P. Ontiveros, MPS General Counsel and Director of Facilities, elaborated on the updates that had been made to the change order report since the last committee meeting took place. He went over the deadlines and need to open the school on time in order to not affect student enrollment and how these needs affected the change orders. Oltmans Construction company and Franco Architect staff were present in the meeting as had been requested by committee members. Committee Members had an opportunity to ask questions to both organizations involved. The questions varied from the inspector's role in the project to time constraints throughout the project.

Oltmans explained that due to the rush in completing the project, they had taken on some of the costs that should have been billed to Magnolia. This item was discussed in depth with all parties present in the meeting.

H. Beliak made a motion to recommend the approval of the change order requests 37 to 54 up to \$176,614.96 as presented by Oltmans Construction Co ("Oltmans") for the new construction project for the benefit of MSA-1 at 18220 Sherman Way (the "Project") with the payment amount to be confirmed by MPS Staff based on a review of all change order requests and back-up and that the Committee further recommend approval of the change order requests by the full Board of Directors of MPS.
