Purpose

Presenter

Time

In the past, California schools were required to report on their performance metrics only once a year through the LCAP. However, the updated LCAP requirements now mandate charter schools (defined as Local Educational Agencies, or LEAs) to annually provide an LCAP mid-year update presentation to their board, in an effort to ensure that progress towards the goals is continually monitored and evaluated.

- C.** Approval of 2022-2023 School Accountability Report Card
- Darcy Belleza and
Kulpreet Pummay

California public & nonpublic, nonsectarian schools annually provide information to the community to allow public comparison of schools for student achievement, environment, resources & demographics.

- Darcy Belleza

- The Board will collaborate with the school to increase awareness and build community with school staff, families and public.
