## **II. Executive Committee**

### **A. Committee Updates**

- Summary of Key Points

- Next year's budget and the year after, we need to be clear about where our total revenue will be.
- Will not have money until the second half of the year.
- We will become more sustainable in SY22-23.
- The first school year will result in a negative balance. We do not know what the cost of site two will be. Maybe roughly \$1M.
- \$58,000 is needed for the upkeep of the current building.
- Need to confirm what our facilities cost will be in SY22-23.
- Needing to figure out how to support our Finance Coordinator as a CFO will be far too expensive right now.
- Wanting a qualified financial CPA to come in twice per week to help out our finances.
- Looking at adjusting loan terms with Synovus Bank. It's better to have more cash on hand vs a higher credit limit.
- 4th grade will be tough to recruit and transition vs 6th grade as that grade is when everyone is transitioning. If we open 6th grade by 2025, we have to be able to promise to open the 9th-grade academy three years later. It is possible to have a temporary site until we find a permanent site.
- Needing \$500,000 cash flow to ensure our teachers get paid when school starts.
- Looking at Aldersgate to have our next campus. There is room for 400 students, parking, but would need to build a cafeteria.
- SPED is currently costing us \$75-100,000/year.
- Looking at capping classrooms at 30 students due to budget needs.
- Committed to having a vote on March 4th about where students will go to submit to the state board.
- Looking to see if the state will pay for  $\frac{2}{3}$  of our high school vs having to fundraise for it (vocational & CATE revenue).
