### **A. Building & Facilities Report**

- Two documents outstanding; first is now with attorneys, then on for M. Moore signature. Second is with JE Dunn, moving between lender's counsel, JE Dunn counsel. Expect closing this week, but are subject to the other attorneys.

## **III. Finance**

B. Hines reports he reviewed the statement. Had clarifying question on vendor "charter schools" and D. Cembrola confirmed this is CSDC, lease payments.

### **B. Financial Update**

D. Cembrola reviewed December financials.

- Revenue forecast is conservative and assumes QBE rate is unchanged, though signals from state indicate it will go up. Should hear by next Committee meeting.
- 18k decrease to previous forecast is due to assumption of not paying rent, as purchase of property is occurring in January 2022.
- Reviewed cash projections and impact of reserve account, and without benefit of QBE increase; showing that we will be below 2 month payroll line with lowest in May. Discussed options for mitigating; C. Quick will inquire with lender.
- Reviewed financial performance indicators and confirmed that the reserve account is not restricted by definition of auditor.
- Reviewed property and facilities forecasting schedule.
