Cameron Chandler made a motion to approve the consent agenda consisting of FY27 Organizational Goals FY27 Board/Committee Meeting Schedule and To ratify the June 16 action of the Executive Committee that approved the final Mall Campus expansion lease agreement and authorized the Executive Director to execute and deliver the agreement on behalf of the organization effective immediately as of that date June 16, 2026.

Marion Newton seconded the motion.

The board **VOTED** to approve the motion.

B. Academic Excellence Committee Update

Academic Committee

Highlights included:

- Strong special populations programming
- National Unified Champion School recognition
- Summer programming success
- Nearly full staffing for upcoming year
- Continued strong academic growth
- Expansion of PATH program (42 partners)

The Academic Committee received a year end update on Special Populations programming and celebrated several notable accomplishments, including National Unified Champion School recognition, continued success of Liberty's full inclusion model, and strong academic growth among scholars receiving specialized services. The committee also reviewed staffing additions for the 2026-2027 school year and discussed priorities focused on strengthening instructional rigor, increasing accountability and compliance, building staff capacity, and closing achievement gaps while maintaining Liberty's commitment to full inclusion.

The committee received updates on summer programming, including Summer CREATE and Summer PRIDE, both of which experienced strong participation and positive family engagement. Members also reviewed upcoming policy changes related to Read to Succeed requirements, attendance expectations, and Attendance Success Plans for scholars with chronic absenteeism.

Dr. Ivey reported that Liberty is nearly fully staffed for the upcoming school year, with recruitment continuing for a part time Physical Therapist. He also shared that Liberty continues to demonstrate strong academic growth and remains among the highest growth charter schools measured by Charter School Growth Fund metrics. Organizational goals for 2026-2027 were reviewed and will be presented to the Board for approval.

The committee received a budget update indicating a projected contribution of approximately \$400,000 to reserves and anticipated achievement of the 60 day cash on hand benchmark. An update was also provided on the PATH Program, which has expanded to 42 PATH Partners, with year round engagement activities planned.

C. Development Committee Update

Development Committee

Highlights included:

- Strong family engagement and satisfaction
- Continued enrollment outreach efforts
- Proposal for after-school program
- Grant updates and PATH partner expansion
- Athletics and enrichment planning

The Development Committee received a year end update on family and community engagement efforts, highlighting strong parent satisfaction, high participation in volunteer and family engagement programs, and continued success in supporting scholars through meaningful PATH experiences such as Hopes and Dreams, Reality Town, and college visits. Committee members discussed opportunities to strengthen systems, increase family accountability, and enhance communication as Liberty continues to grow.

The committee reviewed enrollment updates and ongoing efforts to fill available seats for the upcoming school year while welcoming new families through onboarding activities and Hopes and Dreams sessions.

Ms. Chambers presented an initial proposal for a Liberty operated after school program designed to provide scholars with a safe, structured environment that includes academic support, enrichment opportunities, and STEAM experiences. The committee expressed support for continued exploration of the concept and recommended gathering additional family feedback to assess interest and long term sustainability.

Dr. Ivey provided an update on development and grant activities, including the receipt of a Summer Reading Camp Grant, continued planning for the Congressional Community Project Grant, and the submission of several additional grant applications to support school initiatives and PATH programming.

The committee also received an update on the PATH Program, noting that nearly all PATH partners have confirmed participation for the 2026-2027 school year. Efforts are underway to strengthen partner engagement through standardized partnership agreements, year long collaboration plans, and participation in upcoming events such as the Chairman's Reception. Committee members commended the continued growth of the PATH program and its impact on scholar career exploration.

The committee reviewed proposed athletics and enrichment offerings, preliminary FY27 budget information, organizational goals, and the draft Board and Committee meeting schedule.

