E. Public Comments

Staff members at Sunny Brae Elementary School came before the Board to express their concerns of accommodating rooms that stem from MPS' request of utilizing classrooms on their campus. They shared the current usage of those classrooms to serve their current student population.

G.Serce, Regional Director & Principal at MSA-San Diego, shared that they hosted their first Community Resource Fair providing food and other resources to the Community. He also shared that with the grant received from Schools In Action, they were able to meet their fundraising goal to have shade structures at their school and to build a community hub.

B.Olandes, Director of Advancement, shared that MPS was awarded a \$750,000 grant from the California Department of Healthcare Services to develop two regional family

treatment centers in Reseda and Santa Ana to provide support to Magnolia families. He reported that more development are to follow and this grant was in collaboration with the Academic Department.

F. Announcements

U.Yapanel, Board Member, announced that Board Members visited multiple school sites. He reported that the visits went well and they were able to meet and speak to staff and thanked the staff at the school sites for their continued work for the students. He did an interactive activity with students in a couple of classrooms. S.Covarrubias, Vice-Chair, echoed that Board Members greatly benefit from visiting school sites.

M.De La Rosa, Student Board Member, announced that MSA-5 will be hosting an event on February 6th which will involve student lead booths. She invited all to attend and to support. She also shared that she has been working alongside J.Hernandez, Director of Student Services, to create a forum to connect with other student leaders from other MPS school sites to share promising practices and discuss ways to improve the student experience. Date of the forum will be announced soon and added that at future Board Meetings she will update the Board.

D.Yilmaz, Chief Accountability Officer, shared with the Board that MPS is in the process of submitting the official data to the state. He added the importance to track demographic data and to present to the Board and public to show trends and any academic and financial implications.

L. Woods, Director of School Office Data and Accountability, presented the detailed data to the Board from all MPS schools sites. She went over multiple data sets which include; CALPADS Fall 1 Data, enrollment including census day enrollment trends from this year to previous years, enrollment by ethnicity, enrollment by gender, EL student rates, EL students with disability rates, free/reduced meals rates, unduplicated pupil counts, GATE student rates, foster youth rates and counts, students with disabilities, homeless student rates and immigrant student rates for each school site and as a collective whole. All of the Board Members questions were addressed by staff.

B. Glows, Grows & Priorities Presentation

M.Avsar, Principal at MSA-4, and E.Veloz, Assistant Principal at MSA-4, presented their updated Glows, Grows & Priorities presentation for 2023-24 as an update of progress to the Board. They went over their Glows which includes several aspects. A few include; reaching their enrollment goal as of census day 2023, growth in SBAC scores in ELA, growth in NWEA MAP in math and ELA, and academic supports and interventions for their students. For their Grows a few they presented to need improvement include; enrollment, academic rigor, teacher retention, SBAC proficiency levels, ADA improvement, high school student retention, improved middle school program, character education and after-school club student participation. As for their priorities as a school, they presented that they are focused on enhancing student outcomes on SBAC, enrollment and community engagement, school climate and culture and successful WASC and school renewal preparation. Board Members asked questions regarding what was presented and next steps on some of the items.

IV. Action Items

A. Approval of 2022-23 Annual Audit Report for all Magnolia Science Academy Schools and the Home Office

Previously presented at the Audit & Facilities Committee Meeting which the Committee did recommend for their recommended approval. M.Muhammedov, Chair, reported for what was discussed at the Committee Meeting. S.Budhraj, Chief Financial Officer, detailed the auditor's report. He went over the data and financial information for all school

sites and the Home Office. He reported that there were no adjustments to the unaudited actual financial report. He also reported that there was an issue with attendance data being off for two school sites which he said there was no costs associated, but once identified, it lead to MPS strengthening their process and a corrective action plan to be placed. E.Acar, Chief Academic Officer, went over the issue of reporting and filing. A.Milteer, ELOP Coordinator, was involved to reach out to the CDE to file a report to rectify the situation so it would not affect the ASSES grant. Staff came together with the school sites to develop trackers for reporting and are monitoring it monthly. Moving forward they will be reviewing the reports submitted. Also, with the Committee, it was also asked to have trainings for all school sites. Jonathan Clement from Eide Bailly added additional context to the report. Board Members questions and next steps were addressed by staff.
