II. Recommended Action Items

A. Approval of the Authorization to Purchase Six Classroom Bungalows for MSA-1

M.Sahin, Facilities Project Manager, presented to the Committee the purchase of six bungalows for Magnolia Science Academy(MSA)-1 middle school parking lot site. He went over the proposals that were received and the reasoning behind moving forward with Mobile Modular as the best company to provide this service. A.Rubalcava, CEO & Superintendent, provided further context that the installation of the six bungalows would prove more space to MSA-1 since MSA-5 moved to MSA-1 location which eliminated available space for MSA-1 to function. The objective is to create more space to allow a stronger focus on individualized attention and with the money received from the Expanded Learning Opportunities Grant, which is to invest in more academic programs, the space is needed which the bungalow spaces would provide. He also added that the team would work closely with authorizer, Los Angeles County Office of Education and ensure that they are informed and have their facilities team review the project.

P.Ontiveros, General Counsel & Director of Facilities, added that they are in the process of getting permits from the City of Los Angeles and will continue to work closely with the consultants and city officials. Staff addressed Committee Members questions.

S.Budhraj, Chief Financial Officer, clarified finance related questions to the Committee Members.

M. Muhammedov made a motion to (1) approve the selection of Mobile Modular to provide six (6) bungalows for installation at the Magnolia Science Academy—1 (“MSA-1”) middle school parking lot site (Exhibit A- Site Plan) (the “Project”) in order to provide more space until Magnolia Science Academy-5 (“MSA-5”) moves from MSA-1 to their own campus and to spend up to \$400,000 on the Project and (2) approves the execution of a contract that Staff may negotiate with such vendor for the Project, and (3) recommends and moves that the Board of Directors of MPS approve the same.

B. Approval of the Authorization of Sale of Strip of Land to the City of Los Angeles

P.Ontiveros, General Counsel & Director of Facilities, presented the current update regarding the sale of strip of land to the City of Los Angeles and the Committee's recommended approval to move forward. He provided background of what has already occurred regarding negotiations with the City and added that a reappraisal was conducted to assess the value of the land. Both the City of Los Angeles Recreation and Parks Department and Magnolia reached a fair and reasonable price of \$1,266,000. He addressed the typo on the motion that it is in fact \$1,266,000 and not \$1,265,000.

A.Rubalcava, CEO & Superintendent, added that the expectation is to work with the City

and provide exclusive access to the rink for Magnolia students during school hours and having the goal to use that space for practice with the idea that it can lead to students practicing competitively as a possible sport. P.Ontiveros, further added that they are currently speaking with the City regarding a Use Agreement to use the facility during school hours. The City has indicated in a letter that they were open and to negotiate in good faith. Staff addressed Committee Members questions.

M. Muhammedov made a motion to amend the existing motion and (1) subject to Staff obtaining all approvals needed to consummate such sale, approve the sale of a 25 foot wide strip of land on the east side of Magnolia Science Academy—1's high school parking lot parcels (see Exhibit A) to the City of Los Angeles for no less than \$1,266,000 and the amendment of MSA—1's lease for the premises with MPM Sherman Way LLC to reflect the sale of the strip of land (2) approve the negotiation by the MPS CEO, or his designee, with the City of Los Angeles of such terms and conditions as he shall deem in the best interests of MPS and MSA—1 in order to consummate such transaction (3) approve the execution by the MPS CEO and Superintendent, or his designees, of such documents and instruments as may be necessary to undertake and complete the foregoing actions, and (4) recommend approval of the same to the Board.
