### **Approval of MPS Students Policy on the Education of Students Experiencing Homelessness**

J. Hernandez, reported that the policy ensures all children, youth and unaccompanied minors experiencing homelessness within MPS have equal access to educational opportunities. He stated that it aims to remove barriers to education that the students may face by providing them essential resources and tailoring support systems to meet their unique needs. He pointed out the term "students experiencing homelessness" which emphasizes homelessness as a temporary condition rather than an identified trait. He reported that this framing acknowledges the student as facing a challenge rather than defining them. He also reported that there are guidelines and protocols including ensuring that the homeless liaisons are constantly trained and provide school staff with appropriate training and resources, as well as graduation flexibility. Board Members questions were addressed by staff.

D. Gonzalez made a motion to approve the MPS Students Policy on the Education of Students Experiencing Homelessness, to be effective immediately.

**J. Approval of Expenditures Related to the Investigation of the Property at 18120 Sherman Way for Purposes of Considering a Long Term Lease**

P. Ontiveros, General Counsel & Director of Facilities, reported that staff was looking at property at 18120 Sherman Way as a possible long term lease which would facilitate the expansion of MSA-1 or MSA-7. He reported that they have already signed a letter of intent and will be moving forward with due diligence. Berliner Architects prepared conceptual site and floor plans and staff would review it it would fit the needs of MPS which is attached as an exhibit to the report. He reported that the space would still require improvements. Continuance of due diligence will still be underway including doing an asbestos and lead paint based survey and doing a survey to understand the boundaries of the property. Board Members questions were addressed by staff including the development of a budget for the property.

M. Muhammedov made a motion to approve MPS to undertake all due diligence investigations for the potential lease of the facility located at 18120 Sherman Way (the "Property"), which is currently occupied by Bank of America, for an amount not to exceed Seventy-Five Thousand Dollars (\$75,000). **K. Approval of DLR Add Service Proposals for MSA-5 7111 Winnetka Ave Construction Project**

P. Ontiveros, general Counsel & Director of Facilities, reported that the add service requests are by DLR Group which is the architect of record for the 7111 Winnetka Ave project. He reported that the add service proposals come because of the switch from on-site construction to a factory built modular construction in order to save costs. He reported that originally the DLR agreement was the on-site construction, so the add services were a direct result from switching to a modular. He went over the service requests. Board Members questions were addressed by staff.

M. Muhammedov made a motion to approve the add service requests from DLR Group in the total amount of Three Hundred Thirty Nine Thousand Eighty Dollars (\$339,080) for

the MSA-5 – 7111 Winnetka Modular Construction Project (the “Project”) related to the switch from conventional on-site construction to modular in-factory fabrication and on-site installation. **A. MPS Progress towards CDE Significant Disproportionality Compliance**

E. Acar, Chief Academic Officer, provided background as to the work of the Special Education team lead by A. Callaham, Director of Special Education & Support Services.

D. Doyle, CDE Technical Assistance Facilitator, presented the progress made by MSA-1, 2 and 5 towards their progress on Disproportionality Compliance. He reported that MSA-5 has successfully met the CDE requirement for no longer being in Significant Disproportionality this past 2023-24 school year. In addition he reported that MSA-2 were found to be out of danger of becoming Significantly Disproportionate. He also reported that MSA-1 and MSA-5 have developed and implement plans to address the disproportionality in which the schools provide the state with quarterly reports and amend

the plans annually to reduce the disproportionate number of students who are over-identified. Board Members thanked staff and D. Doyle for the update.
