The received reports includes Governance and Instructional Review. A. Rubalcava, CEO & Superintendent, reported on the Governance section and feedback received from LACOE. G. Serce, Chief Academic Officer, reported on the Instructional

section and highlighted components for each school site. Board Members questions were addressed by staff.

B. Updates on Facilities Projects

P. Ontiveros, General Counsel & Director of Facilities, projected photos of the Magnolia Science Academy (MSA)-1 gym building project at 18242 Sherman Way. He provided updates and B. Plonka, Principal at MSA-1, reported on a recent sports game at their gym. He also provided updates for the MSA-5 project at 7111 Winnetka Ave., MSA-Santa Ana digital sign and MSA-San Diego Measure U Bond Charter Allocation. Board Members questions were addressed by staff.

C. Census Enrollment 2024-25 Outcomes & Update

F. Adame, Senior Director of Growth and Expansion, reported on the enrollment so far. She reported that MPS is serving eighty (80) more students than last year. She added that though they are short on their intended growth number, staff such as the Community Schools Coordinators and school leaders are working to increase MPS presence in the community. She reported that the numbers project what was collected on census day on October 2nd. She provided an enrollment breakdown for each school including fiscal impacts. Board Members questions were addressed by staff.

D. Comprehensive Diversity and Demographic Analysis: Organizational Workforce and Turnover Insights

F. Del Carpio, Chief People Officer, introduced the comprehensive diversity and demographic analysis which highlights the organization's workforce and turnover insights. She added this would be the first time introducing a detailed demographic and staffing data to the Board and the organization. She also stated that the data will serve as a foundational benchmark for analyzing trends in diversity, equity and inclusion (DEI) over time and to help with recruitment and retention efforts. She presented data encompassing: ethnic breakdown, gender representation, age distribution, and retention trends. Board Members questions were addressed by staff.

V. Action Items

A. Approval of Clarification to the 2024-25 MPS Board Officers

A. Rubalcava, CEO & Superintendent, stated that per the Los Angeles County Office of Education (LACOE) reports, it was a recommendation to explicitly state a Treasurer as part of the Board Officers. Per the MPS Bylaws, the Chief Financial Officer is the Treasurer. The approval would be to include the Treasurer as part of the Board's approval as the selection of the Treasurer was not previously included in the report when the Board approved the Board Officers back in June 17, 2024.

D. Gonzalez made a motion to approve the appointment of Dr. Steve Budhraj to serve as the MPS Board Treasurer effective immediately. In addition to keeping the other

appointments the same with Mr. Mekan Muhammedov as MPS Board Chair, Ms. Sandra Covarrubias as MPS Board Vice Chair, and Ms. Jennifer Lara as MPS Board Secretary. M. Muhammedov seconded the motion.

F. Del Carpio, Chief People Officer, reported on the introduction on a shared social worker position between Magnolia Science Academy (MSA)-5 and MSA-7 as well as the elimination of a current vacant teaching position and add a teacher aid to MSA-5. She reported that the proposed creation of the social worker position would address the growing need for comprehensive student services and would be crucial in conducting assessments for the students unique needs, developing individualized intervention plans and providing counseling and guidance for students facing academic, social or emotional challenges. She added that the social worker would be offering individual, group and family therapy targeted to students of risk. These students may not necessarily have an Individualized Education Plan (IEP) but are at risk for social, behavioral, or emotional difficulties. She further added that the social worker would serve as a link between the school, home and community. Collaborating closely with teachers and school staff to provide mental health consultation. In addition, she reported that MSA-5 currently has a vacant math teacher position. The school proposed to eliminate the position in order to add a teacher aid to focus primarily in math. She added that the teacher aid would be supporting to address student academic needs for those who are struggling. She further added that the vision is for the teacher aid to support the teacher with instruction and small groups or one-on-ones using research based strategies to reinforce foundational skills and help those that need to be caught up to grade level expectations. They would be communicating updates to the parents and staff on the progress on the one-on-ones that they are providing intervention for. Board Members questions were addressed by staff.
