| RE: | Approve the MPS Employee Pay Raise Scale for School <br> Leaders |

## Proposed Board Recommendation

I move that the Board approve the MPS Employee Pay Raise Scale for School Leaders.

## Background

## General

MPS has been implementing a board-approved pay raise scale for school leaders (Principals and Assistant Principals/Deans) since the 2014-15 school year. In the initial versions of the policy, salary for school leaders had three major components: base school salary, employee qualifications pay, and employee performance pay. MPS Home Office has met with school leaders and our board numerous times in the past to solicit feedback and refine our pay raise scale to meet the needs of our school leaders within budget. As such, improvements and revisions have been made to the scale in the past as approved by our board. The purpose of this agenda is to recommend the approval of the attached pay raise scale effective July 1, 2018.

## Past Revisions to the Scale

Revisions have been made in the past such as increasing the base school salaries based on school budget, size, and challenge, as well as the cost of living at the school location. Another great addition to the scale, as directed by the board, has been the introduction of performance pay for Effective $(\$ 1,500)$ and Highly Effective $(\$ 2,000)$ principals. As explained in detail in MPS' board-approved employee evaluation protocols, survey and student assessment data as well as supervisor's evaluation of the employee on California Professional Standards for Educational Leaders (CPSEL) are used in school leader evaluations.

A major change to the school leader pay scale was made on May 12, 2016 where a salary band was introduced for dean and principal salaries. Introducing the band assured that our school leader salaries did not go below the following minimum salary amounts.

| Position | Minimum Salary | Median Salary | Max |
| :--- | :--- | :--- | :--- |
| Dean | $\$ 70,000$ | $\$ 82,000$ | $\$ 94,000$ |
| Principal | $\$ 90,000$ | $\$ 102,000$ | $\$ 114,000$ |

The past and current salary scales did not distinguish school leaders' prior experience whether it was for a principal position, AP/Dean position, or other related field work experience. It also did not include school enrollment as a factor in salary calculations. Moreover, feedback from our stakeholders tells us to introduce an effective evaluation system and performance based pay.

## Proposed Revisions

After meetings with the personnel committee, principals, deans, c-team, HR, and other stakeholders, we propose the attached pay raise scale for school leaders. Following are some highlights from the document.

1) The following salary bands will be applied to school leader positions:

| Assistant Principal/Dean | Minimum: $\$ 70,000$ | Maximum: $\$ 100,000$ |
| :--- | :---: | :--- |
| Principal | Minimum: $\$ 90,000$ | Maximum: $\$ 130,000$ |

If the pay raise calculations for a school leader result in an amount either below the band minimum or above the band maximum, the minimum or the maximum amounts will be applied respectively.
2) Qualifications pay will differentiate principal experience from AP/dean experience and other field related experience. The prior experience (other) and MPS experience (other) has been set at $\$ 750$ and $\$ 1,015$ to be consistent with the pay raise scale for teachers. AP/Dean and Principal experience coefficients are introduced to appreciate school leadership experience.

| Field \# | Qualification | Coefficient | Points | Max |
| :--- | :--- | :--- | :--- | :--- |

| 4 | Prior Experience (Other) | $\$ 750$ | 1 for each year up to 15 | 15 |
| :--- | :--- | :--- | :--- | :--- |
| 5 | Prior Experience (AP/Dean) | $\$ 1,125$ | 1 for each year up to 15 | 15 |

| 6 | Prior Experience (Principal) | $\$ 1,350$ | 1 for each year up to 15 | 15 |
| :--- | :--- | :--- | :--- | :--- |
| 7 | MPS Experience (Other) | $\$ 1,015$ | 1 for each year up to a total* of 25 rs | 25 |
| 8 | MPS Experience (AP/Dean) | $\$ 1,250$ | 1 for each year up to a total* of 25 | 25 |
| 9 | MPS Experience (Principal) | $\$ 1,500$ | 1 for each year up to a total* of 25 | 25 |

3) Position points for assistant principals and deans have been set as 15 ; no differentiation is made among different types of deans. Position points for principals is now based on both the grade span and enrollment of the school:

## Position Points

| Principal | School Enrollment: |  |  |  |
| :--- | :---: | :---: | :---: | :---: |
| Grade Span: | $0-199$ | $200-399$ | $400-599$ | $600+$ |
| K-5 or 6-8 | 25 | 30 | 35 | 40 |
| K-8, 9-12 or 6-12 | 30 | 35 | 40 | 45 |
| K-12 | 35 | 40 | 45 | 50 |

4) MPS Experience was capped at 15 years. This is causing an inconvenience for school leaders who have started their career at MPS. Their experience is capped at 15 years for life per the scale while a school leader who has prior experience can earn up to 10 prior $+15 \mathrm{MPS}=25$ experience years.

