A. Review of Old Business

There was no old business discussed.

B. Review of New Business

Summary of Key Points

- Dr. Graham reviewed roles and responsibilities for every committee member.
- Dr. Graham reviewed monthly priority documents from Network Staff to Academy Leader Staff. The monthly priority document looks different based on your role.
- There is a school leadership playbook for Sally and Sherman to assist with their roles at the campus level.
- For the Academy Director guidebook, the monthly priorities are broken down into months and what should be accomplished through the entire year.
- LSC submitted to the state to use of the guidebook as an evaluation performance management system.
- Talent review update: 4 reviews per year. One each quarter. Q1 & Q3 is a talent performance. Q2 and Q4 are school reviews.
- Mia Howard from NSVF will be at LSC on 5/23 to observe and give feedback
- Academic Data: MAP data is looking great for both grades considering the covid world last year.
- LSC is successful due to having a two-teacher model, strong teaching teams, and longer school days & year.
- We do not do placement testing to qualify to come to LSC. We are trying to figure out where critical students are to distribute them evenly throughout other classrooms.
- Hopefully, we will see significant improvement in the Spring MAP data vs the winter MAP data.
- Teachers have the option to retest Scholars in May to see if growth can be hit.
- Interventionists are focusing on red group students based on the data and will pull them out for additional help.
- The process to retain children starts in Q4. It is based on winter MAP, missing too many days, or behavioral concerns. Steps are to reach out to parents, continued communication, and testing in May, and June is final decisions. The parents can appeal the decision to be retained through Dr. Graham. Parents should not be surprised at a retention conversation. There will have been conferences leading up to the decision of retention.
- Top wins this year: Million Word Reading Challenge, Community Culture Celebrations, Enrichment Offerings, Family Engagement opportunities, and Book Fair sponsorships.

- If teachers have any issues, they go to their grade team leaders before they go to the Director.
- Mrs. Pack is the new hired Special Pops Coordinator for SY 22-23
- As a network team, we are pushing all stakeholders to be solutions-oriented and leverage instructional time in the room.
