B. Evaluation of Meeting

Highlights, Thoughts & Questions:

- Having the scholars in the room. The board would like to know in advance for further engagement.
- Loved hearing EQ2 scholar and would like to hear more from students about the academic warriors.

- Loves seeing the sense of pride that we saw demonstrated by scholars. How do we allow that opportunity with more students.
- Would Academic warriors or Saturday school be an appropriate venue for Board members to get more involved?
- Equitas is intentional in empowering students and their voices.
- So many topics were covered and it was a great journey.
- The questions that pushed the practicality of the plans.
- Data and the collection of the data.
- Restructure of the meeting that allowed things that required more time to land at the end.
- Enjoyed time to think during portions of the meeting.
- Kudos to Carla for sharing so much progress and demonstrating leadership.