As proposed in the leadership scale, we are proposing to increase the total number of years to be capped at 25 . Sample language is as follows:

| Experience |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Lower Priority |  |  |  |  | Higher Priority |
| Prior Experience (Other) | Prior Experience (AP/Dean) | Prior Experience (Principal) | MPS Experience (Other) | MPS Experience (AP/Dean) | MPS Experience (Principal) |
| Prior experience capped at 15 years |  |  | Total experience* capped at 25 years |  |  |

* Total experience, i.e., the sum of prior experience and MPS experience will be capped at 25 years. For total experience that is more than 25 years, MPS experience will be considered before prior experience and experience with
higher coefficients will be prioritized. See the table above for experience in priority order to be counted towards the 25 years.

Based on feedback from our stakeholders, the Home Office considered three different scenarios for the base school salary and performance pay amounts.

## SCENARIO A:

- All base school salaries will be set at $\$ 46,100$.
- Performance pay will be increased from $\$ 2,000$ to $\$ 5,000$ for Highly Effective school leaders and $\$ 1,500$ to $\$ 3,000$ for Effective school leaders.

## SCENARIO B: (more conservative scenario)

- All base school salaries will remain the same.
- Performance pay will be increased from $\$ 2,000$ to $\$ 4,000$ for Highly Effective school leaders and $\$ 1,500$ to $\$ 2,000$ for Effective school leaders.

## SCENARIO C:

- All base school salaries will be set at $\$ 46,600$.
- Performance pay will be increased from $\$ 2,000$ to $\$ 4,000$ for Highly Effective school leaders and $\$ 1,500$ to $\$ 2,000$ for Effective school leaders.

Scenarios A, B, and C have been analyzed below under Budget Implications. After input from our stakeholders and careful thought, Scenario C has been recommended by the Home Office to the Personnel Committee and approved by the Committee for a recommendation to the full board at their meeting on February 22, 2018.

## Comparison Study

The attached document "Los Angeles Principal Salary Data" shows that the median annual School Principal salary in Los Angeles, CA is $\$ 114,984$, as of January 30, 2018, with a range usually between $\$ 101,556-\$ 129,340$ not including bonus and benefit information and other factors that impact base pay.

## SCENARIO A:

MPS principal salary will range from about $\$ 93 \mathrm{~K}$ to $\$ 114 \mathrm{~K}$ with a median salary of about $\$ 102 \mathrm{~K}$.

## SCENARIO B:

MPS principal salary will range from about $\$ 92 \mathrm{~K}$ to $\$ 111 \mathrm{~K}$ with a median salary of about $\$ 101 \mathrm{~K}$.

## SCENARIO C:

MPS principal salary will range from about $\$ 94 \mathrm{~K}$ to $\$ 113 \mathrm{~K}$ with a median salary of about $\$ 101$, 655.

## Budget Implications

The attached Budget Impact document includes an estimate of increases in total school leader salaries per site as well as average increase in school leader salaries. Following is the estimated increase in average school leader salaries per site if the scale is approved:

## SCENARIO A:

- All base school salaries will be set at $\$ 46,100$.
- Performance pay will be increased from $\$ 2,000$ to $\$ 5,000$ for Highly Effective school leaders and $\$ 1,500$ to $\$ 3,000$ for Effective school leaders.

In SCENARIO A, we estimate the average school leader salary to change from \$81,202 to $\$ 87,032$, resulting in an increase of $\mathbf{\$ 5 , 8 3 0}$. This is about $\mathbf{7 . 1 8 \%}$ increase in salaries. The factors that cause the increase include $\$ 1,500$ per year principal experience pay for years served at MPS, recognition of prior leadership experience, increase in base school salary, and more importantly the increase in the performance pay. The following table, as copied from the attached Budget Impact document, shows an estimate of the budget impact per site for the increases in school
leader salaries and benefits. MPS total impact of school leader salaries and benefits is estimated to be $\mathbf{\$ 2 3 8 , 5 5 1}$ in this scenario.

## 2018-19 COMPENSATION INCREASE PROPOSAL OVERVIEW <br> PREPARED FOR THE PERSONNEL COMMITTEE MEETING ON FEBRUARY 21, 2018

## OVERVIEW SUMMARY

Staff prepared an analysis of potential school site staff salary increases based on anticipated increased revenues from the state and assuming (for the analysis) no increase in the number of students we serve (because new students also come with new costs). This provided an "apples-to-apples" comparison of current to projected financials.

