnel increases in expenses (unique to each school)
- Maintaining CMO fees at current levels (although we are doing a separate analysis of potential CMO fee calculations that would be more closely targeted to school size/needs)

Based on these assumptions, Magnolia as a whole can afford a salary increase for teachers, administrators, and other staff of approximately 5 to 8% on average, but in some cases as high as 11.67% in schools with current low base salaries.

PROPOSED NEW INCREASES

	Average % Salary Increase	Average Increase	Total Cost Including Benefits
Teachers	8.27%	\$4,685	\$999,260
Administrators	6.75%	\$5,481	\$224,292
Other	5.40%	Budgeted Pool	\$342,624
Total Cost of Increases			\$1,566,576

MPS average teachers' salaries (excluding special duties and performance pay) goes up from \$56,648 to \$61,333.

(See David's detailed sheets.)

- Raises all base salaries to \$46,600
- Increases non-MPS experience pay from \$500 to \$750 per year
- Provides annual lump sum performance bonus of \$2,000 to \$4,000 for high performers
- Realigns administrators' compensation to the salary scale
- Creates a pool of 5.4% to provide increases to other staff

OVERALL AFFORDABILITY

Our current projection shows that we will need to find other cuts to make this work, but principals and C-Team leaders are confident we will be successful in prioritizing the well-being of our team members and get this done.

RECOMMENDATION

Adopt the revised salary schedules for teachers and administrators, establish the 5.4% pool for other salary increase, and affirm board support for principals' to waive the salary schedule limitations in unique situations with approval from the CEO that the waiver is financial sound, academically necessary, and consistent with Magnolia's commitment to equal opportunities for all staff without regard to gender, race, ethnicity, national origin, or sexual orientation.

2017-2018 Salaries for Teachers with Regular Credentials (T) (Continued)

This table provides teachers with annual salaries from the Preparation (T) Salary Table, which applies to employees holding regular credentials and a Bachelor's Degree, or possession of certain vocational or industrial arts credentials (minimum requirement).

Career Increment(s) (CI)	Employees paid on this table can earn a career increment for longevity of service with LAUSD. To qualify for the first career increment, the teacher must have been paid on the maximum Pay Scale Group (27) and Pay Scale Level (10-14) for five qualifying years. The two semester unit "recency" requirement is eliminated pursuant to the Memorandum of Understanding with UTLA adopted by the Board of Education on April 26, 2005.
Multiculture Requirement:	Subsequent to being initially placed on the salary schedule (rating-in), an employee must complete a minimum of two semester units or equivalent study to qualify for schedule advancement (Educational Code Sections 44560-44562).
Bilingual Differential:	New employees may be eligible for up to \$3,000 depending on the employee's qualifications, type of school assignment, services provided, and certification held.
National Board Certification:	The District pays probationary and permanent classroom teachers who hold National Board Certification an additional 15% salary compensation: 7½ % in recognition of their certification and 7½ % upon completion of 92 hours of professional duties outside the normal duties and hours.
Salary Point:	A salary point is a unit of measure used by the District to determine placement/advancement on the salary table. A salary point is equivalent to one semester unit or 1.5 quarter units. A semester unit, as determined by the University of California, requires a minimum of 15 contact hours with an instructor and 30 hours of outside preparation.
Master's Degree:	\$584 annually. Degree must have been awarded by a regionally accredited university.
Doctorate Degree:	\$1,168 annually. An employee with a master's degree and a doctor's or equivalent degree shall receive the doctor's differential only. Degree must have been awarded by a regionally accredited university.

The annual rates shown, including degree differentials and career increments, are for full-time annual assignments (6 hours or 8 hours). Annual amounts are rounded to the nearest whole number. To obtain the actual annual amount multiply the respective basis monthly payment rate by 12 (page 1)

Refer to the District-UTLA Collective Bargaining Agreement, Articles XIV, XV, and Appendix E for rules and requirements regarding salary, including, but not limited to: rating-in, step/schedule placement and advancement, salary point credit, differentials, staff development, career increments, employee filing of required documents, etc.