D. Finance Committee Update

Key updates included:

- Revenue approximately \$11M vs \$11.2M budget
- Projected positive reserve contribution (~\$200,000–\$400,000 range discussed)
- Lease agreement finalized for mall campus expansion
- Insurance policy updates and renewal recommendations
- Signing authority updates for FY27
- FY27 budget progression and federal program authorizations

A motion was made and approved for:

- Insurance policy renewal
- Signing authority updates
- FY27 budget approval (final reading)
- Federal program authorizations (Titles I–IV)

The Finance Committee reviewed the school's current financial position and year-to-date performance. The school ended May with approximately 45 days cash on hand and enrollment nearing 913 scholars. Revenue is tracking slightly below budget at about \$11 million compared to \$11.2 million, while expenses in salaries, benefits, and operating costs are projected to come in under budget. Although philanthropic revenue is expected to fall short, more than \$600,000 in contributions is anticipated before year end, with net reserves expected to increase modestly by under \$200,000.

Discussion on liquidity highlighted the ongoing goal of reaching 60 days cash on hand. The school would need approximately \$498,000 to reach that benchmark, with leadership noting that anticipated contributions and remaining grant payments, including a Strategic Compensation Grant installment, are expected to help close the gap. Members emphasized the importance of strengthening reserves to reduce reliance on short-term borrowing during the early part of the fiscal year prior to state funding cycles.

Several operational updates were reviewed, including lease expansion, federal programs, food services, and insurance planning. The lease expansion was confirmed at the current rate, with a correction increasing allowable square footage from 5,300 to 5,800. Federal programs remain on track with reimbursement claims exceeding thresholds, while additional guidance is pending on Title I allocations and grant drawdown schedules. The food services transition is progressing with implementation underway and expected savings through platform efficiencies. Insurance renewal discussions resulted in support for shifting the renewal cycle to November 1 and selecting HUB as the recommended agent, with projected coverage increases while maintaining costs within budget.

For fiscal planning and governance items, the proposed Fiscal Year 2027 budget totals approximately \$15.8 million, with a projected reserve contribution of about \$35,000, below the desired \$400,000 target and dependent on continued fundraising and grant support. Organizational goals and year-end reporting were reviewed with no major changes, aside from updated accountability measures. The committee also supported updates to check signing authority effective July 1 and recommended approval of policy manuals, budget adoption on final reading, insurance strategy changes, and future reporting on federal funding alignment with the school's needs assessment.

Heather Bass made a motion to Insurance Policy for three year commitment with HUB international with annual renewal after 11-1-2027 Check Signing Authority Effective July 1 naming Chairman Greg Thompson, Designated Director Kimberly Rauschenbach, Superintendent Brenda Hafner, Finance Director Heather Green, and Development Director Gifford Shaw, and for our Operating and Donations accounts, naming Chairman Greg Thompson, Designated Director Kimberly Rauschenbach, Superintendent Brenda Hafner, Development Director Gifford Shaw; Finance Director Heather Green and Finance Coordinator Harmony Gadson Third and Final Reading of the FY27 Budget Title I, II, III, IV Authorizations effective July 1, 2026.

Cameron Chandler seconded the motion.

To authorize the superintendent to serve as the representative for the South Carolina Department of Education Application for Grants to meet the special educational needs of educationally deprived children under Title I of Public Law 103-382;

for Grants to increase the academic achievement of all students by helping schools and districts improve teacher and principal quality and by ensuring that all teachers are highly qualified through professional development activities for Title II;

for Grants to provide instructional activities and services to meet the special educational needs of limited English proficient and immigrant students under Title III of Public Law 107-110;

for Grants which are intended to improve the students' academic achievement by increasing the capacity of States, LEAs, schools, and local communities by (1) providing all students with access to a well-rounded education; (2) improving school conditions for student learning; and (3) improving the use of technology in order to improve the academic achievement and digital literacy of all students. **And** to authorize the superintendent to allocate any federal programs allocations from SCPCSD to reflect the comprehensive needs assessment supervised by the boards' academic committee May 2026.

The board **VOTED** to approve the motion.

E. Governance Committee

The Governance Committee reported that the annual review of board policies, procedures, and bylaws has been ongoing since the May 26 Board meeting. Proposed amendments and revisions were reviewed and refined through committee-level discussions.