Assumptions:

- New ongoing revenues of $\$ 2,479,704$ and one time revenues of $\$ 559,508$
- STRS increase from $14.4 \%$ to $16.3 \%$ of salary expense (rising to $19.1 \%$ by 2020-21)
- PERS increase from $15.5 \%$ to $18.1 \%$ of salary expense (rising to $25.0 \%$ by $2020-21$ )
- Health and Welfare increase of up to $10.5 \%$ above 2017-18 rates
- Principal driven expected non-personnel increases in expenses (unique to each school)
- Maintaining CMO fees at current levels (although we are doing a separate analysis of potential CMO fee calculations that would be more closely targeted to school size/needs)

Based on these assumptions, Magnolia as a whole can afford a salary increase for teachers, administrators, and other staff of approximately 5 to $8 \%$ on average, but in some cases as high as $11.67 \%$ in schools with current low base salaries.

## PROPOSED NEW INCREASES

|  | Average <br> $\%$ <br> Salary | Average <br> Increase | Total Cost <br> Including <br> Benefits |
| :--- | ---: | ---: | ---: |
| Teachers | $8.27 \%$ | $\$ 4,685$ | $\$ 999,260$ |
| Administrators | $6.75 \%$ | $\$ 5,481$ | $\$ 224,292$ |
| Other | $5.40 \%$ | Budgeted <br> Pool | $\$ 342,624$ |
| Total Cost of |  |  | $\$ 1,566,576$ |
| Increases |  |  |  |

MPS average teachers' salaries (excluding special duties and performance pay) goes up from $\$ 56,648$ to $\$ 61,333$.

- Raises all base salaries to \$46,600
- Increases non-MPS experience pay from $\$ 500$ to $\$ 750$ per year
- Provides annual lump sum performance bonus of $\$ 2,000$ to $\$ 4,000$ for high performers
- Realigns administrators' compensation to the salary scale
- Creates a pool of $5.4 \%$ to provide increases to other staff
(See David's detailed sheets.)

## OVERALLAFFORDABILITY

Our current projection shows that we will need to find other cuts to make this work, but principals and C -Team leaders are confident we will be successful in prioritizing the wellbeing of our team members and get this done.

# MPS EMPLOYEE PAY RAISE SCALE 

## SCHOOL LEADER POSITIONS

Last Amended: 3/8/18

## SALARY CALCULATIONS

## Components of Employee Pay

| School Level: School Leader Positions |  |  |
| :---: | :---: | :---: |
| 1 | Base School Salary |  |
| 2 | Employee Qualifications Pay |  |
|  | Employee Performance Pay |  |

| Narrative: |
| :--- |
| 1) The MPS Board of Directors will closely work with the Home Office to review and update this employee pay raise |
| scale and approve it at one of its meetings prior to the fiscal year to which it applies. |
| 2) This Board-approved pay raise scale will be in effect as of July 1, 2018 and until the next Board approval of an |
| updated scale. MPS reserves the right to modify this pay raise scale, as well as any policies affecting employee |
| compensation, including but not limited to maintaining any pay raise scale at all. |
| 3) This policy replaces and overrides any previous pay/bonus policy. |
| 4) This pay raise scale applies to all full-time school leaders, i.e., principals, APs, and deans. |
| 5) Pay for school leader positions has three major components: base school salary, employee qualifications pay, and |
| employee performance pay. Base school salary and the employee qualifications pay make up the base employee |
| salary. Employee Performance Pay is a variable pay based on employee's performance rating and is not part of the |
| base employee salary. |
| 6) Performance pay is given to existing full-time employees based on their performance in the finished year. Only |
| those full-time employees who have finished the year at MPS and completed at least 9o business days in the finished |
| year will be eligible for performance pay. No performance pay will be given in the case of voluntary or involuntary |
| termination before the end of the school year. Performance pay is NOT part of the employee's base salary and will be |
| paid separately in a one-time lump-sum amount in July immediately following the school year during which the |
| performance was evaluated. (See "Employee Performance" for details.) |
| 7) The following salary bands will be applied to school leader positions: |
| Assistant Principal/Dean Minimum: \$7o,ooo Maximum: \$10o,ooo |

