II. Discussion Item

A. Glows, Grows and Next Steps

This was the first Academic Committee Meeting for the 2017-2018 Academic school year.

The Academic Team wanted to update the committee members of our department goals, key areas of focus, and grows for the current school year. K. Jackson, the Chief Academic Officer, summarized the glows of our 2016-2017 SBAC data for our schools, partnerships that we created thus far, and grows that needed to be addressed for the year. Our most recent 'big win' was MSA-4 getting renewed by LAUSD. Each member of the Academic team reported out on their goals, outcomes and what they accomplished so far. V. Marzouk, Director of Student Services, did not report out during this time because she had a separate agenda item that gave her the opportunity to go more in depth of what she was doing during the school year.

B. Special Education/ Student Services

V. Marzouk, Director of Student Services, reported out on her glows, grows and next steps for Special Education and Student Services. She discussed what models and systems she wanted to implement in the upcoming school year to meet the demands of the increase in special education students and those requiring behavior and academic interventions.

C. School Wellness Plan

D. Yilmaz, Chief Accountability Officer, announced the new School Wellness Policy that will be brought to the full board for approval. He communicated that each local educational agency that participates in the National School Lunch Program or other Federal Child Nutrition programs are required by law to establish a local school wellness policy for all schools under its jurisdiction. He mentioned how the policy was developed and modeled from. The policy outlines the approach to ensuring environments and opportunities for all students to practice healthy eating and physical activity behaviors throughout the school day while minimizing commercial distractions.

D. Illuminate Transition Plan (School Information System)

D. Yilmaz, Chief Accountability Officer, updated the committee members on the progress of the Illuminate transition. He mentioned that I. Ozkay, Data Manager and SIS Coordinator, will oversee the transition plan.

E. Discussion of Volunteer Policy

D.Yilmaz, Chief Accountability Officer, discussed the conditions for classroom and school volunteer, visitation, shadowing and removal policy. It was also mentioned that this would be brought to the full board in December and this was a recommendation for approval and worked with Legal when creating this policy. The policy went over the two types of volunteers, commitment, and procedures as well as guidelines that are included in our student/ parent handbook.
