A. Committee Review of December 2017 Financial Package

Samira Estilai reviewed the 4 school budget forecasts and network budget forecast.

Committee discussed special education operating expenses at EQ and EQ2 (Sub Costs and SPED costs, with increased Network Fees from budget).

Equitas Academy 3 - removed the \$2million for facility project so as not to distort. Attendance has not been strong, school is enrolling 5 additional students. Operating expenses has been \$33K variance, partly due to contracted Recreational Aides. Student supplies variance is a timing issue for PCSGP spending.

EQ4 - Red. Strength in attendance rate, however they are off by \$27K in Net Income mostly due to SPED expenses. Full ASES Grant is not yet spent down, plan to spend it down by applying it to Expanded Learning Director's time. Operating Expenses up due to SPED and contracted Rec Aides.

Group discussed whether Equitas should try to increase available line of credit. Samira will speak with our banker to determine what is appropriate line of credit for growing organization to make a recommendation to group.

Network -

Non-Instructional Consultants, 5850 over due primarily to Staff Recruitment Services. There's the non-accounted for impact of the CSGF grant.
