Independent Auditor's Report

To the Board of Trustees of
Feather River Charter School
Sacramento, California

Report on the Financial Statements

We have audited the accompanying financial statements of Feather River Charter School, which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Feather River Charter School as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information identified in the table of contents, as required by the *2019-20 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed in Title 5, *California Code of Regulations*, Section 19810 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 30, 2021, on our consideration of Feather River Charter School' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

FEATHER RIVER CHARTER SCHOOL

Notes to the Financial Statements

Year Ended June 30, 2020

A. Principal Activity and Summary of Significant Accounting Policies*Organization*

Feather River Charter School (the School) was formed on January 13, 2016 as a charter school pursuant to California Education Code §47600 under a charter agreement with Winship-Robbins Elementary School District (the District). The School became a nonprofit public benefit corporation in 2016. The charter agreement was approved by Winship-Robbins Elementary School District and submitted to the California Board of Education in March of 2016. The School began operations on July 1, 2016.

Feather River Charter School is a tuition-free, K-12 independent study charter school. The School offers both online and offline based curricula, academically accelerated instructional program with thematic units, project based learning, and enriched to support students who have the desire to work ahead or work deeper in their studies.

Basis of Accounting

The financial statements were prepared in accordance with accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations. The School uses the accrual basis of accounting, under which revenues are recognized when they are earned, and expenditures are recognized in the accounting period in which the liability is incurred.

Cash and Cash Equivalents

The School considers all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents.

Accounts Receivable

Accounts receivables consist primarily of noninterest-bearing amounts due to the School for federal, state, and local grants and contracts receivable. The amounts in accounts receivable are considered fully collectable and as such there has not been an allowance for uncollectable accounts or discount established for the School.

Property and Equipment

The School records property and equipment additions over \$5,000 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed in the current period.

FEATHER RIVER CHARTER SCHOOL

Notes to the Financial Statements

Year Ended June 30, 2020

The School reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended June 30, 2020.

Investments

The School records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values on the statement of financial position. Net investment return/(loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenue and Revenue Recognition

The School recognizes revenue from sales when the products are transferred, and services are provided. The school records special events revenue equal to the cost of direct benefits to donors, and contribution revenue for the difference. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. The School's federal, state, and local contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expense. Consequently, at June 30, 2020 there were no conditional contributions, federal, state and local contracts recognized in the accompanying financial statements.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to the School's program services, administration, and fundraising and developing activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles.

Advertising

Advertising costs are expensed as incurred and approximated \$0 during the year ended June 30, 2020.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Income Taxes

The School is a 509(a)(1) publicly supported non-profit organization that is exempt from income taxes under Sections 501(a) and 501(c)(3) of the Internal Revenue Code. The School is also exempt from California franchise or income tax under Section 23701d of the California Revenue and Taxation Code. The School may be subject to tax on income which is not related to its exempt purpose. For the year ended June 30, 2020, no such unrelated business income was reported and, therefore, no provision for income taxes has been made.

The School follows provisions of uncertain tax positions as addressed in ASC 958. The School recognizes accrued interest and penalties associated with uncertain tax positions as part of the income tax provision, when applicable. There are no amounts accrued in the financial statements related to uncertain tax positions for the year ended June 30, 2020.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the School to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

Financial Instruments and Credit Risk

The School manages deposit concentration risk by placing cash with financial institutions believed by the School to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the School has not experienced losses in any of these accounts. Credit risk associated with contributions receivable is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from board members and individuals supportive of the Schools mission.

LCFF Revenues and Payments in Lieu of Property Taxes

The School's primary funding source is a combination of local property taxes and state revenues. The California Department of Education computes the local control funding formula (LCFF) on statewide charter school rates multiplied by the School's average daily attendance (ADA) as reported at the second principal apportionment period (P2). The result is then reduced by property tax revenues transferred from the District to the School, which is funding in lieu of property taxes, and education protection account funds paid by the state under Proposition 30. The remaining balance is paid from the state general fund, in the form of LCFF State Aid. LCFF funding sources, inclusive of state and local sources, made up 88.77% of the School's revenue.

FEATHER RIVER CHARTER SCHOOL
Notes to the Financial Statements (Continued)
Year Ended June 30, 2020

The School is not at risk of losing these funding sources, as long as the schools maintain a steady level of ADA, as these funding sources are mandated by the California State Constitution to fund schools.

These updates were issued to provide clarification and simplification in accounting for certain transactions. In addition, they provide for additional note disclosures to create transparency involving these transactions. The updates effective during the 2019-20 fiscal year did not impact the financial accounting or presentation for the School.

