C. Finance

E. Castillo Leon presented fundraising updates. On track.

B. Hines added context for financial impacts. Grew physically and fiscally this year. We should be meeting our 540 student QBE count.

Peter Laub from EdTec (accounting team) joined to present financial presentation.

- Forecast:
 - Negative variances in staffing/personnel. Some realignment, net-net. Additional retention bonus put out from the state. Lost and gained operational staff. About a \$100K variance. Seeing a jump in health benefits from a lot of schools.
 - Services variance is mostly due to SPED costs, not uncommon to see since this cannot be forecasted much. Also includes consulting and audit (higher than expected this year.
 - Purchased Property Services: consulting services higher than forecasted
 - Seeing across GA, challenges with enrollment. Good to invest here to make sure kids are getting in the door. Staff appreciation line items were higher than forecasted.
 - Debt Services and Depreciation: Changes due to expecting to get in the building earlier.
- Capital Outlays: self-explanatory, related to construction budget
 - Bernard: had some unbudgeted expenses and now have some change orders. This schedule will continue to change. Want to be transparent and show both sides of the spend (operating and capital) - won't need this view next year. Sources show two lenders and our own contribution.
- Cash Balance
 - Dip is due to cash contribution to construction in January
- SCSC Indicators presented

D. LEA

D. Mack: Presented updates on addressing Corrective Action Plan.

- Sees opportunity to capture 8 more points.
- Grade Band Expansion was approved this morning unanimously - SCSC was very affirming of our history of CPF on the call.

E. Enrollment and Recruitment

Mr. Amos reported on scholar enrollment and recruitment, that we are on track. Upcoming lottery will be held in the new building.

F. Program Updates

D. Mack reported on attendance dips, expected during the winter months for illness and actions to keep truancy low.

S. Knight Justice reported on one disciplinary hearing and results.

S. Knight Justice reported on results from I-Ready - no specific goal this year because this is the first year of using this measure. But saw good growth for K-2. Y3 as well but pushing for more proficiency. On track and discussed additional supports put into place to continue through end of year.
