

Executive Director's Report

December 2020

School Updates

ACHIEVEMENT.

- New, more stringent laws are making it more challenging for charters to be renewed
- Showing academic growth in our students through assessments is imperative
- Our team is strategic planning on how to better support our students (focus group, survey to teachers and parents, looking at support curriculum)
- Build on our current resources

PLANNING.

We are looking at structure and planning for next year. We are updating job descriptions, looking at programs and any adjustments in structure needed..

PROFESSIONAL DEVELOPOMENT.

Last staff meeting of 2020 last week. Preparing for January PD-breakouts & motivational speaker.

ENRICHMENT.

- ☑ "Tier 1" started allowing the purchase of **family-led in-person activities and products**
- ☑ All vendor services (ie. classes, lessons, tutoring, driver's training, coaching, team sports, swimming lessons, etc.) and **all staff interaction must remain virtual**, until further notice.
- ☑ Working on "Tier 2", responsive plan for enabling in-person vendor services for the spring semester beginning in January. Met with stakeholders.

FCMAT Update

Executive Directors and some members of the Admin Team met with FCMAT teams on November 3 & 4. The meetings went very well and were designed to be an introduction and discussion about the process. Follow up meetings/requests will follow over the upcoming months. Jotforms will be sent to sampling of students to collect needed data.

Overall, it has been a very positive experience, and FCMAT made it clear that their goals are to look into the claims of the requesting County Superintendents and provide direction and support to the schools.

Charter Renewals

- ❑ Current charter term for Feather River and Winship ends June, 2021
- ❑ Our team worked hard with the assistance of several amazing consultants to write a strong renewal petition. Currently in legal review.
- ❑ Goal is to submit both to Winship-Robbins District by December 31, 2020
- ❑ District will hold a public hearing, then vote at a subsequent board meeting

AB1505

- Charter renewal for middle track schools is based on:
 - State and local indicator data, along with other data sources, to determine academic achievement: post-secondary outcomes, and/or verified data
 - Verified data: AB 1505 requires authorizers to consider “verified data” for renewals of charter schools that fall within the low-performing and middle-performing categories. The STAR Assessment is a verified data source
 - Post-secondary outcomes: includes data collected through a source such as the National Student Clearinghouse, graduate surveys, student interviews
- Renewal will more explicitly align charter goals and outcomes to state dashboard priorities

STAR Assessment Information

- Three assessment windows this year
 - Fall: September 1st - September 30th
 - Winter: January 11th - February 19th
 - Spring: April 12th - May 25th
- Test scoring was re-calibrated this year to better align with CAASPP scoring
 - Target students for intervention earlier
 - Better predictor of how students will score on high-stakes testing in the Spring
