SchoolMint

Additionally, as of July 1, 2018, we have launched the more effective and efficient electronic online and mobile student enrollment platform SchoolMint. These platforms will significantly streamline the manner in which Magnolia monitors and supports schools in reaching or exceeding their enrollment numbers.

Parent and Community Engagement (PACE) - Street Team Enrollment Campaigns

The Parent and Community Engagement (PACE) program coordinators from various MSA's as part of the Outreach & Communications Department (OCD) are working directly with MSA schools who have not met their enrollment targets for the 18-19' school year. We are utilizing heat maps from SchoolMint to identify neighborhoods around our MSAs to target and canvas with printed door hangers. Thus far, we have canvased on foot for MSAs 1, 2, 4, 5, 7, Santa Ana, and San Diego.
