B. New Business

- Summary of Key Points

- Looked at Aldersgate for our next site. Still need to figure out how many cars we can fit on the road. Need it to fit 400 cars.
- The classrooms at Aldersgate are very small yet we could make it work.
- There is a Growth Strategies meeting with CSGF next week, 2/24.
- We know what the ballpark cost will be for the new upcoming school building.
- Board members will vote on whether we will open with 4th grade or 6th grade. Cost is the exact same per enrollment.
- Numbers double in SY23-24 if we continue on the path that we are.
- The short-term risk with 4th grade is needing \$1M in the next year. Long term risk for 6th grade is that we will not have a building to put them in.
- If we drop from 30 kids to 25 kids per classroom, we would lose 17% of our revenue.
- If we lower the cost of teachers, the quality could be lower.
- Site for grades 2-8 will be one way LSC can increase its surplus. We need a surplus in the budget first in order to fully the desired educational model.