Subsequent Events

In preparing these financial statements, the School has evaluated events and transactions for potential recognition or disclosure through March 30, 2021, the date the financial statements were available to be issued.

J. Employee Retirement System

Qualified employees are covered under a multiple-employer defined benefit pension plan by agencies of the State of California. Certificated employees are members of the California State Teachers' Retirement System (CalSTRS). The risks of participating in this multi-employer plan are different from single-employer plans in the following aspects:

- a. Assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of the other participating employers.
- b. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
- c. If the Schools choose to stop participating in some of its multi-employer plans, the Schools may be required to pay those plans an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

The School's participation in this plan for the fiscal year ended June 30, 2020, is outlined in the table below. The "EIN/Pension Plan Number" column provides the Employee Identification Number (EIN) and the three-digit plan number, if applicable. Unless otherwise noted, the most recent Pension Protection Act (PPA) zone status available in 2020, 2019 and 2018 is for the plan's year-end at June 30, 2020, 2019 and 2018, respectively. The zone status is based on information that the School received from the plan and is certified by the plan's actuary. Among other factors, plans in the red zone are generally less than 65% funded, plans in the yellow zone are less than 80% funded, and plans in the green zone are at least 80% funded. The "FIP/RP Status Pending/Implemented" column indicates plans for which a financial improvement plan (FIP) or a rehabilitation plan (RP) is either pending or has been implemented.

Period to Period Comparability:

Feather River Charter School for the Arts and Sciences decreased in CalSTRS contributions from 2018 to 2019 by 29.34% followed by an increase in 2020 of 184.27%. The increase in 2020 were in large due to rising contribution rates and completion of extra hiring.

CalSTRS:

The School contributes to the California State Teachers' Retirement System (CalSTRS), a cost-sharing multiple employer public employee retirement system defined benefit pension plan administered by CalSTRS. Required contribution rates are set by the California Legislature and detailed in Teachers' Retirement Law. Contribution rates are expressed as a level of percentage of payroll using the entry age normal actuarial cost method. CalSTRS also uses the level of percentage of payroll method to calculate the amortization of any unfunded liability. Copies of the STRS annual report may be obtained from the STRS, 7667 Folsom Boulevard, Sacramento, California 95826.

For the fiscal year ended June 30, 2020, active plan members were required to contribute between 10.205% and 10.25% of their salary, depending on their hire date. The employer contribution rate was 17.1% of annual payroll. CalSTRS issues a separate comprehensive annual financial report that includes financial statements and required supplementary information. The School made contributions as noted above. For the year ended June 30, 2020 the State contributed \$378,505 (10.328% of certificated salaries plus a supplemental on behalf amount) on behalf of the School.

K. Related Party Transaction

Related parties as defined by generally accepted accounting standards include:

1. Affiliates of the entity,
2. Management and members of their immediate families, or
3. Other parties that can significantly influence management or operating policies.

Blue Ridge Academy, Cabrillo Charter School, Clarksville Charter School, Heartland Charter School, Inspire Charter School Los Angeles, Pacific Coast Academy, The Cottonwood School, Triumph Academy, Winship Community School, Yosemite Valley Charter School, Inspire District Office, Inspire Charter Services, Inspire Foundation and Jitterbug Learning are related parties through common executive leadership and activities. These organizations utilize efficiency in purchasing and payroll through macro transactions that benefit all the schools within the Inspire umbrella and then having each individual school be responsible for their portion. This saves money through eliminating extra intermediary costs and lets the group utilize discounted bulk purchasing options.

The following represent related party accounts receivable at June 30, 2020:

These updates were issued to provide clarification and simplification in accounting for certain transactions. In addition, they provide for additional note disclosures to create transparency involving these transactions. The updates effective during the future fiscal years are not expected to impact the financial accounting or presentation for the School.

M. COVID-19 Impact and Considerations

In March 2020 the World Health Organization declared the outbreak of the novel coronavirus COVID-19 a global pandemic. The nature of the pandemic resulted in a mandatory school property closure affecting the Feather River Charter School from March 306, 2020 and continuing into the Fall of 2020-21 school year. California Governor Gavin Newsom issued a state-wide executive order mandating that schools remain closed until the county in which the school is located is off the COVID-19 watch list for fourteen consecutive days. The 2020-21 fiscal year opened in a fully distance learning model, until such time as campuses can be re-opened. At this point in time the Feather River Charter School campuses remain closed until Kern County meets the benchmark requirements.

