II. Academic Excellence

A. Topics for Discussion

- Teacherpreneur Kelli Carlisle Updates: Provided updates on proposed revisions to LSC's coaching cycle, LEEA effectiveness ratings, and the profile of the LSC teacher. She emphasized the importance of aligning the evaluation system with the coaching system to fulfill LSC's promise of individualized teacher support. Both

campuses will use the same diagnostic tools (e.g., mastery checks, progress monitoring); committee will regularly receive updates on Tier I Instruction focus; Coaching responsibilities are now separated from managerial responsibilities; a plan is in place to strengthen Tier I Instruction.

- Liberty Launch – Summer PD Institute: This is LSC’s first summer professional development institute, offering two days of customized PD sessions June 10-11. Teachers who attend will receive a stipend.
- Special Education Inclusion Program LSC’s current special population is 15%, with growth expected in the new school year. Overview of co-teaching in inclusive classrooms: Scholars receive services inside the general education classroom; special education teachers are embedded in classrooms; floating teaching fellows will provide support so classroom teachers are not alone; scholars will not be singled out or treated differently; classroom ratios will be closely monitored. All teachers will receive PD on co-teaching responsibilities, including standards, accommodations, and roles; benefits of co-teaching were reviewed; alternatives will be available for scholars who do not thrive in the co-teaching model; goal: by August 2025, all staff will be fully trained in co-teaching. Two certified teachers will be present in every inclusion classroom.
- End-of-Year Stakeholder Satisfaction Survey: Survey results for family participation: PA 100% EA 94%
- Fifth Grade Coming for FY26
- Per the charter application, fifth grade will launch in FY26, with sixth grade to follow.
- Spring Semester Rally Cry Update was provided.
- Parent Volunteer Hours - Review of participation and engagement.

Looking Ahead:

- Each campus is investigating next year’s CLI team members; suggested implementing term limits (e.g., rotate out members who’ve served 2 years); Involve campus leaders and ensure a special education teacher is included on the CLI

team. Seek and provide feedback during Summer Institute; Present CLI concepts at New; Staff Academy and Whole Staff PD.

- Clearly communicate to families when co-teaching or additional support staff are present in classrooms; reassure families of the integrity of the LSC model. Align messaging with Culture Camp and include a session on inclusive classrooms; reassure parents:
- International Spanish teachers will create workbooks for K–5 scholars starting FY26.
- Family Engagement: Address the 25 families at the EA who did not complete the survey, consider barriers.
