II. Academic Excellence

A. Review of Old Business

No old business was reviewed.

B. Review of New Business

- Summary of Key Points
 - Dr. Graham shared several data updates with committee members. KRA (Kindergarten Readiness Assessment) finished at 25% in readiness, which is almost an exact match with Sumter School District. Scholars will take another readiness assessment in 3rd grade.
 - By EOY, the majority of K scholars will be at 2 or more levels in reading and math. 1st-grade students will be at 3 or more levels in reading and math by EOY.
 - Every student's growth goals are set by MAP. MAP also sets EOY standards.
 - We are hitting our growth goals in reading in both grades
 - Teachers have an OCS for intervention for students who need additional help. Students who need additional help will get less time with Enrichment to further help their progress.
 - Intent to return forms completed and students are at 97% and staff is 92%
 - Overall, we are happy with the current levels of organizational health.
 - The Culture Interventionist is here to help with discipline with some disruptive students. KG and TI are doing more to work and train with the teachers when it comes to the discipline of the students so they are continuing to learn.
 - If 161 of currently enrolled students show up next year, we will have met our diversity goal of 65% minority students. We are not able to collect income data at this time.
 - K has 50 students on the waitlist and 1st and 2nd have roughly 35 students on the waitlist.
 - Calendar highlights – working since the end of October 2021 and presenting a proposal that is in 100% alignment with Sumter School District. Shortening school day by 30-minutes and the weekly early release days have been moved to Fridays. There is still the same number of school days accounted for in the proposed academic calendar.
