T. Pedracine and W. Akhtar reported that parents are looking forward to the pontoon boat rides on Saturday, August 28 at Tenney Park from 9:00AM - 1:00PM.

They expressed their thanks to One City's leadership team for their responses to parent concerns outlined by parent council leaders.

Parents are eager to tour the new building. The first tour was held on August 23rd and a second tour is scheduled for August 26th at 7:00pm.

### **III. Finance Committee: Discussion and Actions**

#### **A. Review and Approve One City's July 2021 Financial Report**

T. Jaeckle reported that financials show a drop in pledges receivable due to payment from Pleasant towards the facility.

Currently, we show ~\$1.5M in the bank which is positive. Income is a high negative because of the cost of the new building.

There is still \$1.7M available from Ms. Pleasant Rowlands original pledge which we estimate will last until mid March of 2022, based on last year's operational budget.

Tuition that was not collected will be reflected in a future report.

C. Zdeblick made a motion to approve the July 2021 financials.

J. Krupp seconded the motion.

The board **VOTED** unanimously to approve the motion.

### **IV. CEO Update and July 2021 Organizational Report**

#### **A. CEO Departmental Reports: Key Topics and School Highlights**

#### **B. Facilities Report**

D. Stephan reported that we hosted our new staff at the new facility on August 24th. Classrooms are framed and walled in on the third floor so we can begin moving furniture into the classrooms before the end of this week.

A huge thank you to our extraordinary volunteers for helping to move our school from Coyier Lane to W. Broadway.

One City's Executive Team had a very productive visioning session with ZebraDog last week. ZebraDog will handle the design of the interior of our elementary and secondary schools.

V. Ramakrishnan and S. Martyniak reported that we can bring ~20% of project costs for building renovation (approximately \$4M) if we have the remaining 80% in hand at closing in January 2022. We still need to determine the budget for the entire project.

S.Klug wondered if we have a rough estimate of the global budget. V. Ramakrishnan responded that it will likely cost a total of \$25-26M.

G. Derzon inquired how much we are asking for in tax credits. V. Ramakrishnan replied that it depends on which CDE awards the money, but ~\$4M is a safe estimate.

G. Derzon asked if that is net credits - after the legal teams and accountants take their cuts. V. Ramakrishnan said the answer is yes, as the gross benefit starts at approximately 30% but ends up being closer to 20% after everyone takes their cuts.

### **C. One City Student Enrollment Update for the 2021-22 School Year**

M. Ruffin reported that 4K-grade 4 enrollment for the fall so far is at 229 scholars. 4K, 5K and 1st grade are full. There are still seats available in 2nd, 3rd, and 4th grades. There are 2 sections of 24 scholars each for 2nd and 3rd grade, and one section of 24 scholars for 4th grade.

N. Wray suggested that we look into advertising enrollment on the parking ramp facing the belt line.

G. Wiseman responded that we can work with Findorff and the Monona planning commission to put up an enrollment banner.

W. Akhtar wondered how recent enrollees have heard about One City, and suggested that we make note of what strategies work. M.Ruffin said that enrolled families have heard about the school via word of mouth.

S. Martyniak asked how many seats are open in 2nd, 3rd and 4th grades. M. Ruffin replied that 3rd grade has 36/48 scholars enrolled, 3rd grade has 44/48 scholars enrolled and 4th grade has 18/24 scholars enrolled.
