• Summary of Key Points

- Student enrollment = 93.3% currently.
- We have to transfer money into the personnel account to ensure payroll will be covered for the month.
- We get the drop from the state on the 23rd of the month into to our Operations budget. Essentially we are transferring from one account to another monthly.
- Received reimbursements from P&I claims 8 and 9; received IDEA & Title II reimbursements; submitted ESSER reimbursements.
- The new campus in SY 23-24 that we need to figure out expenditures for.
- Ensuring that every month we have a working understanding of the budget.
- When we turn in the 135 day count, we will be funded on the number of students in the building. We will be paid based on those numbers in July 2022. The 135th day count is on 3/25/2022.
- Food Services - billed for \$86,255.30 and we have been reimbursed for \$76,316.95. We were not reimbursed for snacks that we purchased at the beginning of the year. The government will only reimburse the food, but not the labor cost for handing it out.
- The Federal government has not confirmed if school lunches will be free for the next school year under the current SSO program in which LSC participates.
- Encourage all transactions to be on the online portal for school lunches for parents to purchase. Will need to be put into our policy.
- The school will decide what they charge for school lunches.
- We have to wait on the amendments we made to our budget before we get our reimbursements from ESSER II
- LSC set a new salary schedule for the teachers for 22-23 SY that provides roughly a \$4000 increase compared to the local school district.
