## II. Development

### A. Unfinished Business from Previous Meeting

There was no unfinished business from the previous meeting.

### B. New Business

- Summary of Key Points

- LSC has raised roughly \$30,000 over the last year.
- The fundraising goal is \$100,000 for LSC for this school year.
- LSC had many meetings with Pilgrims prior to them donating to us.
- LSC has the metric for how many Pilgrims employees have children who are going to school.
- Grants may become more specialized as we move forward and expand our campuses which is why having a grant writer is more important now.
- The Development Committee could do a gala to raise money for LSC. Winter could be a good time to do so.
- The school staff could be leveraged if we would do a Gala in order to raise more money. Table seats, raffles, etc.
- If LSC can get grant writing and a meeting with Pilgrims by the next Development Committee meeting, it will be something to share at the board retreat on July 14th. These could be driver goals for the year to be reported out.
- In Q1, Trevor can let Victoria know what grants to apply for then let her go on her own afterward and find the grants for us. She will have check-ins with Trevor to give updates on what she's found or not.
- Federal grants come with a lot of paperwork, but with the line of credit, we will have cash.
