VIII. Public Participation

A. Public Participation

Robin Thames spoke to the board regarding desired changes and recommendations about the current LSC dress code. She made a mention about the following

2. add a navy to the approved bottom color.
3. allow girls to wear a blue polo dress from stores like old navy or children's place because the current female options do not fit her scholar.

This parent recognizes the importance of the uniform but would like more options so that her scholars feel like they are able to make choices in the morning. She also mentioned that she would like the opportunity for her scholars to wear their spirit t-shirts that they have received from Liberty.

Mrs. Thames then expressed the desire for Liberty to "hurry up" so her current fourth graders can attend Liberty as soon as possible. The parent thanked the Board and left.