MPS EMPLOYEE PAY RAISE SCALE (FULL-TIME TEACHING POSITIONS & NON-CLASSROOM BASED ACADEMIC POSITIONS)

SALARY CALCULATIONS

Components of Employee Pay

School Level: Teaching Positions & Non-Classroom Based Academic Positions		
1	Base School Salary	
	+	
2	Employee Qualifications Pay	→ Base Employee Salary
	+	
3	Employee Performance Pay	
	+	
4	Pay for Additional Duties	

Narrative:

- 1) The MPS Board of Directors will closely work with the Home Office to review and update this employee pay raise scale and approve it at one of its meetings prior to the fiscal year to which it applies.
- 2) This Board-approved pay raise scale will be in effect as of July 1, 2018 and until the next Board approval of an updated scale. MPS reserves the right to modify this pay raise scale, as well as any policies affecting employee compensation, including but not limited to maintaining any pay raise scale at all.
- 3) This policy replaces and overrides any previous pay/bonus policy.
- 4) This pay raise scale applies to all full-time teaching staff and non-classroom based academic staff.
- 5) Pay for full-time teaching positions and non-classroom-based academic positions have four major components: base school salary, employee qualifications pay, employee performance pay, and pay for additional duties. **Base school salary and the employee qualifications pay make up the base employee salary. Employee Performance Pay and Pay for Additional Duties are variable pays based on employee's performance rating and additional duties assigned to the employee and are not part of the base employee salary.**
- 6) **Performance pay is given to existing full-time employees based on their performance in the finished year. Only those full-time employees who have finished the year at MPS and completed at least 90 business days in the finished year will be eligible for performance pay. No performance pay will be given in the case of voluntary or involuntary termination before the end of the school year. Performance pay is **NOT** part of the employee's base salary and will be paid separately in a **one-time lump-sum amount** in July immediately following the school year during which the performance was evaluated.** (See "Employee Performance" for details.)
- 7) Additional duties for employees will be assigned add-on points as explained further in this scale. These duties have

to be approved by the school administration and the Home Office. The add-on points for such additional duties are not part of employee's base salary; they are earnings on top of the base employee salary designated for the extra duties performed for the specific year of service. Payment for additional duties will be made during and only for the fiscal year in which the duties are performed. See "Additional Duties" for details.

8) Employees will be able to update their degree or credential during the new work year, and these updated qualifications will be used in prorated salary calculations as of the date of submission.

9) MPS would like to pay the semi-monthly salaries in whole dollar amounts; therefore, any semi-monthly salary that is not in whole dollar amount will be rounded up to the next whole dollar amount and the annual pay amount will be adjusted accordingly.

10) Retroactive salary increases are not permitted.

11) For employment-based visa holders, proposed salary based on scale cannot be under the prevailing wages as determined by the DOL.

12) A one-time signing bonus may be provided to new employees for hard-to-fill positions upon approval by the CEO on a case by case basis. Also, the pay raise scale limitations may be waived in unique situations with approval from the CEO that the waiver is financially sound, academically necessary, and consistent with MPS' commitment to equal opportunities for all staff without regard to race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin, age (40 or older), disability or genetic information, and all other bases as described by the EEOC. (See the Employee Handbook for details.)

13) Whether identified or not in this scale, the Home Office will make the final determination regarding salary calculations for any employee at any position and has the authority to make any revisions based on changing budget conditions.

Student teaching as part of the credentialing program does not count for experience. Employees need to verify their prior employment. Final decision will be made by the Home Office.

5) MPS experience is valued more than prior experience; both full and partial MPS years will be added and the sum will be rounded to the lower multiple of one-half.

* Total experience, i.e., the sum of prior experience and MPS experience will be capped at 25 years. For total experience that is more than 25 years, MPS experience will be considered before prior experience.

