A. Rubalcava, CEO & Superintendent discussed the significance of the ratings received in Governance and Organizational Management which in both areas received high scores for all four schools. Schools that varied in scores and improvement was discussed. E. Acar, MPS Chief Academic Officer, discussed the Student Achievement area. S. Orazov, Chief Financial Officer, discussed the Fiscal Operations area of the report. Details surrounding the reason for the score was discussed, and context was provided to the Board regarding the submissions of the unaudited financials and the actions that were made that triggered the significant deficiency notations in the unaudited financials. An action plan was put together to take and practice from preventing this to happen in the future and would be provided to LAUSD. The action plan will be taken for Board approval in the next item of the agenda. S. Gustafsson, managing partner from EdBaily and MPS staff clarified all Board questions.

#### B. Approval of Magnolia Public Schools Revised Assessment Plans

E. Acar, MPS Chief Academic Officer, presented to the Board the revised assessment plans following the guidance and correspondences from The State Board of Education (SBE), The U.S. Department of Education (ED) and the California Department of

Education (CDE). ED indicated to the state that no federal waiver request for assessment was necessary because California is administering all of its required assessments and all school districts will be required to administer the statewide summative assessments except in any instances where the State concludes it is not viable to administer because of the pandemic. The CDE provided guidance for the 2021 Spring Summative Assessment Administration and its flexibility guidelines and with that given information, Magnolia Public Schools (MPS) received input from multiple stakeholders and school staff to make revisions on the Assessment Plan. MPS staff determined that it is not viable to administer the SBACs for the reasons following CDE considerations.

Recommendations from MPS staff includes; administering NWEA MAP Assessments as local assessments in lieu of SBAC in grades 3-8; not administering California Science Tests (CAST); administering CAASPP for grade 11 for CSU Early Assessment Programs (EAP) and finish ELPAC submissions. Principals spoke about their grading process and why it was not viable considering their schools circumstances. All questions from the Board were answered by the staff and principals who spoke.

S. Dikbas made a motion to approve the revised assessment plans for all schools.

M. Muhammedov seconded the motion.

The board **VOTED** to approve the motion.

#### **C. Approval of COVID-19 Testing through PMH Laboratory, Inc. For Co-located Sites (MSA 2, MSA 3, MSA 4, MSA 5, MSA 8)**

D. Hajmeirza, MPS Director of Human Resources presented to the Board the COVID-19 partnership with PMH Laboratory, Inc. for co-located sites. On March 2021, MSA-2,3,4,5 & 8 entered into an agreement with LAUSD Testing and Community Engagement Program Agreement for baseline and regular weekly COVID-19 testing for the 2020-21 and 2021-2022 school year for which the Board had approved. In order for Magnolia Public Schools (MPS) to better serve students, families and staff, MPS wants to add an additional testing vendor when needed. Input from school sites who have used PMH Laboratory, Inc. services was given with an overall approval of ease and effectiveness to ensure testing in a quick manner. LAUSD remains as MPS testing vendor and this is just an additional vendor to utilize. Due to some systematic struggles, this action was taken and was deemed acceptable to add an additional testing vendor. Schools are still required to provide information to LAUSD as required by the district. All questions from the Board were addressed by staff and Principals.

D. Gonzalez made a motion to approve partnership with PMH Laboratory, Inc (“PMH”) of baseline, regular, symptomatic, and response testing for Magnolia Science Academy 2, 3, 4, 5, and 8 for the remainder of 2020-21 fiscal year.

M. Muhammedov seconded the motion.
