The new master agreement includes changed rates and newly available services from the provider. Mr. Serce discussed the

challenges or trying to find an in-house part-time psych for the school. It is a better option to go with this company than any other.

III. Discussion Items

A. Academic Department Updates

E. Acar, Chief Academic Officer, briefly summarized the data from last year and went over the first few slides on the attached powerpoint. He did not discuss the data in detail because it was still embargoed at the time. He reviewed the vacant positions at each school, new academic team staff and who they report to, and program updates. It was explained at the beginning of the meeting that we had a hard stop at 8 pm and did not have enough time to finish the powerpoint that was provided. The committee suggested having another meeting within the next month to further discuss the agenda items that other members of the team were not able to present.
