A. Committee Updates

- Summary of Key Points
 - If children did not attend LSC, they would attend Lemira which is close to LSC.
 - 1st and 2nd grade need to have MAP scores to determine if they are on track to be successful in ELA and math in the next grade they are going into.
 - 10.5% of children are on grade level at Lemira and LSC children are 66% on grade level. Overall, the entire state is 16% and LSC is 84%.
 - LSC has 65% of children that live in poverty.
 - LSC shoots for 85% proficiency for all of our Scholars. 33% is based on total growth. 33% is based on where children are in the country. 33% is based on how many children exceeded their growth target.
 - There is no grade level proficiency in K, 1st, or 2nd due to no state test in these grades. 3rd grade is when the state testing begins.
 - Once teachers and children are more familiar with the curriculum and no more covid, LSC's numbers will get better as far as proficiency.
 - LSC will need to balance the classes within the first 10-days of the new school year.
 - Lincoln will revisit our proposal for LSC and we will push forward with that.
