II. Executive Committee

A. Review of Old Business

No old business was discussed during this portion of the agenda.

B. Review of New Business

- **Summary of Key Points**

- Looking to hire someone for an Executive Finance position for next school year.
- Received full financial allotment from the state this month, roughly \$190,000 with a surplus at the end of the month
- Check processed from Quixote Foundation for loan balance will be given today 1/28.
- Roughly \$291,000 in available credit. We just got approval for our ESSER 2/3 funds this week so we can start requesting reimbursements for approved expenses.
- We are within 12-18 months of needing a full-time CFO.
- Next year's calendar aligns with Sumter School District, early release days moved to Fridays and a proposed shortened dismissal time of 3:30 pm.
- Intent to return for Staff is 92% and for students is 97% for the 2022-23 school year.
- MAP testing has concluded.
- Since there are no defined kindergarten & first-grade proficiency levels from the state, we are pushing students to meet the National and personal RIT scores.
- Kindergarten and 1st grade are meeting 91% of their math RIT goals. The scholars are roughly around 50% for their personal RIT. We are on track to meet their goals by the end of the year. Kindergarten and 1st grade are above 90% of their reading RIT goals.
- Sherman and Tanya have access to MAP development data to assist with children who need further intervention with additional learning.
- Our MAP data is very strong and we are confident we will reach our achievement goals
- The proposed timeline for board elections was shared with the committee, which will be conducted by the Public Charter Alliance of South Carolina.
- A discussion was held about possibly adding a governance committee that will be heightened awareness to ensure we are following all the rules. The treasurer role can be a vacant seat until we find the right fit. Greg would potentially chair be over the committee.
- Any current charter board member will need to file for an appointed/elected seat on the new board. Currently, the original charter planning committee

has no elected or appointed seats but the by-laws call for a seven or nine-member board that has 5 elected & 4 appointed seats.

- We are looking for five individuals for a facilities task force that will meet monthly.
- David Loadholt will continue serving as a financial advisor to the board.
- Simmons Lettre could help with our future governance committee so we can get a practice of what it looks like.
- To further ensure no conflicts of interest, Kimberly Rauschenbach will transition from the position of board treasurer to board member in the Spring.
- Academically and operationally, the data points show that LSC is in a good place.
- Would like to have Megan Kuhlman serve in an advisory role on the Development Board Committee (to be a thought partner).
- Greg Thompson provided an update to the committee on the visit from Darla Moore and her philanthropic foundation president (Harry Lesesne).
