B. Staffing

Hired founding music teacher-offer made and accepted

Hired 1 K lead guide-need 4 total

Have 2 applicants in elementary lead guides who are certified

4 elementary lead guide applicants are not certified

Montessori fellows-hiring for 7, have 6 in the pipeline

Hiring for special ed teacher-GA Charter School Association has contracted with a consultant; special ed certification alone insufficient based on requirements from our authorizer and state/federal guidelines; looks like we need a Director of Special Education Services (still one role but new title based on requirements of role)

There is a candidate in pipeline who has the necessary experience

Nurse-no longer looking for full time nurse; now looking at part-time nurse based on size of school; could change based on apparent needs and move up to full-time if it becomes necessary

Therapeutic Counselor-not currently in budget but might be a necessary role; adding this to staffing plan; will start off part-time and can adjust as necessary

Will start gathering medical information and needs of kids in April