3) EMPLOYEE PERFORMANCE PAY

1) The Home Office will develop a performance evaluation system where employees will earn annual performance points out of 100.

2) Employees who receive a “4: Highly Effective (HE)” rating on their end-of-year overall evaluation will earn 100% of the available performance pay and those who receive a “3: Effective (E)” rating will earn 50% of the available performance pay.

3) Available performance pay will be a maximum of \$4,000 for school-level teaching staff and non-classroom based academic staff.

Performance pay is not part of the employee’s base salary and will be paid separately in lump-sum in July immediately following the school year during which the performance was evaluated.

5) MPS believes in use of data in determining employee performance. As explained in detail in MPS’ board-approved employee evaluation protocols, survey and student assessment data as well as supervisor’s evaluation of the employee performance are used in evaluations of teaching and non-classroom based academic staff.

Special Club (Category 2) includes approved clubs that have a special focus, typically in STEM fields, require an extensive time commitment and preparation, and generally culminate in a competition. For example; a teacher teaching 27 hours, plus 2.5 hours of SSR/Advisory per week, over a year will earn 2.0 add-on points, i.e., and additional \$2,000 for the year. MPS does not recommend extra teaching hours other than in extenuating circumstances.</p> <p>9) Payments for any additional duties not described herein (Saturday tutoring, other approved hourly duties, etc.) will be resolved by the school administration and the Home Office via payroll.</p> <p>10) Exceptions: The add-on points for additional duties are for full-time teaching staff and other approved staff on a case-by-case basis. Principals and assistant principals/deans do not earn add-on points for any of the additional duties listed in this table. After-school coordinators do not earn add-on points for after-school coordination if they are already being paid separately for that duty, e.g., through an after-school grant. Computer teachers who also do IT technician duties for less than 50% of their time can earn add-on points for their IT technician duties. If they do IT for 50% or more of their time, they will be regarded as IT Technician for salary calculations.</p> <p>11) Final decision for any add-on points will be made by the school administration and the Home Office.</p>

These duties have to be approved by the school administration and the Home Office annually prior to the duties are performed.</p> <p>3) The add-on points for additional duties are not part of employee's base salary; they are earnings on top of the base employee salary designated for the extra duties performed for the specific year of service.</p> <p>4) Payment for additional duties will be made during and only for the fiscal year in which the duties are performed. Depending on the duties, this amount can either be included in the semi-monthly salary or paid to the employee in several installments. Pay for additional duties will be prorated based on the date additional duties are assumed.</p> <p>5) * Department chair and grade level chair add-on points are 3.0 for supervising staff of five or more and 2.0 for supervising staff of one to four.</p> <p>6) Special Club (Category 1) includes approved clubs that either have a STEM focus or prepare students for a special competition but do not require as extensive time commitment and preparation as a Category 2 club. Special Club (Category 2) includes approved clubs that have a special focus, typically in STEM fields, require an extensive time commitment and preparation, and generally culminate in a competition. For example; a teacher teaching 27 hours, plus 2.5 hours of SSR/Advisory per week, over a year will earn 2.0 add-on points, i.e., and additional \$2,000 for the year. MPS does not recommend extra teaching hours other than in extenuating circumstances.</p> <p>9) Payments for any additional duties not described herein (Saturday tutoring, other approved hourly duties, etc.) will be resolved by the school administration and the Home Office via payroll.</p> <p>10) Exceptions: The add-on points for additional duties are for full-time teaching staff and other approved staff on a case-by-case basis. Principals and assistant principals/deans do not earn add-on points for any of the additional duties listed in this table. After-school coordinators do not earn add-on points for after-school coordination if they are already being paid separately for that duty, e.g., through an after-school grant. Computer teachers who also do IT technician duties for less than 50% of their time can earn add-on points for their IT technician duties. If they do IT for 50% or more of their time, they will be regarded as IT Technician for salary calculations.</p> <p>11) Final decision for any add-on points will be made by the school administration and the Home Office.</p>