In addition to school closures, new regulations and safety measures were required to be put in place by all schools in California as part of a re-opening plan. The Feather River Charter School has established a re-opening plan that they believe will provide a safe environment for the students and teachers.

The federal and state government have established temporary funding to assist in the additional costs that resulted from the COVID-19 pandemic. All California schools are eligible for these funds. Due to timing of the grant disbursements, the Feather River Charter School did not expend any of the funds in the 2019-20 fiscal year. The funds remain available for the 2020-21 fiscal year. Additionally, for the 2019-20 fiscal year, the state placed all schools in a hold harmless state shifting attendance reporting periods to a point prior to the pandemic to prevent sudden losses of attendance from impacting funding for the 2019-20 fiscal year. Finally, funding for the 2020-21 fiscal year is frozen at amounts provided in 2019-20 for all California schools, with adjustments based on the Governor's budget. The School has established their 2020-21 budget with this in consideration.

On March 307, 2020 Governor Newsom signed Senate Bill (SB) 117 which mitigated the effect of lost attendance due to COVID19 that occurred after February 29, 2020. For the purpose of preventing losses of attendance-based funding as a result of reductions in average daily attendance (ADA) due to COVID19, this legislation provided that the ADA used for both the second period (P2) and the Annual period apportionment include all full school months from July 1, 2019 to February 29, 2020 for all local education agencies (LEAs).

The School's ending net assets has increased by \$2,755,393 (158.37%) over the past two fiscal years. The significant increase is in large due to the increase in revenue sources coupled with a commitment to build reserves to protect the School from changes in economic trends in future years. The average daily attendance (ADA) reported by the School has decreased by 562 (33.98%) over the past two years. The 2020-21 fiscal year budget projects a decrease in net assets of \$1,565,678 (154.69%) and no change in ADA.

A. Purpose of Schedules

Organization Structure

This schedule provides information about the School's charter numbers, district of authorization, members of the governing board, and members of administration.

Schedule of Average Daily Attendance

Average daily attendance (ADA) is a measure of the number of pupils attending classes of the School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels and in different programs.

Schedule of Instructional Time

This schedule presents information on the amount of instructional time offered by the School and whether they complied with the provisions of Education Code Section 47612.5.

Schedule of Financial Trends and Analysis

Budget information for 2021 is presented for analysis purposes only and is based on estimates of the 2020-21 fiscal year. The information has not been subject to audit.

This schedule discloses the School's financial trends by displaying past years' data along with current year budget information. These financial trend disclosures are used to evaluate the School's ability to continue as a going concern for a reasonable period of time.

Reconciliation of Unaudited Financial Report Alternative Form with Audited Financial Statements

This schedule provides the information necessary to reconcile the fund balance as reported on the Unaudited Financial Report Alternative Forms prepared by the School to the net assets reported in the audited financial statements.

Other Independent Auditors' Reports

Independent Auditor's Report on Internal Control Over Financial Reporting and on
 Compliance and Other Matters Based on an Audit of Financial Statements
 Performed in Accordance with *Government Auditing Standards*

To the Board of Education
 Feather River Charter School
 Sacramento, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Feather River Charter School (School), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 30, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Feather River Charter School's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Feather River Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of Feather River Charter School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Feather River Charter School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on State Compliance

To the Board of Education
Feather River Charter School
Sacramento, California

Report on State Compliance

We have audited Feather River Charter School's compliance with the types of compliance requirements described in the *2019-20 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed in Title 5, *California Code of Regulations*, Section 19810, that could have a direct and material effect on each of the School's state programs identified below for the fiscal year ended June 30, 2020.

Management's Responsibility for State Compliance

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each applicable program as identified in the State's Audit Guide *2019-20 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance*, prescribed in Title 5, *California Code of Regulations*, Section 19810. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the comptroller General of the United States; and the State's audit guide *2019-20 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed in Title 5, *California Code of Regulations*, Section 19810. Those standards and audit guide require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on the state programs noted below. An audit includes examining, on a test basis, evidence about each school's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the School's compliance with those requirements.

In connection with the audit referred to above, we selected and tested transactions and records to determine the School’s compliance with state laws and regulations applicable to the following items:

Opinion on State Compliance

In our opinion, Feather River Charter School complied, in all material respects, with the compliance requirements referred to above that are applicable to the statutory requirements listed in the schedule above for the year ended June 30, 2020.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of compliance and the results of that testing. This report is an integral part of an audit performed in accordance with *2019-20 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed in Title 5, *California Code of Regulations*, Section 19810. Accordingly, this report is not suitable for any other purpose.