## Principal Minimum: \$90,000 Maximum: \$130,000

If the pay raise calculations for a school leader result in an amount either below the band minimum or above the band maximum, the minimum or the maximum amounts will be applied respectively.
8) Employees will be able to update their degree or credential during the new work year, and these updated qualifications will be used in prorated salary calculations as of the date of submission.
9) MPS would like to pay the semi-monthly salaries in whole dollar amounts; therefore, any semi-monthly salary that is not in whole dollar amount will be rounded up to the next whole dollar amount and the annual pay amount will be adjusted accordingly.
10) Retroactive salary increases are not permitted.
11) For employment-based visa holders, proposed salary based on scale cannot be under the prevailing wages as determined by the DOL.
12) A one-time signing bonus may be provided to new employees for hard-to-fill positions upon approval by the CEO on a case by case basis. Also, the pay raise scale limitations may be waived in unique situations with approval from the CEO that the waiver is financially sound, academically necessary, and consistent with MPS' commitment to equal opportunities for all staff without regard to race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), national origin, age (40 or older), disability or genetic information, and all other bases as described by the EEOC. (See the Employee Handbook for details.)
13) Whether identified or not in this scale, the Home Office will make the final determination regarding salary calculations for any employee at any position and has the authority to make any revisions based on changing budget conditions.

## Narrative:

1) The Base School Salary for each school is determined based on the specific school budget, size, and challenge, as well as the cost of living at the school location.
2) Based on the above parameters, the Board may adjust the Base School Salaries each year.

## Narrative:

1) Position: See the table above for points for each position. Principal's position points will be based on the grade span of the school for the new work year and the school enrollment based on the P-2 report of the current year. Based on Census Day data of the new work year, i.e., first Wednesday of October, if an increase in enrollment requires an adjustment to the position points, updated position points will be used in prorated salary calculations as of November. Final decision will be made by the Home Office for extenuating circumstances.
2) Degree: 1 point for master's degree; 3 points for doctoral degree. Points are not added; the highest degree will be considered.
3) Credential: 1 point for California Preliminary Administrative Services Credential; 2 points for California Clear Administrative Services Credential. Points are not added.
4) Prior Experience: Cap of 15 years will be applied for prior full-time, full-year school leader, teaching, and other related field work experience. See the table above for coefficients. For prior experience that is more than 15 years, experience with higher coefficients will be prioritized, i.e., principal experience will be considered first, followed by $\mathrm{AP} /$ Dean experience and other related field work experience. Student teaching as part of the credentialing program does not count for experience. Employees need to verify their prior employment. Final decision will be made by the Home Office.
5) MPS experience is valued more than prior experience; both full and partial MPS years will be added and the sum will be rounded to the lower multiple of one-half.

* Total experience, i.e., the sum of prior experience and MPS experience will be capped at 25 years. For total experience that is more than 25 years, MPS experience will be considered before prior experience and experience with higher coefficients will be prioritized. See the table above for experience in priority order to be counted towards the 25 years.

## 3) EMPLOYEE PERFORMANCE PAY

| Available Performance Pay |  |  |
| :--- | :--- | :--- |
| School Leader Positions | $\$ 4,000$ |  |

| End-of-Year Overall Evaluation Ratings |  |
| :--- | :---: |
| Rating | Earns \% of Available Performance Pay |
| 4: Highly Effective (HE) | $100 \%$ |
| 3: Effective (E) | $50 \%$ |
| 2: Developing (D) | $\mathrm{N} / \mathrm{A}$ |
| 1: Ineffective (I) | $\mathrm{N} / \mathrm{A}$ |

## Narrative:

1) The Home Office will develop a performance evaluation system where employees will earn annual performance points out of 100 .
2) Employees who receive a "4: Highly Effective (HE)" rating on their end-of-year overall evaluation will earn $100 \%$ of the available performance pay and those who receive a " 3 : Effective (E)" rating will earn $50 \%$ of the available performance pay.
3) Available performance pay will be a maximum of $\$ 4,000$ for school leader positions.
4) Performance pay is given to existing full-time employees based on their performance in the finished year. Only those full-time employees who have finished the year at MPS and completed at least 90 business days in the finished year will be eligible for performance pay. No performance pay will be given in the case of voluntary or involuntary termination before the end of the school year. Performance pay is NOT part of the employee's base salary and will be paid separately in a one-time lump-sum amount in July immediately following the school year during which the performance was evaluated. (See "Employee Performance" for details.)
5) MPS believes in use of data in determining employee performance. As explained in detail in MPS' board-approved employee evaluation protocols, survey and student assessment data as well as supervisor's evaluation of the employee on California Professional Standards for Educational Leaders (CPSEL) are used in school leader evaluations.
