## **II. Development**

### **A. Old Business**

Mr. Shaw shared that as a response to the Charter School Growth Fund (CSGF)-next steps in progress, Liberty has engaged Afton Partners to conduct a long-range financial planning and sustainability review. This includes that Dr. Ivey will have two monthly check-ins to discuss problem-solving and best practices, with a focus on financial structure, organizational chart, and teacher coaching.

Dr. Ivey shared that he and Laquana Chambers visited Movement School in Charlotte, NC. Movement is expanding to Atlanta and Charleston. Their model is similar to Liberty's; however, they serve k-5 students. The student population is 98% minority with an ADA high of 87%. The Charlotte school shares space with a church (church pays utilities and uses the cafeteria on weekends). The school is heavily grant funded by Casey Crawford, a successful philanthropic entrepreneur (Movement Mortgage).

Dr. Ivey shared that the Children's Trust Fund of SC has a meeting scheduled in the near future.

Dr. Ivey shared the first \$20,000 portion of the Connected Communities grant was used to purchase weapons detectors. The remaining \$20,000, scheduled to be received in August 2025, can be requested earlier under special circumstances.

Dr. Ivey provided an update on two grants from the SC Department of Education, one that is a pending award of \$200,000 for Project Lead the Way in which funds are to be used in FY26, and the other awarded \$200,000 is expected to be received any day now. Building Hope is an anticipated grant between \$5,000 to \$10,000 to support STEAM Workforce Development Days (May 5–7). A grant in the amount of \$7,500 from the SC Student Loan Corporation is the result of Liberty being nominated by a parent.

Dr. Ivey shared that parent/guardian climate survey results for learning environment, social and physical environment, and home school relations will be a part of the state report card along with student and staff survey results expected to be completed at the end of the school year in June or July.

Dr. Ivey provided a brief update on the Rally Cry Spring 2025.

Dr. Ivey shared that SC Ready Intervention Boot Camp is in progress.

Dr. Ivey provided an update on STEAM Workforce Development Field Trips:

- Kindergarten scholars visited CCTC Health Sciences/McLeod Health.
- First grade scholars will visit EMS-Chemie this year. Dr. Ivey noted he may connect with Travis Norton to coordinate a possible student field trip to eVAC Magnetism next school term.
