II. Finance Committee

A. Review of Old Business

There was no old business that was discussed.

B. New Business

- Summary of Key Points

- As of today, 183/192 scholars are currently enrolled.
- We transferred money from donations/credit to pay for staffing payroll costs. We do this because we get paid from the state once per month but the Staff gets paid twice per month.
- When an invoice comes in related to a PO, she will enter it into SmartFusion software and cut the check for the PO. Helps to manage funds in real-time.
- The budget is looking great so far.
- Still deciding on 4th vs 6th grade for growth strategy. Costs are identical. Both have pros and cons with the main cons being: 4th grade is not a transition grade so recruiting would be difficult. 6th grade is that we would need to have a place for the kids to go in 3 years for HS and we would need a more definite timeline.
- If we dropped from 30 to 25 kids per classroom, our revenue would drop by 17%.
- Total of 4.4M for Year 2 revenue. 3.4M will go to staffing. 1M leftover would be: 500k is year 0 costs (books, tech, etc.), 366k is 30 days cash on hand. All costs are for PAC.
- LSC needs to go to the board and request more cash on hand so we do not get in trouble with the state.
- Need 1.5M to launch the next campus. We need to find 1.2M
- January of 2023 if we have strong results, we can ask for 250K from CSGF. NSVF would be willing to help finance a building.
- Sumter School District updated its pay scale shortly after we updated ours.
- Need to be transparent about what the revenue will be for next year to ensure everyone is on the same page.
- \$1M would get the next facility started but not the total cost.
