II. Academic Excellence

A. Review of Old Business

No old business was discussed.

B. Review of New Business

• Summary of Key Points

- Facilities and budget update- We are steadfast with the goal of the first rough draft of the budget. We have 3 buckets of money: PA, Network, and Year 0 costs that are being represented with one pot of money. Roughly \$4.3M all in.
- To keep revenue high, we would have to increase a homeroom which would mean we need a larger facility.
- 4th grade vs 6th grade doesn't have any cost difference. 4th grade pros: more time for construction of a high school. 4th grade cons: nontransition grade which is harder to recruit. 6th grade pros: aligns with many charter school models and is a transition grade. 6th grade cons: needing a more definite timeline with 3 years to build a high school. Both Mrs. Chandler & Dr. Thompson expressed concerns regarding a proposed class size of 30 scholars.
- Dr. Graham reviewed his key takeaways from the School of Excellence visit to Indianapolis (Purdue Polytechnic High School).
- There is a greater financial risk with 4th grade vs 6th grade.
- Must put the exact growth plan together prior to submission to the state board.
- Must make the decision for opening 4th or 6th grade by March 4th.
- Students need to hit their personal goal vs a state goal.
- 80% of students will be able to reach the National scores.
- The instructional Coach will start going into classrooms and do on-the-spot coaching to offer support in increasing the effectiveness of instruction.
- Starting Leadership Council on March 15th with parents and leaders. Mr. Logan (Academy Director) can give feedback to any questions or concerns they may have.
- Two teachers (1 in K and 1 in 1st) have shared that they will not be returning next year as well as the
- Mrs. Chandler asked for an update on the current recruitment process of teachers for the 2022-23 school year. There is a 7 step process that candidates go through. Currently, we have 3 candidates in lead teachers & 6 teacher fellow spots that are going to the final interview stage with academy leaders.
- The lead teacher pool is not looking great right now, but only time will tell.

- LSC was accepted in the Diverse Charter Schools Coalition Cohort. This allows us access to communities of practice, world-class PD, conventions, etc.
- Diverse Charter School Coalition has a UnifiED program that will pay for a new leader's salary to come into the school to help it get off the ground. They will also offer workshops, new school visits, etc.
