E. Public Comments

G. Serce, Chief Academic Officer, provided a comment in terms to N. Bayraktar, Student Board Member's initiative. He added that the initiative was a Magnolia wide Mental Health Week on the week of January 27th. He reported that with the support of M. Wittek, Director of Student Services, they brought the idea to the Principals which was supported. He added that more details would be shared at the next Board Meeting.

F. Announcements - CEO & Superintendent, Board, Student Board Member

A. Rubalcava, CEO & Superintendent, announced that on January 7th, 2025 multiple fires broke out in the Los Angeles County region. Fires spread dramatically due to the wind conditions in the area and smaller fires broke out which impacted the air quality around the county. Pacific Palisades fire, Eaton fire, Kenneth fire and Sepulveda fire impacted all the Los Angeles county schools particularly the valley and west Los Angeles sites. He added that many families stayed home on January 8th due to the poor air quality, power outages and anticipated evacuation orders. He added that as the condition

worsened, MPS closed sites on January 9th and January 10th in line with guidance from MPS partners. He added that what happened was devastating and thanked everyone who worked collectively to support the entire educational partners. He thanked essential employees, front line employees at the school sites and first responders. Additionally, he added that they would continue to support the community and employees through this difficult time.

Additionally MPS will be submitting a J-13 A form to material decrease for Magnolia Science Academy (MSA)-1, 2, 4, 5, 6 and 7 and a form for closures for MSA-1, 2, 3, 4, 5 and 7. D. Yilmaz, Chief Accountability Officer, added that the Board will sign those documents for submission.

IV. Action Items

A. Approval of MPS School Sponsored Field Trips and Cultural Excursions Policy

M. Wittek, Director of Student Services, stated that the purpose of the policy is to ensure MPS provides opportunities to students to enhance their learning experience by providing opportunities to them to engage with the broader community outside of the school site and be able to bring extracurricular activities to them. She stated that the development stemmed from ensuring there were consistent and clear guidance for all schools to follow regarding field trips. She added that forms and guidance were already in place that met the state requirements and added to the Student/Parent Handbook, but staff determined that a formalized policy was needed. Legal counsel supported in the development. Board Members questions were addressed by staff. The Board requested for staff to continue a review of the policy to also align with the Volunteer Policy and to ensure consistency and clear language. Board will not adopt the policy as is at this time and will revisit at a future Board Meeting.

S. Dikbas made a motion to amend the existing motion and instead to table the item to a later Board Meeting to address the Board's recommendations and feedback.
